Nelson, 2001-07-26 Offers a fresh viewpoint in Christian thought by looking at sin from the perspective of the sinned against rather than that of the sinner needing forgiveness      Lifting the Shadow Amy Sodaro, 2024-11-15 Lifting the Shadow Reshaping Memory Race and Slavery in U S Museums examines a small but significant wave of new U S memorial museums that focus on slavery and its ongoing violent legacies including the Smithsonian National Museum of African American History and Culture

Montgomery's Legacy Museum From Enslavement to Mass Incarceration and Greenwood Rising which commemorates the 1921 Tulsa Race Massacre These museums are challenging historical narratives of slavery and race by placing racial oppression at the center of American history and linking historical slavery to contemporary racial injustice but they have opened in a period marked by growing racial tension white nationalism and political division Sodaro examines how the violence of U S slavery and its lasting legacies is negotiated in these museums as well as their potential to contribute to the development of a more critical historical memory of race in the U S at this particularly volatile sociopolitical moment

Spiritual and Social Transformation in African American Spiritual Churches Margarita Simon Guillory, 2017-12-22 At the core of African American religion's response to social inequalities has been a symbiotic relationship between socio political activism and spiritual restoration Drawing on archival material and ethnographic fieldwork with African American Spiritual Churches in the USA this book examines how their spiritual and social work can shed light on the interplay between corporate activism and individual spirituality This book traces the development of this politico spiritual approach to injustice from the beginning of the twentieth century through the opening decade of the twenty first century using the work of African American Spiritual Churches as a lens through which to observe its progression Addressing subjects such as spiritual healing support of the homeless gender equality and the aftermath of hurricane Katrina it demonstrates that these communities are clearly motivated by the dual concerns of the soul and the community This study diversifies our understanding of the African American religious landscape highlighting an approach to social injustice that conjoins both political and spiritual transformations As such it will be of significant interest to scholars of religious studies African American studies and politics

*The Publishers Weekly*, 2009      Emotionally Focused Therapy with African American Couples Paul Guillory, 2021-08-09 Emotionally Focused Therapy with African American Couples Love Heals is an essential guide that integrates emotionally focused therapy EFT with cultural humility It provides a pathbreaking evidence based model of couples work that reinforces the bond between partners in the face of race based distress Guillory explores and brings a deep understanding of the legacy of racial trauma and the cultural strengths of African American couples by using real life case studies The chapters in the book focus on several key clinical issues in the field such as communication problems anxiety infidelity depression and porn Each case study is enhanced by a consultation with EFT master therapist Sue Johnson The book is an essential text for students and mental health professionals looking to provide culturally competent therapeutic interventions It will also appeal to psychologists mental health workers social workers marriage and family therapists and religious leaders      *Ebony*, 2002-11 EBONY is the flagship magazine of Johnson Publishing Founded in 1945 by John H Johnson it still maintains the highest global circulation of any African American focused magazine      Jesus My Love Henry F. Jacobs Iii, 2012-06      **The Pull of the Earth** Laurie Thorp, 2006 A literary ethnography of how a garden at an underserved school changed the educational environment      **Performing Science and the Virtual** Sue-Ellen Case, 2007-01-24 From Faust and Edison to

John Cage and Lara Croft this inspiring book reviews classical plays to contemporary issues and examines how science has been performed throughout history The Other Side Of Black Mountain , Boys and Men in African American Families Linda M. Burton,Dorian Burton,Susan M. McHale,Valarie King,Jennifer Van Hook,2016-12-09 This important volume takes a life course approach in sharing empirical insights on the family experiences of African American males in socioeconomic and political contexts Representing fields ranging from developmental psychology to public health and sociology to education chapters identify challenges facing black men and boys in the U S as well as family and community sources of support and resilience Survey findings and exemplar case studies illustrate stressors and risk factors uniquely affecting African American communities and tailored prevention and intervention strategies are described at the personal family and societal levels These interdisciplinary perspectives not only encourage additional research but inspire the continued development of appropriate interventions relevant practice and equitable policy Included in the coverage The adjustment and development of African American males Conceptual frameworks and emerging research opportunities A trauma informed approach to affirming the humanity of African American boys and supporting healthy transitions to manhood Humanizing developmental science to promote positive development of young men of color Families prisoner reentry and reintegration Safe spaces for vulnerability New perspectives on African Americans who struggle to be good fathers They can t breathe Why neighborhoods matter for the health of African American men and boys Promoting diversity in the research agenda to reflect a diverse population Boys and Men in African American Families is an invaluable reference for research professionals particularly interested in sociology public policy anthropology urban and rural studies and African American studies Survey and ethnographic studies of poverty inequality family processes and child adolescent and adult health and development are featured **Black Zion** Yvonne Patricia Chireau,Nathaniel Deutsch,2000 This is an exploration of the interaction between African American religions and Jewish traditions beliefs and spaces The collection s argument is that religion is the missing piece of the cultural jigsaw and black Jewish relations need the religious roots of their problem illuminated Called to Heal the Brokenhearted William H. Barnwell,2016-03-21 In this stirring book William H Barnwell tells the stories of prison inmates and the Kairos Prison Ministry volunteers who work with them Set mostly at the huge Louisiana State Penitentiary at Angola Barnwell s narrative illustrates how offenders who have done the worst can and do change becoming model inmates and if released productive citizens The stories also reveal how Kairos volunteers have found healing for broken hearts Given that the United States incarcerates more people per capita than any country in the world reformers are seeking radically new ways to reduce our prison populations Kairos volunteers and inmates alike have much to contribute to the ongoing reform discussions Now serving 300 state and federal prisons 30 000 Kairos volunteers work with 20 000 inmates each year They take part in long weekend retreats with the inmates and follow up with regular prison visits Since its beginning in 1976 Kairos has served over 250 000 inmates Broad based nondenominational and nonjudgmental Christian Kairos seeks to carry

out its slogan listen listen love love among inmates who have had few to listen to them and fewer still to love them In Called to Heal the Brokenhearted are stories of undeniable redemption They point the way to personal transformation for the inmates and the volunteers One Kairos inmate speaks of the change this way he makes guitars out of the good wood hidden beneath the surface of throwaway pianos I find my work incredibly fulfilling he says I see myself in every piano discarded by society but redeemed and put to use in a new way      *William James* Bruce Wilshire, 1984-06-30 The importance of this collection of writings of William James lies in the fact that it has been arranged to provide a systematic introduction to his major philosophical discoveries and precisely to those doctrines and theories that are of most burning current interest William James The Essential Writings is a series of philosophical arguments on some of the most obscure and head cracking problems in contemporary philosophy the relation of thought to its object the interrelationships between meaning and truth the levels and structures of experience the degrees of reality the nature of the embodied self the relation of ethics aesthetics and religious experience to man s strenuously and heroically active nature and above all the structurization of the experienced life world as the validating ground and origin of all theory Bruce Wilshire has provided an introduction to William James s thought on these and other related points which is at once both substantial and subtle
