Lord And Peasant In Russia

Jerome Blum

Lord And Peasant In Russia:

Lord and Peasant in Russia Jerome Blum, 1971-04-21 Study of the relationship between lord and peasant from the 9th to the 19th centuries told against a background of Russian political and economic evolution *Lord and Peasant in Russia* Jerome Blum, 1972 *Lord and Peasant in Russia*, 1961 **Lord and Peasant in Russia** Jerome Blum, 1961 Lord and peasant in Russia Jerome Blum, 1971 **Lord and Peasant in Russia** Jerome Blum, 1963 *Lord and Peasant in Russia* Jerome Blum, 1977 Lord and Peasant in Russia from the 9. to the 19. century, 1961 Lord and Peasant in Russia 1963 Rpt J. BLUM, 1961 **Readings in Russian Civilization Volume II** Thomas Riha, 2009-02-15 This new and enlarged version of Readings in Russian Civilization is the result of fairly extensive revisions There are now 72 instead of 64 items 20 of the selections are new The first volume has undergone the least change with 3 new items of which 2 appear in English for the first time In the second volume there are 6 new items all of them appear in English for the first time The third volume has undergone the greatest revision with 11 new items of which 6 are newly translated from the Russian It is the editor's hope that items left out in the new edition will not be sorely missed and that the new selections will turn out to be useful and illuminating The aim throughout has been to cover areas of knowledge and periods which had been neglected in the first edition and to include topics which are important in the study of the Russian past and present The bibliographical headnotes have been enlarged with the result that there are now approximately twice as many entries as in the old edition New citations include not only works which have appeared since 1963 but also older books and articles which have come to the editor's attention From the Editor's Preface a judicious combination of seminal works and more recent commentaries that achieves the editor's purpose of stimulating curiosity and developing a point of view C Bickford O'Brien The Russian Review These three volumes cover quite well the main periods of Russian civilization The choice of the articles and other material is made by a competent and unbiased scholar Ivan A Lopatin Professor of Asian and Slavic Studies University of Southern California *The Russian Peasantry 1600-1930* David Moon, 2014-07-16 This impressive work set to become the standard history on the subject offers a definitive survey of peasant society in Russia from the consolidation of serfdom and tsarist autocracy in the 17th century through to the destruction of the peasant's traditional world under Stalin Over three quarters of Russian society were peasants in these years and David Moon explores all aspects of their life xxx including the rural economy peasant households village communities xxx and their political role including protest against the landowning elites In the process he presents a fresh perspective on the history of Russia itself A big book in every way xxx and compellingly readable **Russia in the Early Modern World** Donald Ostrowski, 2022-01-25 A fundamental problem in studying early modern Russian history is determining Russia's historical development in relationship to the rest of the world The focus throughout this book is on the continuity of Russian policies during the early modern period 1450 1800 and that those policies coincided with those of other successful contemporary Eurasian polities The continuities occurred in the midst of

constant change but neither one nor the other continuities or changes alone can account for Russia's success. Instead Russian rulers from Ivan III to Catherine II with their hub advisors managed to sustain a balance between the two. During the early modern period these Russian rulers invited into the country foreign experts to facilitate the transfer of technology and know how mostly from Europe but also from Asia. In this respect they were willing to look abroad for solutions to domestic problems. Russia looked westward for military weaponry and techniques at the same time it was expanding eastward into the Eurasian heartland. The ruling elite and by extension the entire ruling class worked in cooperation with the ruler to implement policies. The Church played an active role in supporting the government and in seeking to eliminate opposition to the government.

States and Social Revolutions Theda Skocpol, 1979-02-28 Theda Skocpol shows how all three combine to explain the origins and accomplishments of social revolutionary transformations.

Peasants in Russia from Serfdom to Stalin Boris B. Gorshkov, 2018-02-08 The peasantry accounted for the large majority of the Russian population during the Imperialist and Stalinist periods. It is for the most part how people lived. Peasants in Russia from Serfdom to Stalin provides a comprehensive realistic examination of peasant life in Russia during both these eras and the legacy this left in the post Soviet era. The book paints a full picture of peasant involvement in commerce and local political life and through Boris Gorshkov's original ecology paradigm for understanding peasant life offers new perspectives on the Russian peasantry under serfdom and the emancipation. Incorporating recent scholarship including Russian and non Russian texts along with classic studies Gorshkov explores the complex interrelationships between the physical environment, peasant economic and social practices, culture, state policies and lord peasant relations. He goes on to analyze peasant economic activities including agriculture and livestock, social activities and the functioning of peasant social and political institutions within the context of these interrelationships. Further reading lists, study questions, tables, maps, primary source extracts and images are also included to support and enhance the text wherever possible. Peasants in Russia from Serfdom to Stalin is the crucial survey of a key topic in modern Russian history for students and scholars alike.

Russia's First Civil War Chester S. L. Dunning, 2010-11-01 He shows that serfs did not actively participate in the civil war and that the abolition of serfdom was never a rebel goal. Instead most rebels were petty gentry, professional soldiers, townsmen and Cossacks who were united in fierce opposition to tsars they believed to be illegitimate usurpers.

Russia in the Age of Reaction and Reform 1801-1881 David Saunders, 2014-07-30 This eagerly awaited study of Russia under Alexander I, Nicholas I and Alexander II, the Russia of War and Peace and Anna Karenina brings the series near to completion. David Saunders examines Russia's failure to adapt to the era of reform and democracy ushered into the rest of Europe by the French Revolution. Why despite so much effort did it fail? This is a superb book both as a portrait of an age and as a piece of sustained historical analysis.

Leaders of Russia and the Soviet Union John Paxton, 2013-08-21 This reference work surveys the leaders of Russia and the Soviet Union from Michael the first Romanov tsar in 1613 through the creation and dissolution of the Soviet Union to the present day President.

of the Russian Federation Vladimir Putin Chronologically arranged these biographies paint a thorough yet succinct portrait of 30 leaders including discussion about the family and education of each ruler important legislation events and wars under each leader's rule and each leader's achievements and impact on Russia or the Soviet Union **Russian Peasants Go to Court** Jane Burbank, 2004-09-16 will challenge and should transform existing interpretations of late Imperial Russian governance peasant studies and Russian legal history Cathy A Frierson a major contribution to our understanding both of the dynamic of change within the peasantry and of legal development in late Imperial Russia William G Wagner Russian Peasants Go to Court brings into focus the legal practice of Russian peasants in the township courts of the Russian empire from 1905 through 1917 Contrary to prevailing conceptions of peasants as backward drunken and ignorant and as mistrustful of the state Jane Burbank's study of court records reveals engaged rural citizens who valued order in their communities and made use of state courts to seek justice and to enforce and protect order Through narrative studies of individual cases and statistical analysis of a large body of court records Burbank demonstrates that Russian peasants made effective use of legal opportunities to settle disputes over economic resources to assert personal dignity and to address the bane of small crimes in their communities The text is enhanced by contemporary photographs and lively accounts of individual court cases Power Restructuring In China And Russia Mark Lupher, 2018-02-12 The massive economic transformations and political upheavals that have been sweeping China and the Soviet Union in the final decades of the twentieth century are among the great dramas of our time Yet the origins of these revolutionary changes are murky and their outcomes unclear Have we witnessed the demise of an archaic authoritarian order and the rise of pluralism and democracy or are the tumultuous events of the post Mao era and the period of perestroika more usefully viewed in light of broader patterns of power and politics in Chinese and Russian history Considering these questions with a new interpretation of power relations and political processes in China and Russia Mark Lupher explores the imperial era the communist period and the current situation in both countries Rather than speaking of reform which too often is understood as liberalization along Western lines his discussion is focused on power restructuring the ebb and flow of state power the centralization and decentralization of political and economic power and the three way struggles between central rulers various elites and nonprivileged groups that drive these processes Lupher's power restructuring analysis is noteworthy in combining broad comparative historical analysis and conceptualization with a closely focused discussion and reinterpretation of the Chinese Cultural Revolution the core of his book By comparing and bringing new light to bear on a series of pivotal episodes in Chinese and Russian history he furthers our understanding and assessment of processes that will continue to unfold in China Russia and the former Soviet republics **The Politics of Unfree Labour in Russia** Mary Buckley, 2018-01-11 How and why did human trafficking out of Russia escalate at the beginning of the twenty first century Why did some labour migrants from Uzbekistan Tajikistan and Kyrgyzstan find happy work situations in Russia whereas others became trapped in forced labour This book focuses on

human trafficking out of the Russian Federation since the collapse of the Soviet state and on labour migration into it from Central Asia and on some internal movement It looks at the socio economic reasons behind labour flows and examines key social political legislative and policy responses Discussion includes how the Russian press covers these topics and what politicians experts and the public think about them Based on interviews polls and focus groups in Russia this book is rich in original research which highlights different Russian perspectives on exploitation in unfree labour It gives examples of entrapment in prostitution construction work on farms and in begging rings
