The Lost Husband Katherine Center, 2013-05-07 A sweet tale about creating the family you need People that explores the trials of losing what matters most and how there's always more than we can imagine left to find from the New York Times bestselling author of *The Bodyguard* and *The Rom Commers* Now a major motion picture starring Leslie Bibb and Josh Duhamel Dear Libby It occurs to me that you and your two children have been living with your mother for Dear Lord two whole years and I'm writing to see if you'd like to be rescued The letter comes out of the blue and just in time for Libby Moran who after the sudden death of her husband Danny went to stay with her hypercritical mother Now her crazy Aunt Jean has offered Libby an escape a job and a place to live on her farm in the Texas Hill Country Before she can talk herself out of it Libby is packing the minivan grabbing the kids and hitting the road Life on Aunt Jean's goat farm is both more wonderful and more mysterious than Libby could have imagined Beyond the animals and the strenuous work there is quiet deep country quiet But there is also a shaggy gruff though purportedly handsome under all that hair farm manager with a tragic home life a formerly famous feed store clerk who claims she can contact Danny on the other side and the eccentric aunt Libby never really knew but who turns out to be exactly what she's been looking for And despite everything she's lost Libby soon realizes how much more she's found She hasn't just traded one kind of crazy for another She may actually have found the place to bring her little family and herself back to life

Her Long-lost Husband Josie Metcalfe, 2010

The Best Dead Husband in the World Kathy Reichert, 2006-03 Kathy Reichert and her husband Dick have been married fifteen years Dick has been dead for three of them I became a widow just like that half of a whole alone in navigating an abyss of emotion Somehow we needed to weather this together to remain partners in life and in death This is our story of spiritual connection how we found ways to break barriers when possible and to crack the symbolic codes of communication between loving longing souls I share my story for many reasons Perhaps the more important of these is to show that ordinary people can have extraordinary spiritual experiences that this is both healthy and helpful There is a misconception that after death communication is disruptive to the grieving process I believe that each of us has an assigned team of experts on the other side You can call them angels or guides or spirit families I call them the Wise Ones They are there to help us through life Therefore they offer only those gifts that we need to aid our growth So if we

spend too much time looking for signs and do not move forward with our lives they will stop This is a team effort You can't get lazy

The Dead Husband Cookbook Danielle Valentine, 2025-08-05 One husband well done When infamous chef restauranter and television personality Maria Capello's husband died the media circus was intense and quick to cast the blame Whispers claimed Maria murdered her husband to build her culinary empire on his bones and that there was an all too grisly reason his body was never recovered Yet for the past few decades the Capello family maintained their stoney silence until now Thea Woods has no idea why she was chosen to work with Maria on her sure to be infamous memoir but she doesn't question her luck Spirited away to the Capello's rustic upstate farm she's soon embroiled in the mystery and cut off from the rest of the world It should be the job of a lifetime but something's not quite right with the close knit clan and Damien Capello isn't the only one to go mysteriously missing over the years As the true story of Maria's past unfolds and the stench of rot hidden behind the kind coastal grandmother veneer rises Thea finds herself trapped and desperately afraid Because there are reasons why Damien's body was never found and why in over thirty years Maria Capello has never revealed the secret ingredient in her most famous recipe

Dark Maze Thomas Adcock, 2020-01-28 Edgar Award Winner An NYPD detective navigates a lethal labyrinth in this entry in Adcock's series of gritty procedurals The New York Times Book Review The old shabbily dressed man who walks up to Neil Hockaday in the park one morning rambles on semicoherently though he's sharp enough to make Hockaday as a cop He introduces himself as Picasso makes snide comments about the policeman to an invisible companion and issues a vague homicidal threat just before his bus leaves Born and bred in Hell's Kitchen and now an NYPD detective Hockaday has been exposed to plenty of strange characters But Picasso's haunting words and the killings that follow soon have the officer searching the city for someone who considers murder his masterpiece

Cinema as Therapy John Izod, Joanna Dovalis, 2014-12-17 Loss is an inescapable reality of life and individuals need to develop a capacity to grieve in order to mature and live life to the full Yet most western movie audiences live in cultures that do not value this necessary process and filmgoers finding themselves deeply moved by a particular film are often left wondering why In Cinema as Therapy John Izod and Joanna Dovalis set out to fill a gap in work on the conjunction of grief therapy and cinema Looking at films including Million Dollar Baby The Son's Room Birth and The Tree of Life Cinema as Therapy offers an understanding of how deeply emotional life can be stirred at the movies Izod and Dovalis note that cinema is a medium which engages people in a virtual dialogue with their own and their culture's unconscious more deeply than is commonly thought By analysing the meaning of each film and the root cause of the particular losses featured the authors demonstrate how our experiences in the movie theatre create an opportunity to prepare psychologically for the inevitable losses we must all eventually face In recognising that the movie theatre shares symbolic features with both the church and the therapy room the reader sees how it becomes a sacred space where people can encounter the archetypal and

ease personal suffering through laughter or tears without inhibition or fear to reach a deeper understanding of themselves Cinema as Therapy will be essential reading for therapists students and academics working in film studies and looking to engage with psychological studies in depth as well as filmgoers who want to explore their relationship with the screen The book includes a glossary of Jungian and Freudian terms which enhances the clarity of the text and the understanding of the reader
