Long Red Scarf:

The Long Red Scarf Nette Hilton,1987 After all his female relatives refuse to knit him a scarf as they go on about their business driving the cows building a crib Grandfather learns to knit himself *Long Red Scarf* Nette Hilton,Margaret Power,1987 Australian Delightful tale about a grandad who wants a knitted scarf **Tintin in the New World** Frederic Tuten,2005 Acclaimed author Frederic Tuten boldly revives the well loved character Tintin the eternally youthful protagonist from Belgian artist Herge s popular comic book series The Adventures of Tintin and leads him into an adventure like none he has experienced before Once again joined by Captain Haddock and his little dog Snowy the intrepid world traveler Tintin embarks on a mysterious journey to Machu Picchu in Peru But where danger and intrigue have met him before this voyage brings new perils and enchantments **This is Not Just a Painting** Bernard Lahire,2019-04-15 In 2008 the Mus e des Beaux Arts de Lyon acquired a painting called The Flight into Egypt which was attributed to the French artist Nicolas Poussin Thought to have been painted in 1657 the painting had gone missing for more than three centuries Several versions were rediscovered in the 1980s and one was passed from hand to hand from a family who had no idea of its value to gallery owners and eventually to the museum A painting that had been sold as a decorative object in 1986 for around 12 000 euros was acquired two decades later by the Mus e des Beaux Arts de Lyon for 17 million euros What does this remarkable story tell us about the nature of art and the way that it is valued How is it that what seemed to be just an ordinary canvas could be transformed into a masterpiece that a decorative object could become a national treasure This is a story permeated by social magic the social alchemy that transforms lead into gold the ordinary into the extraordinary the profane into the sacred Focusing on this extraordinary case Bernard Lahire lays bare the beliefs and social processes that underpin the creation of a masterpiece Like a detective piecing together the clues in an unsolved mystery he carefully reconstructs the steps that led from the same material object being treated as a copy of insignificant value to being endowed with the status of a highly prized painting commanding a record breaking price He thereby shows that a painting is never just a painting and is always more than a piece of stretched canvass to which brush strokes of paint have been applied this object and the value we attach to it is also the product of a complex array of social processes with its distinctive institutions and experts that lies behind it And through the history of this painting Lahire uncovers some of the fundamental structures of our social world For the social magic that can transform a painting from a simple copy into a masterpiece is similar to the social magic that is present throughout our societies in economics and politics as much as art and religion a magic that results from the spell cast by power on those who tacitly recognize its authority By following the trail of a single work of art Lahire interrogates the foundations on which our perceptions of value and our belief in institutions rest and exposes the forms of domination which lie hidden behind our admiration of works of art *Goody Hall* Natalie Babbitt,2010-10-12 An out of work actor Hercules Feltwright stumbles into a job tutoring Willet Goody the only child of a widow living in a large lonely house Willet quickly

involves his tutor in the search to discover the truth about his father The mystery unfolds with the discovery of hidden treasure a gypsy s ance and the frightening exploration of the tomb of Midas Goody **Roux the Day** Linda Wiken,2017-03-07 In the latest mystery from the author of Toasting Up Trouble the Culinary Capers dinner club is back in business when a charity casino event makes a real killing Event planner Jennifer J J Tanner is planning a cruise ship casino night and she s really going overboard She even arranged for radio DJ Connor Mac and TV personality Miranda Myers to help the good times roll But the party comes to a screeching halt when Miranda is found dead on the main deck With a boatload of suspects the police focus in on J J who though recently linked with Connor never knew he was once engaged to Miranda With Half Moon Bay s gossip mill running full tilt J J turns to her fellow dinner club members to help fish for clues and keep herself out of hot water INCLUDES DELICIOUS RECIPES Marinating in Murder Linda Wiken,2018-03-06 The third in a delicious series featuring a dinner club that tries out new recipes while trying to catch a killer The Culinary Capers Dinner Club is planning a fall picnic for their next meeting What could be better than sharing delicious food with friends under a beautiful autumn sky But when club member Alison Malkovich opens the back of her SUV to load in the picnic supplies she finds a dead body To make things worse it s the body of her ex husband and now she s the prime suspect Because Alison is a police officer she is suspended and warned not to do any investigating of her own That s not about to stop J J and the Culinary Capers gang though They know that Alison is innocent and after all they do have some experience solving crimes INCLUDES DELICIOUS RECIPES **Heartsound** Clare Stevens,2024-04-08 Sixteen year old Chrissie s first love is a girl But it s the eighties and she fears rejection from her rural community so her relationship remains secret When her friend vanishes Chrissie bears her heartache alone Decades later her long lost love resurfaces but all is not as it seems It takes a global pandemic and a brush with death to spark the resolution Chrissie craves Heartsound is a tale of unspoken truths broken promises almost forgotten dreams and hope *Telepathy - Genuine and Fraudulent - With a Preface by Sir Oliver Lodge* W. Far as the Eye Can See Robert Bausch, 2014-11-04 Bobby Hale is a Union veteran several times over After the war he sets his sights on California but only makes it to Montana As he stumbles around the West from the Wyoming Territory to the Black Hills of the Dakotas he finds meaning in the people he meets settlers and native people and the violent history he both participates in and witnesses Far as the Eye Can See is the story of life in a place where every minute is an engagement in a kind of war of survival and how two people a white man and a mixed race woman in the midst of such majesty and violence can manage to find a pathway to their own humanity Robert Bausch is the distinguished author

of a body of work that is lively and varied but linked by a thoughtfully complicated masculinity and an uncommon empathy. The unique voice of Bobby Hale manages to evoke both Cormac McCarthy and Mark Twain, guiding readers into Indian country and the Plains Wars in a manner both historically true and contemporarily relevant as thoughts of race and war occupy the national psyche. **Live; Live; Live** Jonathan Buckley, 2020-07-16. The lapping of the sea was a lesson in mortality. Live he heard with each whisper of the water. Live live live. Through Lucas Judd, the dead make contact with the living or so he believes or professes to believe. He is a man of such penetrating insight and empathy that many have faith in his gift. They confide in him and find consolation. Even Joshua, his sceptical young neighbour, seems drawn by his compassionate sophistry. But when Erin, a much younger woman shadowed by recent grief, moves in with Lucas, the focus of Joshua's fascination begins to shift. Such are the surface ripples of this poignant and precisely attuned novel. Its depths reveal the largest of themes: mortality and love, and the way in which the souls of those with whom we shared our experiences inhabit our memories. Characters appear and recede to reappear once again as the narrative shifts direction. Living voices merge with the multitudes of the dead, leaving their trace or fading away for now. **Live Live Live** is a beautiful, deeply resonant work by a novelist at the height of his powers. Deathwatch Robb White, 2011-04-27. An exciting novel of suspense based on a fight to the finish between an honest and courageous young man and a cynical business tycoon who believes that anything can be had for a price. Horn Book. An ALA Best of the Best Books for Young Adults. Edgar Allan Poe Mystery Writers Award. A New York Times Outstanding Book of the Year. New York Public Library Books for the Teen Age.
