Looking At Women:

Ladies, Please! José Covaco, 2014-07-11 Try as you may you won't get the answer because we're guys and we come from Mars where it's an alien eat alien world. Most of the time we're confused as heck and need a girl to set us straight but all the other times we pretty much know what we want. The same way how we can't figure you out and why you need so many pairs of shoes we too can be hard nuts all puns intended to crack. Girls rule. That's a fact no guy can deny. That said there are a few things about you that drive us crazy and make us go running across continents and enroll into witness protection programmes to get as far away from you as possible. Here's a book that'll help you if not figure us out save you from a few nasty dates and know when to run screaming because at the end of the day boys will be boys. [Daily Life of Women in Postwar America](#) Nancy Hendricks, 2021-02-15 From Beatniks to Sputnik and from Princess Grace to Peyton Place this book illuminates the female half of the US population as they entered a brave new world that revolutionized women's lives. After World War II the United States was the strongest most powerful nation in the world. Life was safe and secure but many women were unhappy with their lives. What was going on behind the closed doors of America's picture perfect houses. This volume includes chapters on the domestic economic intellectual material political recreational and religious lives of the average American woman after World War II. Chapters examine topics such as the entertainment industry's evolving concept of womanhood Supreme Court decisions the shifting idea of women and careers advertising rural urban and suburban life issues women of color faced and child rearing and other domestic responsibilities. A timeline of important events and glossary help to round out the text along with further readings and a bibliography to point readers to additional resources for their research. Ideal for students in high school and college this volume provides an important look at the revolutionary transformation of women's lives in the decades following World War II. [Feminist Interrogations of Women's Head Hair](#) Sigal Barak-Brandes, Amit Kama, 2018-06-13 Feminist scholarship has looked extensively at the perception of the body as a flexible construction of cultural and social dictates but head hair has been often overlooked. *Feminist Interrogations of Women's Head Hair* brings new focus to this underrepresented topic through its intersections with contemporary socio-cultural contexts. Scholars from a wide range of disciplines investigate private and public meanings associated with female head hair problematising our assumptions about its role and implications in the 21st Century. Readers are invited to reflect on the use of hair in popular culture such as children's television and pop album artwork as well as in work by women artists. Studies examine the lived experiences of women from a range of backgrounds and histories including curly haired women in Israel African American women and lesbians in France. Other essays interrogate the connotations of women's head hair in relation to body image religion and aging. *Feminist Interrogations of Women's Head Hair* brings together cultural discourses and the lived experiences of women across time and place to reveal the complex and ever evolving significance of hair. It is an important contribution to the critical feminist thought in cultural studies fashion studies media studies African American

The Changing Consumer Cultures of Modern Egypt Mona Abaza, 2006-12-01 This book consists of a collage of images that attempts to convey the transformation of consumer culture and how it is related to the urban reshaping of the city of Cairo to meet with the demands of globalisation Analyzing the shift from socialist economy to the opening up of Egypt s economy and how this has affected everyday life of the middle classes the author touches on various themes such as the general changing lifestyles and conspicuous consumption the spread of mobile phones and coffee shops the gated communities and secondary resorts The folklorisation of culture through the flowering tourist industry the expansion of local crafts plastic surgery and the body as a site of consumption are all analysed Although being influenced by the discourse of the Frankfurt school on the culture industry this work attempts to highlight the paradoxes pertaining to the democratising effects of consumer culture without denying the growing flagrant class polarisation

Body Work Sylvia K. Blood, 2004-03-01 Are scientific facts about body image enough to define conceptions of normality Reassessing Experimental Psychology from a critical perspective Sylvia Blood demonstrates how its research into Body Image can be misused and prone to misuse Classifying women who experience distress and anxiety with food eating and body size as suffering body image disturbance or body image dissatisfaction it can reproduce dominant assumptions about language meaning and subjectivity Experimental psychology s discourse about body image has recently become more widely influential becoming popularised through domains such as women s magazines in which psychological experts provide facts about women s body image problems and offer advice and psychological treatments With acute cross disciplinary awareness *Body Work The Social Construction of Women s Body Image* exposes the assumptions at work in the methods and status of experimental approaches Penetrating beyond the usual dichotomy between experimental and popular psychology this book illuminates some of the ways in which women s magazines have embraced experimental psychology s treatment of the issue Drawing on

her experience in Clinical Psychology Sylvia Blood highlights the damaging effects of uncritically experimental views of body image She goes on to elaborate not only an alternative model of discursive construction but also the implications of such a theory for clinical practice Merging theory and clinical experience Sylvia Blood exposes the fallacies about women's bodies that underpin experimental psychology's body image research She demonstrates the dangerous consequences of these fallacies being accepted as truths in popular texts and in the talk of everyday women *Postwar Vietnam* Hy V. Luong, 2003 This historically grounded examination of the dynamics of contemporary society in Vietnam including cultural political and economic dimensions focuses on dynamic tensions both within society and among societal forces the state and global capital

Winning Women's Hearts and Minds Diana Cucuz, 2023-01-31 Throughout the Cold War Soviet citizens had limited access to US life and culture Amerika a glossy Russian language magazine similar to Life provided a rare exception Produced by the United States Information Agency USIA America's first peacetime propaganda organization Amerika was used to influence the Soviet public and convince women in particular that an American style consumer culture and conservative gender norms could better their lives Winning Women's Hearts and Minds relies on USIA archives issues of Amerika and American women's magazines such as the Ladies Home Journal to show how during the postwar period USIA officials deployed idealized images of American women as happy fulfilled and feminine wives mothers and homemakers This study analyses how Amerika was used to appeal to Soviet women Portrayed in the US media as babushkas they were considered unfeminine overworked and deprived of consumer goods and services by a repressive regime Diana Cucuz provides a gendered analysis of the USIA and of Amerika whose propaganda campaign relied heavily on postwar conservative gender norms and images of domestic contentment to convey positive messages about the American way of life in the hopes of undermining the Soviet regime Winning Women's Hearts and Minds sheds light on the significance of women gender and consumption to international politics during the Cold War
