

The book cover features a vibrant space scene. A bright blue nebula or star-forming region dominates the upper half, with wisps of gas and dust in shades of blue, purple, and white. Below this, a dark, rocky celestial body is visible. In the lower right, a large, dark, spherical object, possibly a planet or a large moon, is shown with a bright ring of light around its equator. The background is a deep black space filled with numerous small, distant stars. The title and author's name are overlaid on this cosmic imagery.
