PARTING THE VEIL

Quinn has left a note behind for you. It reads:

Guardian,

I do not know where our research into the Veil will bring us. The work done by Chioma Ezi and Maya Sundaresan is undoubtedly critical to our understanding of not only the Veil but also its greater purpose in the Witness's agenda. We have only begun to scratch the surface. I wish there were more time.

Regardless, even the beginning of our work has borne fruit in further understanding Strand through its source of origin within the Veil. The more we understand of one, the more we understand of the other. In that, I believe, there is hope.

In the meantime, I believe there are other obligations that demand your attention. I will let you know of any future developments.

Warmest Regards,
Quinn
