Long Long Ago In Jerusalem:

Long Ago God Spoke William Lee Holladay,1995 How can we get beyond perceived barriers and find in the Old Testament the speech of God for today What do we do with the battles the worldview the wonders and wrath of God Holladay offers clear guidance for these and a host of other questions and topics in this most useful book which functions as an innovative introduction to the Old Testament and its theology *Long Time Passing* Susan Galleymore,2009-02-20 Susan Galleymore the mother of a US soldier chose not to wait at home for her son to return or to die Instead she left for Iraq to visit him at the base where he was stationed This is a remarkable portrait of what it means to be a mother in a time of war She tells of her continuing journey through the Middle East interviewing mothers in war zones including Iraq Israel and the West Bank Lebanon Syria Afghanistan and the United States In exploring how mothers cope with war Galleymore confronts many issues including the treatment of veterans alarming US military recruitment techniques conscientious objection and AWOL courts martial and the failures of military leadership She explores cultural differences and examines common assumptions civilians hold about war and why troops themselves are hesitant to share their own stories for fear of psychological breakdown *Long Time Passing* gets to the heart of war and warriors mothers and children and explores the limits of courage and fear *The American Red Cross in the Great War* Henry Pomeroy Davison,1920 **The Tombstone**

in Israel's Military Cemetery since 1948 Yossi Katz,2014-06-18 Military cemeteries are one of the most prominent cultural landscapes of Israel Their story reflects largely the main social processes that Israeli society has been undergoing since the War of Independence 1948 until today Until the end of the 1970s the military tombstones and their surroundings were uniform and equal according to rules set by the State However since the 1980s families of the fallen soldiers started to add on the tombstone personal expressions as well as personal objects photographs military artifacts etc Thus the military tombstone and the Israeli military cemetery became one of the expressions of the dramatic transformation from a society which emphasized the importance of the collective to a society which intensifies the significance of the individual The book is based on many archival documents as well as interviews and photographs all of which shed light on one of the most sensitive issues in Israeli society and express its importance as a central component of Israeli identity *NiRv, Kids' Quest Study Bible* Zondervan,2012-06-19 How come people lived so long back then Why did God allow the flood Is Jesus real Kids have LOTS of questions about the Bible and God The NiRv Kids Quest Study Bible is a great resource for kids eager to learn more Over 500 real questions and answers from kids Quest Challenges help kids apply the Bible s teachings to their own lives by pointing to Scripture Book introductions help explain what each book of the Bible is about A dictionary and subject guide help kids find what they re looking for Fresh colorful design with cartoons makes the Bible fun to look at and use The complete NiRv translation the NIV for kids This translation is written at a third grade reading level Real Questions Real Answers Isn t it exciting to discover the world ask how things work and learn about God and the Bible Now your questions

The Sunday at Home, 1895 The Branch Exposition of the Bible, Volume 1 Michael A. Eaton, 2020-08-31 If you picture the Bible to be a mighty tree and every word a little branch I have shaken every one of these branches because I wanted to know what it was and what it meant MARTIN LUTHER A great deal of biblical scholarship is written for academics and fails to edify readers or strengthen their Christian ministry Yet Christians need to be nourished by the word of God so they can mature in faith and righteousness Filling this gap The Branch Exposition of the Bible is a resource for preachers scholars and everyday Christians alike to help open God's word and shed its light into life ministry and teaching Inspired by the words of the great reformer Martin Luther about shaking every branch of Scripture and with experience in ministering across Africa India and the West Michael A Eaton helps us understand the meaning of the Bible and taste its fruit With an Old Testament volume to follow this exposition of the New Testament accessibly engages with the biblical languages gives application for our lives and leads us through each book of the New Testament so that we can meet the resurrected Jesus Christ in the pages of Scripture

NIrV, God Watches Over Me Bible Zonderkidz, 2011-06-21 God Is Always With You When you're facing your biggest fears turn to this Bible Using the easy to read NIrV translation the God Watches Over Me Bible highlights key Scripture verses that will encourage you to remember that God is always with you no matter where you are or what your fears might be Features include Cool glow in the dark cover Complete text of the Bible in the New International Reader's Version NIrV written at a third grade reading level and the perfect stepping stone to the NIV 8 color pages highlight verses of courage and comfort Dictionary to help with unfamiliar words in the Bible List of great Bible stories *The New Intifada* Roane Carey, 2001-10-17 The second Intifada arose in September 2000 The course of the uprising its consequences for the Palestinian people and the Israeli state and its impact on the future of peace in the Middle East are traced here 30 photos **Franks and Saracens** Avner Falk, 2024-11-29 Franks and Saracens is the first and only book to examine the Crusades from the viewpoint of psychoanalysis studying the hidden emotions and fantasies that drove the Crusaders and the Muslims to undertake their terrible wars Using original documents as well as secondary sources Avner Falk demonstrates that the deepest and most

powerful motives for the Crusades were not only religious or territorial or the quest for lands wealth or titles but also unconscious emotions and fantasies about one's country one's religion one's enemies God and the Devil Us and Them The book demonstrates the collective inability to mourn large group losses and the collective needs of large groups such as nations and religions to develop a clear identity to have boundaries and to have enemies and allies Falk investigates the unconscious dynamics of the Crusades both on the individual and on the collective level to understand why the Crusading fantasies persisted for nearly two centuries and why the northern Crusades went on until the early fifteenth century This updated edition adds a new chapter on collective trauma both as cause and as consequence of the Crusades and has been fully revised to include literature on trauma and other psychological aspects of the Crusades Franks and Saracens will be of great interest to historians political scientists medievalists psychologists psychiatrists psychoanalysts anthropologists and sociologists interested in questions of conflict fantasy and identity collective psychological processes and to academics of the Crusades and military history

And On and On the Ages Roll J. H. Bavinck, 2019-07-30 Scripture testifies that in the work of Jesus Christ the power of Satan sin and death has been broken Yet on and on the ages roll and wars rage humans destroy one another and themselves and natural evils such as earthquakes and tsunamis occur We seem to suffer what J H Bavinck calls the great delay still awaiting Christ's final victory In this illuminating survey of the book of Revelation Bavinck examines the status of the church and the world in the times of the end

but before the final finish Bavinck suggests the church is based on its mission to show the way of God and share his good news in the world This mission occurs in a world claimed by Christ s victory but still marked by the demonic and human hubris Revelation is a literature that discloses the church s perennial challenges in a time claimed and won by Christ yet still resistant to his lordship The book peels back the veil to expose a battle not only on earth but in the heavens and assures the sometimes faltering church that it is not forgotten and Christ s victory is certain Bavinck centers his account of Revelation in its chapter 12 the strange woman who is crowned and yet haunted and hunted driven to the edge of civilization He sees in this woman the bearer of a child a figure of the church that bears its child and Lord Jesus Christ Like the woman the church in these times between the times is both crowned as God s royalty and often scorned by the world

[Jerusalem](#) Michael Zank,2018-07-16 Provides a short accessible and lively introduction to Jerusalem Jerusalem A Brief History shows how Jewish Christian and Islamic scriptures confer providential meaning to the fate of the city and how modern Jerusalem is haunted by waves of biblical fantasy aiming at

mutually exclusive status quo rectification It presents the major epochs of the history of Jerusalem's urban transformation inviting readers to imagine Jerusalem as a city that is not just sacred to the many groups of people who hold it dear but as a united unharmed place that is in this sense holy Jerusalem A Brief History starts in modern Jerusalem giving readers a look at the city as it exists today It goes on to tell of its emergence as a holy city in three different ways focusing each time on another aspect of the biblical past Next it discusses the transformation of Jerusalem from a formerly Jewish temple city condemned to oblivion by its Roman destroyers into an imperially sponsored Christian theme park and the afterlife of that same city under later Byzantine and Muslim rulers Lastly the book returns to present day Jerusalem to examine the development of the modern city under the Ottomans and the British the history of division and reunification and the ongoing jostling over access to and sovereignty over Jerusalem's contested holy places Offers a unique integration of approaches including urban history the rhetoric of power the history of art and architecture biblical hermeneutics and modern Middle Eastern Studies Places great emphasis on how Jerusalem is a real city where different people live and coexist Examines the urban transformation that has taken place since late Ottoman times Utilizes numerous line drawings to demonstrate how its monumental buildings created to illustrate an alliance of divine and human power are in fact quite ephemeral transient and fragile Jerusalem A Brief History is a comprehensive and thoughtful introduction to the Holy City that will appeal to any student of religion and or history The Literary American George Payn Quackenbos,1850 *Studies in Josephus And the Varieties of Ancient Judaism* Louis H.
