On the Inside, Looking Out Gretchen Huffman, 2016-02-23 These poems were written not only for women but for all people who have experienced love pain longing joy loneliness embarrassment and all the other emotions known to mankind If you have lived to adulthood and that age differs with all of us you have no doubt experienced most or all of these feelings Some you may have enjoyed others not so much But if you are like me you remember most of them Oddly enough you may remember the negative ones as much as or more than the positive ones

Either way while you are reading this we are connected and that alone makes my efforts worthwhile I wish to thank everyone who influenced me and therefore provided me with the necessary incentive to rhyme We are planning a Volume II So watch for further developments *Growing Up and Looking Out* Katherine Augustine, 2017-05-11 Katherine Augustine is an extraordinary person This book tells Katherine s story in her own words It is drawn entirely from a selection of her writings in various publications complete copies of which are available in archives in Albuquerque and Santa Fe New Mexico The book is in two parts The first My Life From Laguna Pueblo to Albuquerque is Katherine s autobiography from her childhood to the start of her nursing career The second Tales My Grandmother Told Me and Being Laguna is a collection of Laguna Pueblo stories she learned as a child and personal observations of feast days and public ceremonies For over thirty years she wrote stories about her life and observations of growing up at Laguna Pueblo along with articles on current events for several publications these included the Indian Pueblo Cultural Center newsletter Pueblo Horizons a column for the now defunct evening newspaper the Albuquerque Tribune articles for the Albuquerque Laguna Colony Newsletter and Round the Roundhouse the New Mexico State Employees newsletter Photographs in the first section are from Katherine s family album while images illustrating stories from Laguna Pueblo are derived from photographs of prehistoric art in the collection of Paul R Secord

Look out for paint Cornelius Shea, 2023-07-10 In Look Out for Paint Cornelius Shea employs a vivid and immersive literary style that deftly intertwines elements of surrealism with a profound exploration of human emotion Set against a backdrop of an ever shifting artistic landscape the narrative delves into themes of transformation identity and the fleeting nature of perception Shea s use of rich imagery and innovative prose mirrors the unpredictability of the artistic process inviting readers to navigate a world where paint becomes a metaphor for the complexities of life The text is not only a journey through the creative mind but also an exploration of how art shapes reality and vice versa Cornelius Shea known for his exploratory approach to literature draws upon his extensive background in visual arts and creative writing His experiences as both an artist and a writer inform the richly layered narrative of this book Having lived in various cultural

hubs Shea crafts a narrative that encapsulates the intersection of art and existential inquiry reflecting the chaotic yet beautiful experience of artistic creation that has marked his personal and professional journey Look Out for Paint is an essential read for those who seek to understand the depths of artistic expression and human experience Shea s unique perspective and evocative writing create a compelling tapestry that invites readers to reflect on their own interpretations of art and life It is a powerful testament to the notion that in every stroke of paint there lies a story waiting to be uncovered
