life The every act of autobiography is the judgment of the writer to feel that life is worth being written down Onley 1972 57 According to Marcus the critic on this genre adds autobiography thus should rather belong to the people of lofty reputation or people who have something of historical importance to say Marcus 1984 31 32 Nelson Mandela in his acknowledgement clearly says that I began writing it autobiography clandestinely in 1974 during my imprisonment on Robben Island Apparently Mahatma Gandhi finished his autobiography in his imprisonment time Solitude seems a necessary requirement for political personalities to write as writing needs time and concentration Want of time is the main constraint in the life of political figures Another similar example is the case of Martin Luther King Jr He attempted to write his autobiography Stride towards freedom but could not complete it in his short span of life simply because of want of time Martin Luther King Jr s wife completed the dream of her husband by compiling his autobiography Nelson Mandela admits since my release my schedule has been crowded with numerous duties and responsibilities which have left me little free time for writing acknowledgement Long Walk To Freedom Vol 1 Nelson Mandela,2009-12-17 The riveting memoirs of the outstanding moral and political leader of our time LONG WALK TO FREEDOM brilliantly recreates the drama of the experiences that helped shape Nelson Mandela s destiny From his beginning in the Transkei to his being taken to Robben Island this is the remarkable story of how a man rose so far only to be sentenced to life imprisonment Emotive and compelling this is the story of an epic life Burns with the luminosity of faith in the invincible nature of human hope and dignity Unforgettable ANDRE BRINK Enthralling Mandela emulates the few great political leaders such as Lincoln and Gandhi who go beyond mere consensus and move out ahead of their followers to break new ground Donald Woods in the SUNDAY TIMES **Nelson Mandela** Reggie Finlayson,1999-01-01 Describes the childhood political activities imprisonment family and presidency of Nelson Mandela **The Individual and Utopia** Clint Jones,Cameron Ellis,2016-03-09 Central to the idea of a perfect society is the idea that communities must be strong and bound together with shared ideologies However while this may be true rarely are the individuals that comprise a community given primacy of place as central to a strong communal theory This volume moves away from the dominant current macro level theorising on the subject of identity and its relationship to and with globalising trends focusing instead on the individual s relationship with utopia so as to offer new interpretive approaches for engaging with and examining utopian individuality Interdisciplinary in scope and bringing together work from around the world The Individual and Utopia enquires after the nature of the utopian as citizen demonstrating the inherent value of making the individual central to utopian theorizing and highlighting the methodologies necessary for examining the utopian individual The various approaches employed reveal what it is to be an individual yoked by the idea of citizenship and challenge the ways that we have traditionally been taught to think of the individual as citizen As such it will appeal to scholars with interests in social theory philosophy literature cultural studies architecture and feminist thought whose work intersects with political thought utopian theorizing or the study of humanity or human nature Long Walk to Freedom
