the translation of this book *Women's International Thought: A New History* Patricia Owens, Katharina Rietzler, 2021-01-07 The first cross disciplinary history of women's international thought analysing leading international thinkers of the twentieth century **Reader's Guide to Women's Studies** Eleanor Amico, 1998-03-20 The Reader's Guide to Women's Studies is a searching and analytical description of the most prominent and influential works written in the now universal field of women's studies Some 200 scholars have contributed to the project which adopts a multi layered approach allowing for comprehensive treatment of its subject matter Entries range from very broad themes such as Health General Works to entries on specific individuals or more focused topics such as Doctors **Rosa Luxemburg** Frank Jacob, 2021-02-24 Rosa Luxemburg lived a revolutionary life which determined her theoretical reflections about revolution and the role of the masses within it The present study provides an analysis of Luxemburg's thoughts about and experiences with revolutionary processes and shows how she further developed Marxist ideas about the path and methods to achieve a democratic socialism as the result of a successful revolution Next to the theoretical debate with Eduard Bernstein and her experiences during the Russian Revolution of 1905 the book also takes a closer look at Luxemburg's theoretical reflections about revolution in the years before and during the First World War the Russian Revolution of 1917 as well as the German Revolution of 1918/19 The book therefore offers a concise analysis of Luxemburg's life as well as her combination of revolution theory and revolutionary practice **Encyclopaedia of Marxism and Education**, 2022-02-14 This encyclopaedia showcases the explanatory power of Marxist educational theory and practice The entries have been written by 51 leading authors from across the globe The 39 entries cover an impressive range of contemporary issues and historical problematics The editor has designed the book to appeal to readers within the Marxism and education intellectual tradition and also those who are curious newcomers as well as critics of Marxism The Encyclopaedia of Marxism and Education is the first of its kind It is a landmark text with relevance for years to come for the productive dialogue between Marxism and education for transformational thinking and practice **The Jewess Pallas Athena** Barbara Hahn, 2021-06-08 The Jewess Pallas Athena a line from a poem by Paul Celan It is a provocative phrase cutting across cultures and traditions But it poses questions How to reconstruct a culture that has been destroyed How to conceive of history after the catastrophes of the twentieth century This book begins in the mid eighteenth century with the first Jewish women to raise their voices in German It ends two hundred years later with another group of Jewish women looking back at a country from which they had been expelled and to which they would never want to return Among the many prominent female intellectuals and literary figures Barbara Hahn discusses are Hannah Arendt Gertrud Kantorowicz Rosa Luxemburg Else Lasker-Schöler Margarete Susman and Rahel Levin Varnhagen In examining their writing she reflects upon the question of how German culture was constructed with its inherent patterns of exclusion This is a book about hope and despair possibilities and preventions We see attempts at dialogue between Christians and Jews men and women Germans and Jews attempts initiated by these women that for the

most part remained unanswered Finally the book reconstructs the changing notions of the Jewess a key word in modern German history with its connotations of salons beauty and esprit And yet a word that is also disastrous in which there culminated everything the dominant culture condemned as dangerous The Oxford Handbook of Nineteenth-Century Women Philosophers in the German Tradition Kristin Gjesdal,Dalia Nassar,2024 This Oxford Handbook celebrates the work of trailblazing women in the history of modern philosophy Through thirty one original chapters it engages with the work of women philosophers spanning the long nineteenth century in the German tradition and covers women s contribution to major philosophical movements including romanticism and idealism socialism and Marxism Nietzscheanism feminism phenomenology and neo Kantianism It opens with a section on figures offering essays focused on fifteen thinkers in this tradition before moving on to sections of essays on movement and topics Across the volume s chapters essays examine women s contributions to key philosophical areas such as epistemology and metaphysics aesthetics ethics social and political philosophy ecology education and the philosophy of nature **Revolutions in Modern German History** Andrew G. Bonnell,2025-05-29 Andrew G Bonnell s innovative survey examines the history of revolution in modern Germany by focusing on key revolutionary developments in the German states There is coverage of Germany and the French Revolution the 1848 revolutions the Industrial Revolution the 1918 19 revolution the Nazi revolution of 1933 the revolution from above in Eastern Germany 1945 49 and the revolution in East Germany in 1989 90 *Revolutions in Modern German History* sheds new light on the subject by stressing the continuity of conflicts between revolution and counter revolution in German history thereby restoring a sense of the dramatic social conflicts that punctuated the history of the country It also reveals the significance of wider European and transnational developments of revolutionary and counter revolutionary movements and events Bonnell even reconstructs a sense of the participants changing horizon of expectations during these events by looking in depth at the lives of men and women who lived and experienced these tumultuous times *Main Currents of Marxism* Leszek Kołakowski,2005 The commanding study of Marxism now in one masterful volume with a new preface and epilogue by the author Writing Revolution: Representation, Rhetoric, and Revolutionary Politics Sheila Delany,2023-09-20 Revolutionary and writer how do they fit together in one person s work Using literary texts from French German Russian and American pro revolutionary writers Sheila Delany examines the synergy of politics and rhetoric art and social commitment The writers she considers gave voice to the hopes of their time Some led the events in person as well as through their writing others worked to build a movement Marx Engels Lenin Trotsky Luxemburg Mao Sylvain Mar chal Boris Lavrenov Bertolt Brecht and others are here consummate rhetoricians all not necessarily on the same page politically but for the revolutions of their day **May Stevens** Patricia Hills,2005 May Stevens paintings weave themes of familial love and loss societal ills and the healing power of nature and the human community This book surveys the full range of her remarkable lifework from her early social protest paintings to her recent series of luminous large format images of lakes rivers and other bodies of water May Stevens offers

an insightful in depth look at Stevens career drawing on her own recollections and rounded out by informed commentary
Images and text bring to light Stevens personal history her humanitarian concerns and the social context within which her art evolved
