One Bad Turn:

One Bad Turn Sinéad Crowley, 2017-06-01 How could your good friend become your worst enemy I lost my child because of you my only child Eileen and Heather have always looked out for each other But two years ago Eileen lost her son and she blames Heather and her family for the tragic loss And I want you to know how that feels Now she wants Heather and her daughter to suffer in the same way Sergeant Claire Boyle is caught in the crossfire but she has her own child to think about now A corker of a book compellingly readable intriguing and hugely enjoyable Liz Nugent A perfectly engineered crime novel Crowley is brilliant at creating gripping scenarios Jane Casey Detecting Texts Patricia Merivale, Susan Elizabeth Sweeney, 2011-06-07 Although readers of detective fiction ordinarily expect to learn the mystery's solution at the end there is another kind of detective story the history of which encompasses writers as diverse as Poe Borges Robbe Grillet Auster and Stephen King that ends with a question rather than an answer The detective not only fails to solve the crime but also confronts insoluble mysteries of interpretation and identity As the contributors to Detecting Texts contend such stories belong to a distinct genre the metaphysical detective story in which the detective hero's inability to interpret the mystery inevitably casts doubt on the reader's similar attempt to make sense of the text and the world Detecting Texts includes an introduction by the editors that defines the metaphysical detective story and traces its history from Poe's classic tales to today's postmodernist experiments In addition to the editors contributors include Stephen Bernstein Joel Black John T Irwin Jeffrey T Nealon and others *The Year Nine: A Tale of the Tyrol* Anne Manning, 2021-05-19 In *The Year Nine* A Tale of the Tyrol Anne Manning crafts a rich narrative steeped in the vibrant culture and traditions of the Tyrolean Alps Set against the backdrop of a tumultuous historical period the novel interweaves themes of love sacrifice and resilience all while employing a lyrical prose style reminiscent of Romantic literature Manning's poignant character development and vivid descriptions transport the reader to the heart of the Tyrolean landscape creating an immersive experience that reflects the complexity and beauty of human emotions intertwined with nature's splendor Anne Manning an accomplished author with a deep appreciation for European history and culture was profoundly influenced by her travels throughout Austria and the Alpine region Her keen interest in the socio-political dynamics of the late 19th century lends authenticity to her narrative offering readers a window into the lives of those affected by major historical events Manning's background in literature and history allows her to weave a compelling tale that is not only entertaining but also intellectually enriching This novel is highly recommended for readers interested in historical fiction that captures the essence of a specific culture while exploring universal themes Manning's ability to blend historical accuracy with narrative flair makes *The Year Nine* an essential read for those seeking both enlightenment and escapism In this enriched edition we have carefully created added value for your reading experience Hand picked Memorable Quotes shine a spotlight on moments of literary brilliance Interactive footnotes clarify unusual references historical allusions and archaic phrases for an effortless more informed read Los Angeles
