Poetry and the 3-11 Curriculum Virginia Bower, 2022-11-01. Poetry can enable learners to engage, learn and have fun whatever their cognitive, linguistic or social levels and this book provides a great many examples of how this might be achieved. This exciting and innovative text provides a wide range of ideas for using poetry to enhance the early years and primary curricula and therefore the learning experience of all children. Each chapter contains ideas for pedagogy and practice underpinned by research and classroom experience ensuring that practitioners will come away feeling much more confident to teach this

genre and better enjoy poetry themselves Throughout there are discussions around specific pedagogies and practices relating to the use of poetry across the curriculum as well as resources including a wide range of poems from diverse countries and cultures and poems in different languages and activities which can immediately be used in the classroom Ideas are provided in terms of how poems can be employed in different subject areas to introduce or reinforce concepts engage children in more challenging concepts ensure that lessons are fun and engaging and develop children's awareness of other people and places beyond their immediate experience This book is an extremely powerful combination of informed discussion drawing on ideas from different theoretical perspectives including recent findings from neuroscience and practical suggestions for every classroom Armed with this text practitioners will not only have a very strong idea of how to use poetry to enhance their curriculum but also why this is such a compelling genre

The School Librarian, 2000 Writing Every Day Kellie Buis, Kat Mototsune, 2004 Many of today's schools struggle with large class sizes a continually evolving curriculum and a wide diversity in the ability and background of their students How best to build an effective literacy community in this constantly changing environment is an increasingly difficult challenge for teachers new and experienced alike In Writing Every Day Kellie Buis demonstrates that sharing stories is a fun and engaging way to motivate children and encourage cooperative learning in K-8 classrooms It proposes students writing letters every day as an efficient effective engaging and fun teaching strategy for organizing language instruction Children's personal stories become the catalyst for language experiences that involve reading writing and all forms of communication Teachers will find novel ways to bridge the gap between the important principles of sharing stories and practical ideas on how these understandings can be translated into classroom practice empower students to deepen and enrich their language skills by sharing their ideas feelings and experiences show students how to begin to make sense of themselves each other and the world create a strong partnership between school and home give children the ability to express themselves and to be heard by others in their community Student samples throughout the book illustrate the power of using their own life experiences to engage children in authentic reading and writing Writing daily letters gives children a stronger voice and engenders feelings of self worth self respect and competence This strategy reaps benefits beyond the language arts curriculum and helps students make connections and recognize patterns in everything that they read write and learn
