**Mike Hailwood - The Fan's Favourite** Mick Walker, 2012-12      Motorsport's Military Heroes Bryan Lightbody, 2022-09-08 Motorsport has many iconic names attached to it. It has many that are celebrated as heroes in their chosen sport. However, what perhaps is less well known is how many of the motorsport icons of the twentieth century carried out acts of real life bravery many during war time but some in selfless acts of bravery in saving the lives of their fellow competitors. Some of the iconic names of motorsport are linked to the great conflicts of the twentieth century. Enzo Ferrari served during World War One the most revered of the 1920s Bentley Boys were all World War One veterans such as John Duff, Bernard Rubin, Woolf Barnato, Sammy Davis and Glen Kidston. World War One American flying ace Eddie Rickenbacker was an Indianapolis 500 racing driver. Muriel Thompson Military Medal who became a World War One ambulance driver was not only a chauffeur for suffragette Emeline Pankhurst but raced at Brooklands before the war. Commentator Murray Walker was a World War Two tank commander. Fellow commentator Raymond Baxter was a Spitfire pilot who was mentioned in dispatches for bravery. Carroll Shelby was a United States Army Airforce pilot and instructor with a reputation for great leadership. His friend engineer and racing driver Ken Miles served throughout the war as a specialist in tank recovery landing as part of the D Day operations. These are just a few of the most notable names from a group of men and women who risked all in conflict before risking all on the track profiled in this book.

**Mike Hailwood** Mick Walker, 2005. Never in the history of motorcycle racing has there been a more popular champion than Mike the Bike Hailwood. In this new study which comes almost 25 years after Mike's untimely death, Mick Walker examines his long career from his first race aged 17 at Oulton Park in April 1957 to his final race at Mallory Park in June 1979. In the course of his competitive career, Mike rode in more races than any other rider and he could ride any bike. In his time he straddled everything from a 49cc Itom single cylinder two stroke to a 1000cc Dunstall Suzuki GS1000 four cylinder superbike. He could switch capacity sizes and makes at the same meeting on the same day and give breathtaking winning performances regardless. Among his many achievements he could count 12 TT victories, 10 World titles and 76 Grand Prix victories. Mike's larger than life father Stan, a multi millionaire who could ensure his son always had access to the best bikes, put Mike on the path to success but it soon became clear that Mike had more than enough talent to hold his own at the highest level. A modest even shy man never motivated by money or glamour, he shied away from the massive publicity he attracted. Mick Walker's book describes Mike's long and varied career concentrating on the racing years and the motorcycles but also considering the influence of his father and his life away from the track. A full race by race record appears at the end of the book.
