

A black silhouette of a tree with a thick trunk and a full, leafy canopy. The roots of the tree are exposed and grow downwards, passing through the large, bold, black letters of the text 'INCREASE OUR FAITH'. The background is a textured, mottled blue and white, resembling a cloudy sky or water. The text is arranged in two lines: 'INCREASE' on top and 'OUR FAITH' below it.

and more intimate relationship with God **Sunday Sunrise** Benjamin A. Vima, 2011-12-06 SONday SONrise is from an international priest at the USA who has been a priest for forty years and is a preacher of Gods Word day in and day out especially on Sundays to see that every one of his flock drinks truly the living water that flows out of Gods throne whenever they participate in Jesuss banquet and his discourse in their churches Every homily found in this book is based on the firm belief that Sunday service is the central part of our Sabbath observance as the community of God in Jesus As Pope John Paul II said On this day we celebrate the identity of the parish community encountering the Risen Lord in the table of the Word and the table of His Body This book of homilies is published mainly for the people who consider Sunday holy day obligations as the Lords command It will be of great help to them while going through the Sunday holy day scriptures before they go to their services so that they can be attuned to the Spirits move during the liturgy of the Word It will enrich their understanding of what that days preaching as their pastors break the Word of God It will also be of great help to their Lords day family gathering at home to converse together little more about the Word of God with spouses and kids These homilies are only my personal reflections on the scriptural readings I have prayerfully labored over them while writing For sure I have written them with love uttered them in faith but was always led by the Spirit of Jesus Though this is chiefly for my favorable audience others especially my priest friends and preachers can use it too and enrich their favorable congregation **The Complete Works of C. this magnetic chain the preacher held us fast bound for about two hours It is not my purpose to give a summary of his discourse It is enough to say of his voice that its power and volume are sufficient to reach everyone in that vast assembly of his language that it is neither high flown nor homely of his style that it is at times familiar at times declamatory but always happy and often eloquent of his doctrine that neither the Calvinist nor the Baptist appears in the forefront of the battle which is waged by Mr Spurgeon with relentless animosity and with Gospel weapons against irreligion cant hypocrisy pride and those secret bosom sins which so easily beset a man in daily life and to sum up all in a word it is enough to say of the man himself that he impresses you with a perfect conviction of his sincerity More than a hundred years after his death Charles Spurgeon s legacy continues to effectively inspire the church around the world For this reason Delmarva Publications has chosen to publish the complete works of Charles Spurgeon

Preaching Through Luke James C. Goodloe IV, 2014-01-22 Luke wrote this Gospel so that you Theophilus may have certainty concerning the things you have been taught i.e. catechesis 1:4 It proceeds with a barrage of questions The first comes from Zechariah How shall I know 1:18 This is a question of knowledge The angel Gabriel answers that we shall know by the word of God 1:19 The second comes from Mary How will this be 1:34 This is a question of agency of how the Son of

God can become human Gabriel answers that it will be by the power of God 1 35 The third comes from Elizabeth Why me 1 43 Why should the gospel of Jesus Christ come to her Mary answers that it has to do with God s choice election mercy and salvation 1 47 55 The fourth has to do with John What then will this child be 1 66 Zechariah answers that he will be a prophet 1 76 79 John is not the Christ but he will go before the Christ Thus begins the catechism according to Luke a series of questions in order that we may have certainty concerning the things we have been taught **365 Days of Faith**

BroadStreet Publishing Group, LLC,2022-06-07 Faith is actively choosing to believe in something or someone Living by faith is not circumstantial and it is not produced by accident In a world where people live their own truths it can be hard to discern what living out your faith in God really looks like Although some may tolerate your faith many believe there is not one right way but no one can argue with your personal experience of knowing Christ and having a certain peace that comes from believing the promise of your future with him This daily devotional encourages you to build your faith through pondering inspiring messages reading God s Word and spending time in his presence As you do you will notice other virtues being added to your faith With belief comes goodness knowledge and self control and that produces the kind of fruit that is a testimony of your faith in Christ When you suffer hardship you know where to turn Jesus faithfulness is a cornerstone for your own faith You can trust him because he has proven himself trustworthy and faith that withstands the fire of adversity brings blessings beyond all imagining Be filled with hope courage and confidence as you step out in faith each day
