Looking At Jesus With Luke:

Looking at Jesus with Luke Marjorie Stewart, 1978-01-01 [A Rabbi Looks at Jesus of Nazareth](#) Jonathan Bernis, 2011-01-01 Raised in a traditional Jewish family international television host Jonathan Bernis was taught from a young age that Jews don't and can't believe in Jesus Yet in his study of the Bible including the Torah he found overwhelming evidence that Jesus of Nazareth really was the Jewish Messiah With warmth and transparency Bernis talks about discovering Jesus in history too and how it was that the Jewish Yeshua became the Gentile Jesus By presenting historic evidence that Jesus is Messiah and refuting common Jewish objections Bernis gives Christians the knowledge and tools they need to share their Lord with their Jewish friends in a loving effective way [A Look At Luke](#) Kristen Reed, 2018-07-06 Discover a four week Bible study designed for Christians who are both new to and familiar with reading through their Bibles The reading plan includes six days studying Luke with study questions and one day of reflection in the Psalms Each day includes prayer prompts to help build a habit of praying without ceasing and cross references for related passages of Scripture in the Old and New Testaments **A Layman Looks at Luke** Dick Dahlstrom, 2022-08-09 I have written this look at Luke as a layman I am not a biblical scholar theologian or pastor As I have studied the book of Luke I wrote what I saw thought and I believe the Holy Spirit revealed to me This is not meant to be a commentary or academic thesis I am not capable of that Instead it is what I have come to see and love about Luke He was a layman and historian not one of the disciples or a prophet He was a doctor who was used by God to write inspired scripture Many think he is the only Gentile writer of the Bible As you read this book my prayer is that you will come to love Luke as I have **Looking on Jesus** Madame Cecilia, 1912 *To Understand the Bible Look for Jesus* Norman L. Geisler, 2002-09-10 Believing the fundamental Christian claim that the purpose of the Bible is to present the Savior Geisler focuses on Christ as the unity and unfolding message of the whole of Scripture Christ is the tie between the Testaments the content of the canon and the unifying theme within each book of the Bible This book is basic to both Bible study and preaching and serves as an excellent guide to the Bible's central theme It encompasses far more than a study of types and the Old Testament prophecies Each chapter takes seriously the affirmation of Jesus Everything written about me in the law of Moses and the prophets and the psalms must be fulfilled Luke 24:44 Related to Geisler's central thrust that Christ is the clue to the whole Bible is the clear assertion concerning the inspiration of Scripture and the deity of Christ Chapter topics include 1 Christ Is the Key to the Bible 2 Christ in the Old Testament 3 Christ in Both Testaments 4 Christ in Every Section of the Bible 5 Christ in Each Book of the Bible 6 The Word of God Personal and Propositional Also included are a bibliography subject index and Scripture index **His Mission** D. A. Carson, Kathleen Nielson, 2015-04-16 With contributions from popular Bible teachers including Tim Keller Kevin DeYoung John Piper D A Carson Crawford Loritts Gary Millar and Stephen Um this collection of eight biblical expositions looks to the Gospel of Luke and its unique portrait of our Savior Whether exploring the nature of Jesus's divine sonship his rejection by the religious and

political rulers of his day or his important teaching on the dangers of money this volume will help readers grasp the overarching message of the book of Luke as they grow more familiar with its main focus the blameless life atoning death and vindicating resurrection of Jesus Christ

The Upside Down Way Matthew Ingalls, 2017-02-14 Jesus life should turn our world upside down His first observers according to Luke were routinely seized with amazement both at the bending of physics making the blind see and lame walk and at the ridiculous things he did and taught A careful look at the Jesus of the Gospels sketches a man completely out of touch with conventional thinking a man radically devoted to living a shocking life for the sake of the broken and forgotten In popular depictions of Jesus today he seems to be more concerned with upholding a conventional way of life than with overturning our understanding of ourselves Jesus life story should lead more to humble servanthood than to syncretized light shows in church or the triumph of a political candidate or a well ordered and respectable lifestyle The Upside Down Way is a series of devotionals drawn from the text of Luke Each devotional is an invitation to a fresh look at the outrageous words and actions of Jesus Author and pastor Matthew Ingalls combines rigorous historical study with a voice that is unflinchingly bold reflective honest and challenging in order to elevate Luke's ridiculous Jesus to his rightful position as the fountain of Christian faith

A Rabbi Looks at Jesus' Parables Frank

Stern, 2006-01-19 Intended to appeal to both Christians and Jews A Rabbi Looks at Jesus Parables is an introduction to the teachings of Jesus and compares the similarities and differences in Jesus thinking to other Jewish sources from first century Palestine Each chapter uncovers hidden messages within each of Jesus parables and discusses each parable within its first century religious and historical context The book attempts to build bridges of understanding between Christians and Jews by exploring the notion that we share a common history

Jesus, the Image of Humanity Anselm Grun, 2003-01-01 I want to connect what concerns people today with what it was about Jesus that fascinated Luke as a man of his lifetime I want every reader to be guided by Luke to Jesus to gain new insights into Jesus and to discover in him the one who gives meaning to our existence heals our wounds and leads us to true life Anselm Grun In Jesus the Image of Humanity best selling author Anselm Grun writes an introduction to the Gospel of Luke that will inspire those who find it difficult to encounter the real Jesus in the writings of the New Testament He shows the Jesus of Luke's Gospel to be the key to a spiritually fruitful life something many Biblical exegetes fail to do Grun's concern is to interpret the text in terms of the needs and longings of contemporary Christians He pierces through alienating and inherited impressions of the text to show that what Luke is giving us is a record of his own experience of Jesus He sees

the Gospel as an expertly composed entertaining and valuable piece of publicity on behalf of the Jesus movement and its message is as life changing in the twenty first century as it was in the first century Luke Sharrel Keyes,2011-05-25
