Spiffies and Loonies Jean-Paul G. POTET,2019-07 *Spiffies and Loonies* is a situational comedy developed into 88 episodes It departs from the typical ones in which the plot hinges on the emotional and irrational decisions made by the lead characters The opposite happens here First of all Brad and Dolly meet fall in love and marry To make things worse they become rich after a few episodes They are therefore geared to lead the eventless life of the happy few Fortunately they are surrounded by misfits warped by one big deviant trait When these do not bump into Brad and Dolly along the way they will come and knock on their door thus a turmoil of events running from the amusing to the fantastic with a lot of absurdities in between You will soon be captivated by the antics of these cartoon like characters and will ask for more Several passages are spoofs of literary works Each episode is independent enough from the others to be read or performed for its own sake

Everyone needs inspiration on a daily basis. This book is my sharing on inspiration I received over a period of years. Some of it is religious inspiration that I received in meditation in a quiet church. It is on a variety of subjects yet it will fit a variety of subjects for today's world. It is the culmination of years of note scratching on lots of scrap paper and envelopes. It is based on real life experiences I faced at the time. It is a journal into my soul and philosophy. Whenever you feel you have the need to be inspired, feel free to pick up this book and let me inspire you to get through the day. I hope you will remember me as the Quote Guy.
