*Advanced Autogenic Training and Primal Awareness* James Endredy,2016-07-18 A step by step guide to optimize health reconnect with Nature and access the vast knowledge of the universe through autogenic training Provides step by step instructions for 40 autogenic and primal mind techniques Explains how to add healing affirmations and visualizations to autogenic practice as well as work with colors and chakras Includes

techniques to restore our primal connection to the world of Nature through practices such as Forest Bathing Nature's Breath and Feeling in the Dark Developed by German doctor Johannes Schultz in the early 20th century autogenic training teaches you how to use the mind body connection to influence and regulate the body's normally involuntary autonomic functions by passively tapping into your central and peripheral nervous systems Often used for stress relief autogenic training can also be used for asthma chronic pain migraines constipation anxiety panic attacks and a host of other conditions In this book James Endredy takes autogenic training to a new level revealing how to use AT practices to optimize health as well as reawaken your senses reconnect with Nature and tap into the vast knowledge and power of the universe Beginning with the 7 standard formulas of AT the author provides step by step instructions for 40 AT and primal mind techniques He explains how to add specific healing affirmations and visualizations to your AT practice as well as how to work with colors and the chakras He offers advanced trainings to rekindle your primal touch sensitivity experience enhanced sight and hearing and awaken your primal sense of smell He reveals how to use AT to restore our primal connection to the world of Nature through practices such as Forest Bathing Nature's Breath and Primal Fire Connection Drawing on more than 25 years of experience living and working with indigenous cultures including the Huichol Iroquois Sioux Maya and Hopi Endredy shows how much like a vision quest this unique combination of AT and primal mind awareness offers rites of passage sorely missing from modern life It gives you the tools to go deeper into your physiological being to directly experience how we relate to the world and to reconnect with the ancient wisdom within each of us

**The Collected Letters of Robinson Jeffers, with Selected Letters of Una Jeffers** James Karman, 2011-10-12 The 1930s marked a turning point for the world Scientific and technological revolutions economic and social upheavals and the outbreak of war changed the course of history The 1930s also marked a turning point for Robinson Jeffers both in his career as a poet and in his private life The letters collected in this second volume of annotated correspondence document Jeffers rising fame as a poet his controversial response to the turmoil of his time his struggles as a writer the growth and maturation of his twin sons and the network of friends and acquaintances that surrounded him The letters also provide an intimate portrait of Jeffers relationship to his wife Una including a full account of the 1938 crisis at Mabel Dodge Luhan's home in Taos New Mexico that nearly destroyed their marriage

*Deep California* Craig Chalquist, 2008-06 California has been invaded by three imperial powers Spain Mexico and the United States *Deep California* examines in depth the lingering psychological traumas and motifs emanating from that long history of conquest These unhealed events have not been left in the past they recur symbolically again and again growing in intensity as the overbuilt land and its distracted occupiers unconsciously but definitively demonstrate that environmental justice and social justice can no longer be thought of as separate Pacing crusaders and colonizers from county to county along El Camino Real *Deep California* studies the lingering impact of continuous oppression of people and places as images and themes of displacement and exile filter down into architecture agriculture politics art culture psychology and even folklore and dream

Yet within the shadows cast over California also dwell resistance humor irony tragedy and hope for more heartfelt and soulful connections to this story rich land of the sundown sea History is an inadequate term for such a sweeping and deep discovery of how the past informs the present This work deserves to be read widely by all Californians and Americans and taken to heart and the hard lessons applied to all places we inhabit on this stolen land Lesley Thomas author of Flight of the Goose Far Eastern Press 2005 A monumental and much needed study in depth of the conquest occupation traumatization and animation of the mission cities and counties of coastal California places which have worked their way into our unsuspecting psyches Linda Buzzell MA MFT co editor of Ecotherapy Healing with Nature in Mind Sierra Club Books 2009
