Long Time, No See Beth Finke, 2004-07-14 *Long Time No See* is certainly an inspiring story but Beth Finke does not aim to inspire Eschewing reassuring platitudes and sensational pleas for sympathy she charts her struggles with juvenile diabetes blindness and a host of other hardships sharing her feelings of despair and frustration as well as her hard won triumphs Rejecting the label courageous she prefers to describe herself using the phrase her mother invoked in times of difficulty She did what she had to do With unflinching candor and acerbic wit Finke chronicles the progress of the juvenile diabetes that left her blind at the age of twenty six as well as the seemingly endless spiral of adversity that followed First she was forced out of her professional job Then she bore a multiply handicapped son But she kept moving forward confronting marital and financial problems and persevering through a rocky training period with a seeing eye dog Finke's life story and her commanding knowledge of her situation give readers a clear understanding of diabetes blindness and the issues faced by parents of children with significant disabilities Because she has taken care to include accurate medical information as well as personal memoir *Long Time No See* serves as an excellent resource for others in similar situations and for professionals who deal with disabled adults or children **Ed McBain/Evan Hunter**

work via the many entanglements between mind matter and meaning whether on a local or a global scale It encapsulates how the words stories and concepts we humans articulate as we try to make sense of the world we inhabit give part of its shape to the web of ecological relations that we depend on for survival It seeks to cast light on the disenchanting and reenchanting powers of stories and poesis in general as stories retain the power to make us either become oblivious to and destroy or to feel and honor the many complex ties between the multitudinous nature cultures intertwined within the fabric of a multispecies world always in the making This book offers a total of fourteen articles written by international scholars in ecocriticism and ecopoetics who by their analyses of literature and or films and the political subtext they thus render visible aim at showing how the study of environmentally minded media may renew our attention to the entangled agencies of the human and the more than human realm Thus this work offers to counter a reproach ecocriticism has often been met with namely the over presence of US scholars and the lack of diversity in subjects in the field since the articles presented provide a wide variety of approaches and topics with examples of UK and Native American literature Polynesian myth graphic novels or haiku In doing so the book expands on the fields of ecocriticism and ecopoetics adding to this branch of study and enriching it with high quality academic studies

Before losing her balance, Samarra recognized the small finger severed and still wearing the tiny ring she gave him for his 7th birthday. Her precious son. She opened the note after regaining limited senses and read: If she didn't want to receive young Thomas Russell's head in a box, she would do as instructed. And she did.

[The Labyrinth of Dreaming Books](#) Walter Moers, 2013-10-29 Zamonia's greatest writer investigates a mystery in a shadowy book metropolis in this epic adventure by the author of *The Alchemist's Apprentice*. It has been more than two hundred years since Bookholm was destroyed by a devastating fire, as told in Moers's *The City of Dreaming Books*. Hildegund von Mythenmetz, hailed as Zamonia's greatest writer, is on vacation in Lindworm Castle when a disturbing message reaches him, and he must return to Bookholm to investigate a mystery. The magnificently rebuilt city has once again become a metropolis of storytelling, and the book trade. Mythenmetz encounters old friends and new denizens of the city and the shadowy Invisible Theater. Astonishingly inventive, amusing, and engrossing, this is a captivating story from the wild imagination of Walter Moers. Praise for *The Labyrinth of Dreaming Books*: What matters are his engaging descriptions, zany scenarios, and the weird critters that inhabit Zamonia, some of whom bear an uncanny resemblance to Barney the dinosaur. A beguiling, bookish entertainment that ends on a cliffhanger promising well the prospect of many sequels to come. Kirkus Reviews. Moers's Munchhausen-esque yarn is enhanced by his equally wild illustrations. Fans will enjoy journeying through
