One Family's War:

One Family's War Clarence Bourassa, 2010 For half a century a box had lain undisturbed buried under years of accumulated clutter in the back room of a house The contents of the box stacks of letters neatly bundled in chronological order four years worth The letter writer was Clarence Bourassa who had enlisted with the South Saskatchewan Regiment in March 1940 Clarence's son Rollie had never known of the letters existence His mother to whom the letters were written had never spoken of them Then in 1995 Rollie discovered the letters and he came to know the father who had never returned from war The correspondence reveals the fear hunger fatigue and loneliness of Clarence's wartime experience His firsthand account of his participation in the disastrous Dieppe Raid makes the book a valuable historical document and a major contribution to Canada's military history

One Family's Response to Terrorism Susan Kerr van de Ven, 2010-03-19 On January 18 1984 Malcolm Kerr president of the American University of Beirut and a respected scholar of Middle East politics was shot in the back of the head as he stepped out of an elevator on his way to work At the time the chaos of Lebanon's civil war made it impossible to investigate who had carried out the killing and why Seventeen years later armed with new information concerning the assassination and supported by the Anti Terrorism Act passed by Congress in 1996 his family came to a painful consensus that nonviolent justice through the rule of law was a duty they could not ignore Disturbing revelations emerged as the author explored U.S. government intelligence U.S. district court records Malcolm Kerr's unpublished papers

The Search for One Family's History S. Chandra Mohan, 2022-01-19 This is the unique story of more than five generations of Malaysians and Singaporeans who originated from South India and settled first in British Malaya and later in what was then the crown colony of Singapore It is a remarkable personal tale of the efforts to trace the

original village of their ancestors in a remote part of Trichy in South India a task made difficult by the passage of time and the lack of a common family surname for people of South Indian origin It is also a poignant tale of the trials and tribulations of one family in a foreign land put together with painstaking research It is a welcome addition to Asian literature as very few narratives exist of the family history of South Indian Tamils in Singapore and Malaysia Colour of Murder - One Family's Horror Exposes A Nation's Anguish Heidi Holland,2012-10-01 On 22 March 2002 Beverley van Schoor was brutally murdered by an assassin hired by her 22 year old daughter Sabrina Is it coincidence that Sabrina is the daughter of Louis van Schoor the most notorious mass murderer of the apartheid era And was it by chance that the actions of both father and daughter were motivated by racism Are there perhaps deeper issues involved Were Sabrina and Louis van Schoor's murders the result of prejudices prevailing in their country During the course of her penetrating investigation into why the Van Schoors did what they did Heidi Holland finds herself asking the question Where does racism reside now that the language to signpost it has changed *The Hendersons One Family's Legacy* Pamela Douglas Brust,2019-02-14 Pioneers and patriots the Henderson family left behind a legacy of historical treasures in word and deed allowing an unprecedented look into the past Their Victorian era plantation home constructed in the 1800s and listed on the National Register of Historic Places is a living monument to those who walked its halls in an unbroken chain of five generations Family patriarch Alexander Henderson arrived in Virginia in the 1700s earning the title of Father of the American Chain Store counting founding fathers George Washington and George Mason among his friends He sent three of his sons to what was then the wilds of the Mid Ohio Valley The Hendersons took part in what may be the only duel recorded north of the Ohio River and played a role in thwarting the treasonous exploits of Aaron Burr Some family members also served on both sides during the Civil War surviving turmoil treachery and tragedy **One Family's War** Nancy Polk Budner,1977 *Three Generations, Two Languages, One Family* Li Wei,1994 This book offers a sociolinguistic study of the Chinese community in Britain It focuses on generational changes in language choice and code switching patterns of Chinese immigrant families The social network model developed in the study is intended to account for the relationship between community norms of language use and conversational strategies of individual speakers and for the relation of both to the broader social economic and political context **One Hundred Species and One Family Tree** William Moldwin,2022-03-08 While surrounded by a two acre property garden and wooded thicket that contains over a hundred species of trees William Moldwin has been pondering the ethics of simplicity ecology aging growth and time Moldwin entwines fascinating facts about trees with inspiring historical and personal stories of their significance to him an amateur botanist and son of Hungarian immigrants While exploring the connections and roles trees play within our natural world including their medicinal uses Moldwin reflects on how these trees sustain each other by communicating in various ways through pheromones such as chemical agents fungi and root systems all while his own family tree has sustained many generations each providing unique contributions to the world Throughout his presentation Moldwin
