On The Road To Make Believe:

Make-Believe David Dickinson, 2020-01-30 I will tell you a story that will make you believe in God No story can guarantee being able to do this Yet novelists can tell stories that make us think about what we believe about God and why Despite repeated predictions of the death of the novel thousands of works of fiction are published and read in Britain each year Although Western society is less religiously observant than it was many 21st century novelists persist in pursuing theological religious and spiritual themes Make Believe seeks to explain why With chapters offering analyses of novels from several genres so called literary fiction historical fiction science fiction fantasy and dystopia David Dickinson discusses a wide spectrum of novelists Authors who are avowedly atheistic and authors who have a vested interest in perpetuating biblical stories are both featured Well known writers such as Rushdie McEwan McCarthy and Martell rub shoulders with some you may be meeting for the first time Appealing to literature students and people who simply enjoy reading whether Christian or not this study of God in novels invites us to open our minds and allow aspects of our culture to shape our understanding of God and to change our ways of talking about the divine

Make-Believe Family Elizabeth Duke, 2011-07-15 Their engagement was just a game It was also a game of high stakes If Sarah didn t pose as Kane Brody s intended bride he risked losing his daughter forever and Sarah couldn t bear to see little Bambi hurt However there was an even bigger problem Kane was a most desirable pretend fianc and it was all Sarah could do to remember that her perfect new family wasn t for keeps and her fairy tale engagement was in fact only

make believe *MAKE BELIEVE ENGAGEMENT* Day Leclair, 2011-07-15 Bride s Bay Resort Husband for Hire If walls could speak what tales of passion adventure and intrigue would they tell Bride s Bay Resort a luxurious playground with a colorful past and a romantic present Generations of Jermaines have catered to the rich and famous at their exclusive family owned hotel Check in each month as love unfolds at Bride s Bay Taylor Daniels had long been striving for the vice presidency of her father s firm Now if she could gather some in depth research on Bride s Bay Resort it was within her grasp THE PLAN to go under cover But she needed an insider someone who d help her meet the right people without attracting suspicion A temporary fianc Luckily fate arrived in the form of JT Richmond He d do anything for a quick buck Perfect THE MAN JT Richmond knew that the notorious Daniels Corporation meant trouble Well he was going to stick pretty close to Taylor and she d offered him the ideal way to do it But had JT said I do to a perfect stranger only to find he wanted more than a make believe bride Day Leclair ensures that a good time will be had by all Romantic Times **Make-Believe Ballrooms** Peter J. Smith, 1994 Dark days for Hal Andrews New York artist and scion of an eccentric New England family His cat has just died in a plunge from his apartment window His brother Beck manic depressive and hopelessly nostalgic is about to marry Lisa Lyman heiress to the Family Wipes fortune and certifiably the world s most abominable girl Their sister Fishie an Olympic swimming champion who uses her television appearances to berate Hal has recently shaved her head bald And their father is withholding Hal s inheritance until he becomes more responsible or at least until he s sixty five Hal s artwork clutters the floors of his girlfriend s apartment and does about as much for his putative gallery Hoping for a genius grant and settling for a decrepit dog and a derisive girlfriend Hal s optimism begins to wane as he descends into a moody twilight world of obscure urban horror Therefore when a wrong number from out of town walks into his life the situation is grim Mary Ann Beavers and her hostile brother arrive in New York via Greyhound in search of celebrities and success both rare commodities back home in Patent Texas She snaps her chewing gum and writes wretched poetry her brother has bad teeth and a temper to match While Mary Ann stalks Liza Minnelli in the supermarket and treasures the autograph of Dustin Hoffman s agent s sister a darkness that lasts for days falls over Hal s new but awful apartment There is light however at the end of the tunnel and Hal in spite of himself will bask in it Make Believe Ballrooms captures the true contemporary dilemma in this tale of Hal s decline and rehabilitation in much too postmodern New York **The Natural History of Make-believe** John Goldthwaite, 1996 The Man in the Moon has dropped down to earth for a visit Over the hedge a rabbit in trousers is having a pipe with his evening paper Elsewhere Alice is passing through a looking glass Dorothy riding a tornado to Oz and Jack climbing a beanstalk to heaven To enter the world of children s literature is to journey to a realm where the miraculous and the mundane exist side by side a world that is at once recognizable and real and enchanted Many books have probed the myths and meanings of children s stories but Goldthwaite s Natural History is the first exclusively to survey the magic that lies at the heart of the literature From the dish that ran away with the spoon to the antics of Brer Rabbit and Dr Seuss s Cat

in the Hat Goldthwaite celebrates the craft the invention and the inspired silliness that fix these tales in our minds from childhood and leave us in a state of wondering to know how these things can be Covering the three centuries from the fairy tales of Charles Perrault to Maurice Sendak's Where the Wild Things Are he gathers together all the major imaginative works of America Britain and Europe to show how the nursery rhyme the fairy tale and the beast fable have evolved into modern nonsense verse and fantasy Throughout he sheds important new light on such stock characters as the fool and the fairy godmother and on the sources of authors as diverse as Carlo Collodi Lewis Carroll and Beatrix Potter His bold claims will inspire some readers and outrage others He hails Pinocchio for example as the greatest of all children's books but he views C S Lewis's The Chronicles of Narnia as a parable that is not only murderously misogynistic but deeply blasphemous as well Fresh incisive and utterly original this rich literary history will be required reading for anyone who cares about children's books and their enduring influence on how we come to see the world The Make-Believe Space Yael

Making Make-Believe Real Garry Wills,2014-06-10 Shakespeare s plays abound with kings and leaders who crave a public stage and seize every opportunity to make their lives a performance Antony Cleopatra Richard III Othello and many others Such self dramatizing characters appear in the work of other playwrights of the era as well Marlowe s Edward II and Tamburlaine among them But Elizabethan playwrights were not alone in realizing that a sense of theater was essential to the exercise of power Real rulers knew it too and none better than Queen Elizabeth In this fascinating study of political stagecraft in the Elizabethan era Garry Wills explores a period of vast cultural and political change during which the power of make believe to make power real was not just a theory but an essential truth Wills examines English culture as Catholic Christianity s rituals were being overturned and a Protestant queen took the throne New iconographies of power were necessary for the new Renaissance liturgy to displace the medieval church state The author illuminates the extensive imaginative constructions that went into Elizabeth s reign and the explosion of great Tudor and Stuart drama that provided the imaginative power to support her long and successful rule **Ethics in the Virtual World** Garry Young,2014-09-11

Ethics in the Virtual World examines the gamer s enactment of taboo activities in the context of both traditional and contemporary philosophical approaches to morality The book argues that it is more productive to consider what individuals are able to cope with psychologically than to determine whether a virtual act or representation is necessarily good or bad The book raises pertinent questions about one of the most rapidly expanding leisure pursuits in western culture should virtual enactments warrant moral interest Should there be a limit to what can be enacted or represented within these games Or is it all just a game
