Dreaming of an attractive stranger who will sweep her off her feet, Aurora is delighted when her father invites the mysterious Lord for dinner on Christmas Eve. But Aurora's dreams are crushed like a daisy underfoot when she finally meets the man and her prospects look bleak until the dashing Earl of Linford gallops into her life. **The Black Mirror and Other Stories** Franz Rottensteiner, 2008-12-31

Handsomely equipped with a comprehensive introductory historical essay, editor's notes, and selected bibliography, this distinguished anthology is a model of genre research. These previously untranslated stories, published from 1871 onward, offer reading virtually unknown to most American and many German readers. Some authors combine scientific and philosophical issues like Kurd Lasswitz in his witty tale *To the Absolute Zero of Existence*, a story from 1937, while others, as in Erik Simon's 1983 title story, pose psychological puzzles involving alien phenomena. Though the earlier stories in particular demand painstaking reading, all of them repay it with rewarding insights into German and Austrian culture and the many possible uses and misuses of science. **The Sky**

Above John Howard Casper, 2022-04-15 Looking up at the stars at the age of ten, John Casper dreamed of being a space explorer. *The Sky Above* tells how persistence and determination led to flying in space after serving the nation as a combat fighter pilot and test pilot. Despite life-threatening experiences and failures, his spiritual faith was pivotal in overcoming life's challenges. Through vivid storytelling, the reader rides alongside the author in the cockpit, feeling the fear of enemy anti-aircraft fire and the pressure of high g forces during combat maneuvering. His insider accounts of four Space Shuttle missions vividly describe exhilarating launches, the magical experience of weightlessness, and the magnificent beauty of Earth from hundreds of miles above. A central theme running throughout Casper's life is his faith as he struggles with the loss of fellow pilots and confronts life's inconsistencies and disappointments. This is a story about his growth and trust in his Creator, whose tenacious spirit never left him, even during the devastating Challenger and Columbia disasters. Readers interested in stories of true adventure or overcoming adversity will discover unique drama and insight. Those trying to reach their dreams, whatever they are, will find inspiration; those unsure or challenged in their faith will find encouragement. *A Library of*

Religious Poetry Philip Schaff, Arthur Gilman, 1880 Religious poetry is the holy of holies of literature. In all ages, poets have been the interpreters of the finer feelings of humanity, and the greatest have treated the loftiest themes that can employ the mind and the heart: the relation of man to his Maker and the duties and privileges which arise from it. It has been the aim of the editors to make the present collection truly catholic. It embraces a body of representative poems of all ages, denominations, and countries. The authors are allowed the fullest liberty of uttering their sentiments in their own words.
