On The Jericho Road A Memoir Of Racial J:

On the Jericho Road James Alfred Smith, Harry Louis Williams, 2004 The road to Jericho was fraught with peril According to one of Jesus most powerful stories a man traveling that road was set upon by thieves robbed beaten and left to die Respectable people passed by on the other side But at great risk and cost to himself a neighborly stranger stopped to lend aid So too is modern life filled with criminals victims the uninvolved and the few willing to make a difference One man has made this story his life calling to minister to all those he encounters on life s difficult road That man is the Rev Dr J Alfred Smith Sr The story of the Rev Dr J Alfred Smith Sr is the story of African Americans in the twentieth century Smith grew up in an era of poverty and segregation experiencing the injustices of a racially divided country With his family and his church as his anchors he emerged as one of the nation s most prominent African American preachers He witnessed firsthand the tumult of the civil rights era and faced the challenges of urban decay violent crime and discrimination As senior pastor of Oakland s Allen Temple Baptist Church he became a leading activist for societal transformation spearheading ministries that have provided hope for thousands Now as one of the most respected elder statesmen of the African American church Smith tells the story of his remarkable life describing the events and people that shaped him His testimony reveals how God works through the church to minister to individuals families and communities Come join Dr Smith on the Jericho road Catch his vision for how lives can be rescued and transformed And then follow the invitation to go and do likewise *The Divided Mind of the Black Church* Raphael G Warnock, 2023-11-21 An altar call to action from the U S senator and senior pastor at Atlanta s Ebenezer Baptist Church Publishers Weekly What is the true nature and mission of the church Is its proper Christian purpose to save souls or to transform the social order This question is especially fraught when the church is one built by an enslaved people and formed from its beginning at the center of an oppressed community s fight for personhood and freedom Such is the central tension in the identity and mission of the Black church in the United States For decades the Black church and Black theology have held each other at arm s length Black theology has emphasized the role of Christian faith in addressing racism and other forms of oppression arguing that Jesus urged his disciples to seek the freedom of all peoples Meanwhile the Black church even when focused on social concerns has often emphasized personal piety rather than social protest With the rising influence of white evangelicalism biblical fundamentalism and the prosperity gospel the divide has become even more pronounced This book traces the historical significance of the rise and development of Black theology as an important conversation partner for the Black church Calling for honest dialogue between Black and womanist theologians and Black pastors this fresh theological treatment demands a new look at the church s essential mission An informative work for historians theologians and humanities scholars interested in debating what the Black Church needs to be doing in the 21st century Journal of African American History As a person who is not Black reading this book provided a learning experience for me I could also see this book serving as a way to spark discussion involving all ethnic groups as to

how we can all as fellow Christians blend the goals of saving lost people and moving the culture toward equality for everyone

Ministry Well written and meticulously researched **The Christian Century Kairos, Crisis, and Global Apartheid** Allan Aubrey Boesak, 2016-01-12 In 1985 the Kairos Document emerged out of the anti apartheid struggle as a devastating critique of apartheid and a challenge to the church in that society This book is a call to discern new moments of crisis discernment and kairos and respond with prophetic resistance to global injustice

Walk Together Children Dwight N. Hopkins, Linda E. Thomas, 2010-01-01 Walk Together Children Black and Womanist Theologies Church and Theological Education draws on the long religious cultural and singing history of blacks in the U S A Through the slavery and emancipation days until now black song has both nurtured and enhanced African American life as a collective whole Community has always included a variety of existential experiences What has kept this enduring people in a corporate process is their walking together through good times and bad relying on what W E B DuBois called their dogged strength to keep from being torn asunder Somehow and somehow they intuited from historical memory or received from transcendental revelation that keeping on long enough on the road would yield ultimate fruit for the journey

What Are You Doing About It? David W. Gill, 2022-09-23 In his memoir What Are You Doing About It ethicist and activist David W Gill takes readers on an exciting inside tour of the academic cultural religious and political landscape in which he has lived and worked for the past several decades From Berkeley to Bordeaux Chicago to Boston from the business trenches and the local church to the seminary and the graduate school of business from marching in the streets to the writer s study from entrepreneurial leadership to institutional challenge Gill never wavered in his mission to promote the ethical insights and values of Jesus and Scripture in the workplace as much as the churchplace This is a story to inspire a new generation of thoughtful activists

Ain't Gonna Let Nobody Turn Me Around Therese Taylor-Stinson, 2017-10-17 Following up on the popularity of the groundbreaking anthology Embodied Spirits Stories of Spiritual Directors of Color this book continues the work of filling a void in the world of contemplative spirituality in stories of the contemplative spiritual journeys of people of color Like the first book Ain t Gonna Let Nobody Turn Me Around incorporates stories from members of their encounters with othering and disparaging treatment across issues and their understandings of contemplative practice and the call to action that follows This volume seeks to give voice to these issues from those whom have lived with them and to seek peace and healing for the unresolved trauma that continues to separate us In a world of resurgent racism and bias against those whose skin color nationality religion gender or sexuality are seen as other these are voices that need to be heard

Black Prophetic Fire Cornel West, Christa Buschendorf, 2015-09-01 An unflinching look at nineteenth and twentieth century African American leaders and their visionary legacies In an accessible conversational format Cornel West with distinguished scholar Christa Buschendorf provides a fresh perspective on six revolutionary African American leaders Frederick Douglass W E B Du Bois Martin Luther King Jr Ella Baker Malcolm X and Ida B Wells In dialogue with Buschendorf West examines the impact

of these men and women on their own eras and across the decades He not only rediscovers the integrity and commitment within these passionate advocates but also their fault lines West in these illuminating conversations with the German scholar and thinker Christa Buschendorf describes Douglass as a complex man who is both the towering Black freedom fighter of the nineteenth century and a product of his time who lost sight of the fight for civil rights after the emancipation He calls Du Bois undeniably the most important Black intellectual of the twentieth century and explores the more radical aspects of his thinking in order to understand his uncompromising critique of the United States which has been omitted from the American collective memory West argues that our selective memory has sanitized and even Santaclausified Martin Luther King Jr rendering him less radical and has marginalized Ella Baker who embodies the grassroots organizing of the civil rights movement The controversial Malcolm X who is often seen as a proponent of reverse racism hatred and violence has been demonized in a false opposition with King while the appeal of his rhetoric and sincerity to students has been sidelined Ida B Wells West argues shares Malcolm X s radical spirit and fearless speech but has often become the victim of public amnesia By providing new insights that humanize all of these well known figures in the engrossing dialogue with Buschendorf and in his insightful introduction and powerful closing essay Cornel West takes an important step in rekindling the Black prophetic fire

From Labor to Reward Martha C. Taylor, 2016-06-24 From Labor to Reward is a pioneering epic and

groundbreaking book that fills a huge void in American religious history black religious history and traditions of the black church Until now no other book has chronicled the rich religious experiences of black church beginnings in the Bay Area Martha C Taylor provides penetrating insight into the early makings of the black church in the Bay Area With attention to detail Taylor captures the joys frustrations and unity of black people who left the segregated Deep South came to the Bay Area seeking freedom only to face similar adversities of segregation racism housing discrimination KKK threats of violence and other socio political barriers Remarkably these early pioneers brought their culture traditions and experiences from the South and built a strong vibrant religious community From Labor to Reward speaks for the legacy of African Americans who were gospel social activists using the church as the anchor Multiple sources of research and interviews were gathered from church records newspaper clippings and other written sources to tell this unknown story This book is sure to be a classic and a must read for all persons interested in history
