Tomorrow is Another Year Scott Tierney,2017-08-15 When Michael accepts a nondescript job for a nameless London based company he finds himself embroiled in a fantastical situation every time he wakes time has progressed one single year At first this seems like a gift but as the future spirals out of control and the motives of his titanic employer Greenwood prove entangling he discovers it to be a curse **'Why You Need to Be the Man'** Samuel L. Digby,2010-07-23 **Past Present and Future in Poetry** Robert Stevens,2022-02-17 This is a book of poems put into verse from memories and events starting in the 1930 s through the war years and beyond There are many stories that will take you back to the slums of Liverpool from walking the streets in bare feet or clogs wearing donated clothes and money from the Public Assistance Committee to

hunting for Jam Jars to get into the cinema Stories of a child trying to help his parents with a few pennies and being evacuated during the war Some experiences such as travelling on Milk trains and carts across country to attend a fathers funeral and missing it by minutes cannot be put into words The poems take the experience of a young and innocent family landing in the continent of Africa the wonders and challenges that presented especially with only a few pounds in the pocket are put into a few words to transport you to another world in another time Topics from the freezing streets of Liverpool to the hot savannah of Africa and pounding steel mills Also it includes modern topics such as the NHS the virus and the climate but there are also a few lighter things from the Bankers Cat to following the heart in the stars and the spirit of the Steam Train Several poems will give you the feeling of a hard lived life but also show the passion and love and life itself It is produced and mostly written when the author was in his 90 s with the help support and guidance of his daughter taking his ideas and words and breathing eternal life of the memories into words The opening pages start with memories of the home followed by poems in memory of two daughters that have passed in the last 4 years Then the journey through different streets the parents Christmas war and onto Africa the climate There are poems written and dedicated to the NHS and nurses and also of those lost at Aberfan which was written at the time and also my brother assisted at Some poems have also been previously published as winning entries in competitions which is what inspired the author to have all published in one book **Journey of the Self** Judith,2014-02-07 Who are the Wayshowers What is the self of my being How did I become separated from truth What is the True Mind From the time of your birth into being there have been these prevailing truths you are love and you are loved you are complete and you are the spark from the Divine The guide named Mother the true author of this book leads you through the minefield of deception that has held you back from the truth of who you are She takes you back to the beginning of this planet and its first inhabitants shares ancient wisdom and insights about judgment forgiveness and the human mind and much much more There is and has only been one truth and Mother lights this spark of truth within you with great wisdom and clarity Come forth into the act of being and believe in the self is the cornerstone of her message Mother speaks personally to each of you and with expert guidance shows how to come forth in this very important time of ascension She speaks of the Wayshowers the enlightened ones who have come back at this time to lead this planet through the transition from falsehood to truth and from duality into singularity Perhaps you are one of these Wayshowers and her message will help to light your way through your Journey of the Self He who knows others is wise he who knows himself is enlightened Lao Tzu **Reflections Into My Soul** Francine N. D'Aprile,2009-03 Through my journey in life I have met many people Everyone has a story to tell sometimes our lives take us into so many directions that at the end of the journey you look back and wonder where have all the years gone by The pathway that led me to this book took me in many directions in my life Writing Poetry has always been a passion of mines As I take you into my soul you will come to realize that deep within ourselves we are all the same From my years in Hawaii to the love of a United States Marine Corps Vietnam Vet I

continue Along Life s Journey and then I hit the lowest point in my life My poetry continues with a mixture of inspirational thoughts and other poems At the end of the day may you be inspired by Reflections into My Soul and write your own poetry of life *Where Was God?* Erwin W.
