The Pause (Revised Edition)

Lonnie Barbach,2000-01-01 Since its original publication in 1993 The Pause has become known as the authoritative guide to menopause a previously overlooked topic of great importance to women The significant amount of new research on menopause and perimenopause amassed in recent years has led bestselling author Lonnie Barbach to completely revise and update this groundbreaking classic Important additions include eight entirely new sections on topics such as SERMs selective estrogen receptor modulators phytoestrogens and the impact of menopause on the female immune system This additional research is combined with new information about menopause and mood weight gain during menopausal transition breast cancer survivors taking estrogen the positive effect of estrogen on dementia and Alzheimer s and new alternatives to traditional HRT hormone replacement therapy for managing hot flashes improving bone density and assisting breast cancer survivors All together the latest edition of The Pause is a must have resource for any woman facing the next third of her life

The Pause Lonnie Garfield Barbach,1993 The only book combining the latest medical knowledge conventional and non traditional practices with first hand testimonies and a therapist s guidance A no nonsense guide on how women can take control of the physical changes in their bodies and successfully transition to a rich productive and creative part of life

The Menopause Answer Book Marsha Lynn Speller,2004-05-01 Estrogen is a powerful female hormone that protects women from many health risks In menopause estrogen levels decline and its protective qualities decline as well At the same time a lifetime of bad habits may begin to catch up with us and our genetic predispositions to disease begin to surface All this leads to a plethora of symptoms some temporary some chronic and some life threatening The Menopause Answer Book allows women to carefully assess their own symptoms and then seek out the information and treatments that will be tailored to their own specific needs Find out if you re at risk for diseases associated with menopause Develop your Menopause Action Plan Assess the pros and cons of Hormone Replacement Therapy Find out what tests to request from your doctor Find out how to get the attention and treatment that you need Learn about important lifestyle changes to make right now Women dealing with menopause and perimenopause are bombarded with information but often have a hard time figuring out what applies to them and how to choose between conflicting advice The Menopause Answer Book is the must have companion to the top selling menopause books which are informational but don t help women tailor their treatment

Menopause Without Medicine Linda Ojeda,2003 This book is needed more than ever The National Institute of Health interrupted their huge HRT hormone replacement therapy study in July 2002 after they found that Prempro a combination of estrogen and progestin had detrimental health effects which include an increased risk for breast cancer heart disease and stroke This new edition examines the latest information about HRT and the safer alternatives It completely validates the author s long held bias against HRT and shows women whether perimenopausal menopausal or postmenopausal how they can maintain and

improve their health and well being without the use of synthetic hormones The book offers complete information on menopausal symptoms and effects and ways to alleviate them Updated sections cover heart disease including hormonal effects the role of cholesterol diet and supplements osteoporosis and breast cancer The section on exercise and nutrition for health and weight is completely rewritten The latest information on non hormonal remedies to balance hormones is what is needed by every woman wanting to avoid HRT *Sexual Health Across the Lifecycle* Margaret Nusbaum,Jo Ann Rosenfeld,2004-12-02 This is a practical positive approach to sexual health promotion for clinicians in primary care It presents sexual concerns across the lifecycle from childhood to old age illuminated throughout by scenarios based on real life It highlights common sexual issues from different age groups and includes chapters on sexuality and disability sexual minorities HIV positive individuals and complementary medicine It presents an invaluable resource for all health professionals that spans the needs of patients from all backgrounds and age groups Dr. Susan Love's Menopause and Hormone Book Susan M. Love, MD,Karen Lindsey,2003-01-21 In the first edition of this important bestselling book praised by Newsday as the bible for a whole generation of menopausal women renowned physician and pioneering women s health advocate Dr Susan Love warned about the potential dangers of the long term prescription of hormone replacement therapy Her insightful words of caution have been backed up by the stunning results of the recent studies on hormone replacement In this revised edition Dr Love offers a remarkably clear set of guidelines as to what the studies have shown about the risks regarding heart disease breast cancer stroke and other conditions and what effect hormone therapy has on osteoporosis She offers definitive expert advice about whether or not to go on hormone replacement therapy and if so for how long as well as how to taper off hormones and she introduces the alternative methods for treating the symptoms of menopause Dr Love stresses that menopause is not a disease that needs to be cured it is a natural life stage and every woman ought to choose her own mix of options for coping with symptoms A questionnaire about your own health history and life preferences helps you develop a program that will best fit your unique needs With clarity and compassion she walks you through every option for both the short and the long term including lifestyle changes diet exercise and stress management alternative therapies including herbs and homeopathic remedies available medications other than hormones **Mind Over Menopause** Leslee Kagan,Herbert Benson,Bruce Kessel,2004-04-13 A groundbreaking mind body program for perimenopause and menopause uses relaxation response techniques nutrition and exercise to manage menopause symptoms *A Menopausal Memoir* Anne C Herrmann,2014-01-14 The only extended first person narrative about menopause A Menopausal Memoir Letters from Another Climate explores the connection between menopause mourning and memory through nine fictional letters written to different addressees The letters explain the author s own experience of having a hysterectomy without her permission during surgery for endometriosis and being thrown into instant menopause Herrmann expresses her experiences differently in each letter based on the recipient s gender sexual identity and age revealing the complexities of accepting menopause

Psychotherapists psychologists physicians medical students academics and those interested in women's health and women's studies will receive insight into one woman's experience and will learn how our bodies mold our sexual identity and shape many aspects of our lives Writing these letters from the point of view of a scholar engaged in personal narrative but not in the familiar narrative of a woman married with children Herrmann examines her journey of loss recovery and healing through feminist theory The letters in *A Menopausal Memoir* reveal many other issues including the relationship between the female body and the meanings attached to it the different ways women tell their stories about difficult experiences negotiating the relationship between growing older and sexual identity the body's response to the loss of organs that form its history the connection between body identity and disease A highly personal yet theoretical approach to the experience of menopause *A Menopausal Memoir* explores how changes in the body affect your sexual identity your relationships and your feelings as a woman *The Healthy Boomer* Peggy Edwards, Miroslava Lhotsky, Judy

Turner, 2012-11-13 In North America some eighty-eight million boomers are facing the physical and personal challenges of midlife But midlife can also be a time of tremendous vitality confidence and joy In this comprehensive guide three experts in midlife health draw on interviews the latest research and their own expertise to help men women and couples on the journey from midlife turbulence to midlife mastery *The Healthy Boomer* provides easy-to-use decision-making tools accurate information and practical advice on such topics as The male and female menopause how to make a decision about hormone replacement therapy alternative health care preventing heart disease cancer and osteoporosis prostate health and impotence healthy relationships and great sex in midlife anti-aging techniques weight control exercise and healthy eating the importance of spiritual well-being handling midlife stress what to do if you can't remember names any more For the many North American boomers who are experiencing midlife challenges *The Healthy Boomer* is required and reassuring reading
