you can never know what God wants from you you will be living here on earth without direction confused without knowing what to do and what God wants from you or how he wants you to relate to other people and how to receive your benefits from God as his child And it will be impossible for you to love your neighbors when you have not discovered their value to your life and for you to discover their value you must first have discovered yourself Whenever you discover your role in the life of others you will understand how useful they can be to you and you will understand too that there is no need to be at war with anybody But whenever you have failed to discover yourself you might think that the breakthrough of others is your disadvantage and if you don't change this mindset and knowledge you might even fight against people that God has ordained to deliver you like Joseph's brothers who fought the man that God has destined to help their lives This book YOUR PERSONALITY IN CHRIST will help you discover your personality in Christ and enjoy his deposit in you *The Hibbert Journal*, 1923 A quarterly review of religion theology and philosophy
