Longest Cocktail Party:

The Longest Cocktail Party Richard DiLello, 2005 This volume is not only fast paced and funny but also manages to be immensely poignant about the demise of the Fab Four and the death of the sixties dream **The Longest Cocktail Party** Richard DiLello, 1976 *The Longest Cocktail Party* Richard DiLello, 2014-11-05 Apple Records was a noble experiment created in the spirit of the 1960s by four musicians who came to represent everything that was best about those tumultuous experimental and liberating times The Beatles started out with the greatest of intentions but reality soon got in the way Much has been written about this period in the history of The Beatles evolution and dissolution some of it true some of it wildly exaggerated but not much of it first hand The Longest Cocktail Party is a rare exception Written by Richard DiLello who served as Apple Records House Hippie from 1968 to 1970 this unusual first hand glimpse into The Beatles empire humorously chronicles the stranger than life stories that were to become legendary including visits by the Hell's Angels and endless tales of celebrity antics Alfred Music is proud to offer this latest edition which features a new and insightful foreword by the author Originally published by Playboy Press in 1972 The Longest Cocktail Party has proven itself a timeless chronicle of this most colorful period in pop history **The Longest Cocktail Party** Richard DiLello, 2001 **The Longest Cocktail Party** Richard DiLello, 1997-06-01 The Longest Cocktail Party: an Insider's Diary of The Beatles Richard DiLello, 1972
