Love Song takes the author Charles Brookins Taylor Sr on a journey using characters that represent three different generations in the search for the meaning of the whip poor will song Through the combination of searching observing reminiscing and dialoguing with others he shows how the whip poor will song underscores what is said in Psalm 19 1 The heavens declare the glory of God a reminder that each creature or thing in God s creation has been given the innate ability to accomplish an ordained purpose in relating to Him and others each in its own unique way Taylor draws upon the Scriptures to remind us that God speaks to us through His visible and invisible creation which tells us that although the spiritual realm transcends the physical realm it permeates and operates within it Taylor also shows us how God is using the whip poor will as a conduit to proclaim a message to us that His love is unconditional and unfailing And likewise He wants to use us to do the same In a world that often seems to be filled with hate selfishness and discord you may find yourself wondering what has become of our love for one another In Search of the Whip poor will Love Song s story will help us to know that every creature or thing of God has been given the ability to speak love to us each in its own language each in its own unique way each with its own dance May we all remember that God has given each of us and all His creation the ability to proclaim His love and His glory and when we allow this to happen our life will begin to have purpose peace happiness and joy knowing that God s love for us is really real
