Riza Shah Pahlavi

**Mohammad Gholi Majd**

## **Riza Shah Pahlavi:**

Mohammed Reza Pahlavi, Shah of Iran James D. Cockcroft, 1989 Describes the life of the Shah of Iran his achievements and his downfall

**The Life and Times of the Shah** Gholam Reza Afkhami, 2009-01-12 This epic biography a gripping insider's account is a long overdue chronicle of the life and times of Mohammad Reza Shah who ruled from 1941 to 1979 as the last Iranian monarch Gholam Reza Afkhami uses his unparalleled access to a large number of individuals including high ranking figures in the Shah's regime members of his family and members of the opposition to depict the unfolding of the Shah's life against the forces and events that shaped the development of modern Iran The first major biography of the Shah in twenty five years this richly detailed account provides a radically new perspective on key events in Iranian history including the 1979 revolution U S Iran relations and Iran's nuclear program It also sheds new light on what now drives political and cultural currents in a country at the heart of today's most perplexing geopolitical dilemmas

**Great Britain & Reza Shah** Mohammad Gholi Majd, 2001 A completely fresh interpretation of the 1921-1941 Pahlavi period Majd has come upon a gold mine of information on this controversial period of Persian history The details and freshness of the figures are explosive Even more explosive are the land acquisitions materials and the information on the work of the Shah's secret police Hafez Farmayan University of Texas at Austin Using recently declassified U S State Department archives Mohammad Gholi Majd describes the rampant tyranny and destruction of Iran in the decades between the two world wars in a sensational yet thoroughly scholarly study that will rewrite the political and economic history of the country The book begins with the British invasion of Iran in April 1918 and ends with the Anglo Russian invasion in August 1941 Though historians are aware of the events that ensued until now they have had no written evidence of the dreadful magnitude of the activities Majd documents how the British brought to power an obscure and semi illiterate military officer Reza Khan who was made Shah in 1925 Thereafter Majd shows Iran was subjected to a level of brutality not seen for centuries He also documents the financial plunder of the country during the period records show that Reza Shah looted the bulk of Iran's oil revenues on the pretext of buying arms amassing at least 100 million in his London bank accounts and huge sums in New York and Switzerland Not even Iran's ancient crown jewels were spared In contrast to incomplete and unreliable British records for the period the recently declassified archives and bank records that Majd uses encompass a wide range of political social military and economic matters A work with immense implications this book will correct the myth in Iranian history that the period 1921-41 was one of unqualified progress and reform

**The Last Shah** Ray Takeyh, 2021-01-26 The surprising story of Iran's transformation from America's ally in the Middle East into one of its staunchest adversaries An original interpretation that puts Iranian actors where they belong at center stage Michael Doran Wall Street Journal An extraordinary account Deeply nuanced and eloquent Benjamin Weinthal Jerusalem Post Offering a new view of one of America's most important infamously strained and widely misunderstood relationships of the postwar era this book tells the history of America and Iran from the

time the last shah Mohammad Reza Pahlavi was placed on the throne in 1941 to the 1979 revolution that brought the present Islamist government to power This revolution was not as many believe the popular overthrow of a powerful and ruthless puppet of the United States rather it followed decades of corrosion of Iran s political establishment by an autocratic ruler who demanded fealty but lacked the personal strength to make hard decisions and ultimately lost the support of every sector of Iranian society Esteemed Middle East scholar Ray Takeyh provides new interpretations of many key events including the 1953 coup against Prime Minister Mohammad Mossadeq and the rise of Ayatollah Ruhollah Khomeini significantly revising our understanding of America and Iran s complex and difficult history

### **Iran and the Rise of Reza Shah** Sīrūs

Ghanī,1998-12-31 The post World War I years were a crucial period in the birth of the modern Iranian state This book has been researched from Iranian and British sources

The Rise and Fall of the Pahlavi Dynasty Husayn Fardūst,1998-12-31 A country of extreme strategic importance Iran has undergone profound often dramatic changes Its geo political importance and rich resources have always made Iran a prime target for the covetous eyes of mighty world powers With its unique geographical position Iran has been the main center for superpower rivalries with its rulers seeking protection from one power against the other It also aims at providing a comprehensive and objective consideration of the major contemporary issues examining the factors which brought down a regime which was loyal to and an ally of the United States and the clerical led movement which toppled the pro Western Shah s regime

Saikal,2009-03 History **Избранное, 1928-1942** Яков Моисеевич Алтаузен,1957 **Iran and the Rise of Reza Shah**

Cyrus Ghani,1998-12-31 The Shah's Iran - Rise and Fall Abdolreza Ansari,2016-11-28 A chance encounter diverted Abdolreza Ansari from completing his PHD in the US and set him on a professional journey which mirrored the prolific rise and the precipitous fall of the regime of Shah Mohammad Reza Pahlavi of Iran Ansari s government career took off when he became Iran s Treasurer General at the age of 32 In this role he restructured the fiscal management of the country and revamped its social security system He was appointed Minister of Labor and Social Affairs at 34 where he created the Workers Welfare Bank to support the labour force of the country As Iran was about to enter a period of rapid development Ansari was called upon to take charge of the largest development project of the time the construction of the Dez Dam in the oil rich province of Khuzestan Subsequently Ansari was appointed Minister of Interior where he conducted national parliamentary and city council elections in a single day for the first time in Iran s history His plan for the urban rehabilitation of towns and population centres continues to be the basis for municipal governance to this day Ansari s political career was derailed following a cabinet reshuffle However he was hand picked by the Shah to manage the many charitable organizations headed by the monarch s twin sister Princess Ashraf Pahlavi When the Iranian government began preparations for the commemoration of Iran s 2500 years of continued monarchical rule he was appointed deputy head of the celebration s organizing committee Prior to the 1979 Revolution he initiated introduced and implemented the programmes of Protection of

Families and the National Movement for Philanthropy Ansari's proximity to the Iranian royal court including the Shah and Princess Ashraf and his encounters with a multitude of well known personalities make these conversations a unique and valuable historical source for the pre revolutionary period in Iran *Press Conferences of His Imperial Majesty Mohammad Reza Shah Pahlavi of Iran. Shah (1941-1979 : Mohammad Reza Pahlavi), 1959 *Press Conferences of His Imperial Majesty Mohammad Reza Shah Pahlavi of Iran*, 1961 **The Age of Aryamehr** Roham Alvandi, 2018-07-15 Fully incorporates Pahlavi Iran into the global history of the 1960s and 70s when Iran mattered far beyond its borders The reign of the last Shah of Iran Mohammad Reza Pahlavi 1941-79 marked the high point of Iran's global interconnectedness Never before had Iranians felt the impact of global political social economic and cultural forces so intimately in their national and daily lives nor had Iranian actors played such an important global role on battlefields barricades and in board rooms far beyond Iran's borders Iranian intellectuals technocrats politicians workers artists and students alike were influenced by the global ideas movements markets and conflicts that they also helped to shape From the launch of the Shah's White Revolution in 1963 to his overthrow in the popular revolution of 1978-79 Iran saw the longest period of sustained economic growth that the country had ever experienced An entire generation took its cue from the shift from oil consumption to oil production to dream of and aspire to a modernized Iran and the history of Iran in this period has tended to be presented as a prologue to the revolution Those histories usually locate the political social and cultural origins of the revolution firmly within a national context into which global actors intruded as Iranian actors retreated While engaging with that national narrative this volume is concerned with Iran's place in the global history of the 1960s and 70s It examines and highlights the transnational threads that connected Pahlavi Iran to the world from global traffic in modern art and narcotics to the embrace of American social science by Iranian technocrats and the encounter of European intellectuals with the Iranian Revolution **Press Conferences of His Imperial Majesty, Mohammad Reza Shah Pahlavi of Iran, 1959/60** Mohammad Reza Shah Pahlavi of Iran, 1959 *Mohammad Reza Shah Pahlavi*, 195? **Riza Shah Pahlavi** Donald Newton Wilber, 1975 *Culture and Cultural Politics Under Reza Shah* Bianca Devos, Christoph Werner, 2013-08-22 *Culture and Cultural Politics Under Reza Shah* presents a collection of innovative research on the interaction of culture and politics accompanying the vigorous modernization programme of the first Pahlavi ruler Examining a broad spectrum of this multifaceted interaction it makes an important contribution to the cultural history of the 1920s and 1930s in Iran when under the rule of Reza Shah Pahlavi dramatic changes took place inside Iranian society With special reference to the practical implementation of specific reform endeavours the various contributions critically analyze different facets of the relationship between cultural politics individual reformers and the everyday life of modernist Iranians Interpreting culture in its broadest sense this book brings together contributions from different disciplines such as literary history social history

ethnomusicology art history and Middle Eastern politics In this way it combines for the first time the cultural history of Iran s  
modernity with the politics of the Reza Shah period Challenging a limited understanding of authoritarian rule under Reza
