Putting The Past Behind Biblical Solutions To Your Unmet Needs:

Deborah L. Jones-Allen, 2009-11 This book is an Emotional Experience to Unleash Pain Hope and Determination When I wrote this book the thought never occurred to me that so many people shared similar if not the same exact experiences as I At first it was very difficult for me to express in words especially in writing deep secrets that were embedded with shame guilt and internal fears Before divine intervention helped me understand that childhood hurts are just that childhood hurts I was continuously engulfed in a battle that raged war between my spirit soul and body If these hurts are left untreated or unaddressed these childhood hurts have the potential of developing into an array of unwelcomed personality disorders emotional problems and physical illnesses that interferes with one's education relationships finances and spirituality Sadly human behaviors are often altered by society's ills toxic environments and learned behaviors which deepens internal conflicts When a person recognizes that good is within them they are able to see themselves differently In order for many of us to move forward we will have to journey back a trip that goes far beyond one's immediate family circumstances and painful memories As recorded in Genesis the journey oftentimes must go back to the footsteps of the first family it is there that one will find blame guilt and shame in the midst of paradise a place of peace and love It is here where we can accept and understand the meaning of being created in God's image to mirror His presence in the earth Despite life's adversities you can live a victorious life by knowing that Christ is in control of your life In this book Mirrored Reflection you will discover my personal pain and my personal determination to love and to be loved all embraced the Blessed Hope

Jesus Removed My Grave Clothes Joy Wilson, 2012-10 Still crying uncontrollably I told Sister Gloria Gray that my mom became mentally ill before my birth I was given to foster care at six days old that I lost my virginity to my biological dad and that he sexually molested me from my childhood to teen years She very soothingly stroked my arm and said Joy you are healed The curse is broken Look at your children God is calling you to ministry How does a girl cope with being told as a child You are ugly How does she live life while constantly feeling used and dirty even when being treated respectfully by the opposite sex How does she grow from a sickly foster child who had a cardboard box instead of a playpen to a motivational speaker with a master's in counseling psychology Joy Shelly Maria Wilson believer educator and survivor testifies of the healing grace of Jesus Christ who came to save those who trust Him to heal the brokenhearted and to set the captives free In Jesus Removed My Grave Clothes she shares her evolution from victim to victor with a deep conviction that Jesus Christ is the only source of deep lasting change
