On Trial

Annette Gordon-Reed

On Trial:

Pornography on Trial Thomas C. Mackey, 2002-11-05 A survey of the changing and charged relationship between pornography and legislation in 20th century America Groups battling pornography must demonstrate that the products they seek to ban are truly obscene and not legitimately protected by the First Amendment a requirement that often leads to public debate and controversy Author Thomas C Mackey thoroughly examines the problems and issues in public policymaking legal precedents and the people behind them After a brief historical background *Pornography on Trial* surveys and analyzes the leading issues and case law on obscenity from 1957 to the present Half the book consists of documents judicial opinions from key cases There are biographical sketches of key people laws and concepts from Judge Learned Hand and the Hicklin test to Chief Justice Sir Alexander James Edmund Cockburn's judicial definition of obscenity from 1868 The book also includes a chronology a table of cases and an annotated bibliography

The Press on Trial Lloyd E. Chiasson, 1997-08-28 Perhaps no drama catches the interest of the American public more than a spectacular trial Even though the reporting of a crime may quickly diminish in news value the trial lingers while drama builds Although this has become seemingly more pronounced in recent years with the popularity of televised trials public interest in criminal trials was just as high in 1735 when John Peter Zenger defended his right to free speech or in 1893 when Lizzie Borden was tried for the murder of her father and stepmother This book tells the stories of sixteen significant trials in American history and their media coverage from the Zenger trial in 1735 to the O J Simpson trial in 1995 Each chapter relates the history of events leading up to the trial the people involved and how the crimes and subsequent trials were reported

Secession on Trial Cynthia Nicoletti, 2017-10-13 This book focuses on the post Civil War treason prosecution of Confederate President Jefferson Davis which was seen as a test case on the major question that animated the Civil War the constitutionality of secession The case never went to trial because it threatened to undercut the meaning and significance of Union victory Cynthia Nicoletti describes the interactions of the lawyers who worked on both sides of the Davis case who saw its potential to disrupt the verdict of the battlefield against secession In the aftermath of the Civil War Americans engaged in a wide ranging debate over the legitimacy and effectiveness of war as a method of legal adjudication Instead of risking the wrong outcome in the highly volatile Davis case the Supreme Court took the opportunity to pronounce secession unconstitutional in *Texas v White* 1869

Chocolate on Trial Lowell Joseph Satre, 2005 At the turn of the twentieth century Cadbury Bros Ltd was a successful Quaker owned chocolate manufacturer in Birmingham England celebrated for its model village modern factory and concern for employees In 1901 the firm learned that its cocoa beans purchased from Portuguese plantations on the island of S o Tom off West Africa were produced by slave labor *Chocolate on Trial* Cadbury Slavery and the Economics of Virtue in Imperial Britain gives a lively and highly readable account of the events surrounding the libel trial in which Cadbury Bros Ltd sued the London Standard following the newspaper's accusation that the firm was hypocritical in its use of slave grown cocoa As compelling

now as at the turn of the previous century the issues probed by Lowell J Satre give invaluable historical background to contemporary issues of business ethics corporate social responsibility and globalization The story Satre tells illuminates what a stubbornly persistent institution slavery was and shows how Cadbury a company with a well regarded brand name and logo endured ethical dilemmas and challenges to its record for social responsibility Chocolate on Trial brings to life the age old conflict between economic interests and the value of human life Satre illuminates the stubborn persistence of the institution of slavery and shows how Cadbury a company with a well regarded brand name from the nineteenth century faced ethical dilemmas and challenges to its record for social responsibility Chocolate on Trial brings to life the age old conflict between economic interests and regard for the dignity of human life *Race on Trial* Annette Gordon-Reed, 2002 This collection of 12 original essays brings together two themes of American culture law and race Cases discussed include Amistad Dred Scott Regents v Bakke and O J Simpson The President on Trial Sharon Weill, Kim Thuy Seelinger, Kerstin Bree Carlson, 2020-05-27 During the 1980s thousands of Chadian citizens were detained tortured and raped by then President Hiss ne Habr s security forces Decades later Habr was finally prosecuted for his role in these atrocities not in his own country or in The Hague but across the African continent at the Extraordinary African Chambers in Senegal By some accounts Habr s trial and conviction by a specially built court in Dakar is the most significant achievement of global criminal justice in the past decade Simply creating a court and commencing a trial against a deposed head of state was an extraordinary success With its 2016 judgment affirmed on appeal in 2017 the hybrid tribunal in Senegal exceeded expectations working to deadlines and within its budget with no murdered witnesses or self dealing officials This book details and contextualizes the Habr trial It presents the trial and its impact using a novel structure of first person accounts from 26 direct actors Part I accompanied by academic analysis from leading experts on international criminal justice Part II Combined these views present both local and international perspectives through distinct but inter locking parts empirical source material from understudied actors both within and outside the court is then contextualized with expert analysis that reflects on the construction and work of the Extraordinary African Chamber EAC as well as wider themes of international criminal law Together with an introduction laying out the work and significance of the EAC and its trial of Hiss ne Habr the book is a comprehensive consideration of a history making trial *Putting Trials on Trial* Elaine Craig, 2018-02-16 Less than one percent of the sexual assaults that occur each year in Canada result in legal sanction for those who commit these offences Survivors often distrust and fear the criminal justice process and as a result over ninety percent of sexual assaults go unreported Unfortunately their fears are well founded In this thorough evaluation of the legal culture and courtroom practices prevalent in sexual assault prosecutions Elaine Craig provides an even handed account of the ways in which the legal profession unnecessarily and sometimes unlawfully contributes to the trauma and re victimization experienced by those who testify as sexual assault complainants Gathering conclusive evidence from interviews with experienced lawyers across

Canada reported case law lawyer memoirs recent trial transcripts and defence lawyers public statements and commercial advertisements Putting Trials on Trial demonstrates that despite prominent contestations complainants are regularly subjected to abusive humiliating and discriminatory treatment when they turn to the law to respond to sexual violations In pursuit of trial practices that are less harmful to sexual assault complainants as well as survivors of sexual violence more broadly Putting Trials on Trial makes serious substantiated and necessary claims about the ethical and cultural failures of the Canadian legal profession **Legislation on Trial Court System Funding** Gordon A. Anderson,1991 *Jews on trial*

Katherine Aron-Beller,2020-02-28 This electronic version has been made available under a Creative Commons BY NC ND open access license *Jews on trial* concentrates on Inquisitorial activity during the period which historians have argued was the most active in the Inquisition s history the first forty years of the tribunal in Modena from 1598 to 1638 the year of the Jews enclosure in the ghetto Scholars have in the past tended to group trials of Jews and conversos in Italy together This book emphasises the fundamental disparity in Inquisitorial procedure as well as the evidence examined and argues that this was especially true in Modena where the secular authority did not have the power during the period in question to reject or even significantly monitor Inquisitorial trial procedure It draws upon the detailed testimony to be found in trial transcripts to analyse Jewish interaction with Christian society in an early modern community This book will appeal to scholars of inquisitorial studies social and cultural interaction in early modern Europe Jewish Italian social history and anti-Semitism

Addiction on Trial Steven Kassels,2013-11-01 When Downeast local Annette Fiorno is found at the bottom of a ravine outsider and relapsed drug addict Jimmy Sedgwick is accused of murder Unassuming Maine lawyer Rob Hanston and big shot attorney Shawn Marks form an unlikely legal team as they attempt to discredit the overwhelming evidence *Addiction on Trial* the first in a series of Shawn Marks Thrillers revolves around the murder cases of Attorney Marks an egotistical yet likable high powered Boston attorney who can juggle an array of female companions without taking his eye off the legal challenges of his work *Addiction on Trial* is a journey of suspense while exploring love and loss family dysfunction and the what ifs of life It sends a powerful message of societal discrimination toward drug addicts and explores common misperceptions about what drug addiction really is a chronic illness requiring a similar treatment approach as other chronic diseases Medical and behavioral aspects of addiction are woven into the intrigue of this thriller which culminates in a riveting murder trial *Incitement on Trial* Richard Ashby Wilson,2017-08-18 International and national armed conflicts are usually preceded by a media campaign in which public figures foment ethnic national racial or religious hatred inciting listeners to acts of violence *Incitement on Trial* evaluates the efforts of international criminal tribunals to hold such inciters criminally responsible This is an unsettled area of international criminal law and prosecutors have often struggled to demonstrate a causal connection between speech acts and subsequent crimes This book identifies revenge speech as the type of rhetoric with the greatest effects on empathy and tolerance for violence Wilson argues that inciting speech should be

handled under the preventative doctrine of inchoate crimes but that once international crimes have been committed then ordering and complicity are the most appropriate forms of criminal liability Based in extensive original research this book proposes an evidence based risk assessment model for monitoring political speech **Modern women on trial** Lucy Bland,2016-04-30 Modern women on trial looks at several sensational trials involving drugs murder adultery miscegenation and sexual perversion in the period 1918-24 The trials all with young female defendants were presented in the media as morality tales warning of the dangers of sensation seeking and sexual transgression The book scrutinises the trials and their coverage in the press to identify concerns about modern femininity The flapper later became closely associated with the roaring 1920s but in the period immediately after the Great War she represented not only newness and hedonism but also a frightening uncertain future This figure of the modern woman was a personification of the upheavals of the time representing anxieties about modernity and instabilities of gender class race and national identity This accessible extensively researched book will be of interest to all those interested in social cultural or gender history Cancer on Trial Peter Keating,Alberto Cambrosio,2012-02 This title charts the emergence of a clinical field medical oncology for which experimental protocols have become routinized as a form of normal practice **The Book on Trial** Girja Kumar,1997 Existence of the freedom to read write print publish discuss debate and dispute creative writing and dissident writing in India **Contemporary history on trial** Harriet Jones,Kjell Ostberg,Nico Randeraad,2024-07-30 Is it right for historians to serve as expert witnesses to past events Since the end of the Cold War a series of heated and politicised debates across Europe have questioned the truth about painful episodes in the twentieth century From the Holocaust to Srebrenica inquiries and fact finding commissions have become a common device employed by governments to deal with the pressure of public opinion State sponsored programmes of education and research attempt to encourage a common moral understanding of the lessons we learn from these painful memories Contemporary historians have increasingly been drawn into these efforts since 1989 in the courtroom in the media on commissions as advisers In a series of thoughtful essays written by leading historians from across Europe this volume considers the ethics and responsibilities that this new role entails For anyone concerned with the role of the historian in contemporary society and how we arrive at a public understanding of history this book is essential reading A Cloister on Trial Gabriella Erdélyi,2016-03-09 In 1517 the usually tranquil friary in the Hungarian town of Krmend found itself at the centre of controversy when its Augustinian friars charged with drunkenness sexual abuses and liturgical negligence were driven out and replaced with observant Franciscans The agent of change in this conflict cardinal Thomas Bakcz claimed to be acting in the name of cloister reform motivated by a religious agenda while the Augustinians portrayed themselves as the victims of a political game Based on the surviving interrogations of a papal enquiry into these events this book illuminates the tensions and potential conflict that lurked within the religious culture of a seemingly unremarkable and remote town The story of the friary trial of Krmend provides a fascinating window into religion and society of Europe at the

dawn of the Reformation investigating the processes by which ordinary people emerge as historical agents from the written records By focussing on their experiences as represented in the trial documents the book reveals the spaces and borders of individual and communal action within the dynamic of lay clerical relations negotiated in a friary reform at the beginning of the 16th century Furthermore the moral nature of the accusations levelled at the Augustinians and whether these were justified or instigated for political reasons offers further insights into the nature of late medieval Catholicism and the claims of Protestant reformers

Jewish Foreign Trade Officials on Trial Veronica Rozenberg, 2022-03-21 This book deals with six trials conducted by the Romanian state against Jewish key officials employed in state owned import export companies between 1950 and 1960 It begins with a presentation of the political realities of Romania following the Communist Party's rise to power in particular those regarding its relationship with Romania's Jews and Gheorghiu Dej's policy of National Communism Rozenberg describes the criminal procedure used in the staged economic trials follows and then examines this procedure based on the legal system of the period as exemplified by the six analyzed trials The Rom noexport Jewish officials trial is analyzed in depth as the case study of the whole book This book concludes by bringing to light two phenomena that dissipate some mystique surrounding the events first the state's practice of using its legal system as a means of oppressing the population and second the stereotypical image of The Jew which the regime in Romania developed Despite its supposed anti religiosity it held on to centuries old prejudices against Jews as pariahs with supposed allegiance to foreign elements preferred over their surrounding society even to the point of betraying and exploiting their own country

Ilse Koch on Trial Tomaz Jardim, 2023-04-04 An authoritative reassessment of one of the Third Reich's most notorious war criminals whose alleged sexual barbarism made her a convenient scapegoat and obscured the true nature of Nazi terror On September 1 1967 one of the Third Reich's most infamous figures hanged herself in her cell after nearly twenty four years in prison Known as the Bitch of Buchenwald Ilse Koch was singularly notorious having been accused of owning lampshades fabricated from skins of murdered camp inmates and engaging in bestial sexual behavior These allegations fueled a public fascination that turned Koch into a household name and the foremost symbol of Nazi savagery Her subsequent prosecution resulted in a scandal that prompted US Senate hearings and even the intervention of President Truman Yet the most sensational atrocities attributed to Koch were apocryphal or unproven In this authoritative reappraisal Tomaz Jardim shows that while Koch was guilty of heinous crimes she also became a scapegoat for postwar Germans eager to distance themselves from the Nazi past The popular condemnation of Koch and the particularly perverse crimes attributed to her by prosecutors the media and the public at large diverted attention from the far more consequential but less sensational complicity of millions of ordinary Germans in the Third Reich's crimes Ilse Koch on Trial reveals how gendered perceptions of violence and culpability drove Koch's zealous prosecution at a time when male Nazi perpetrators responsible for greater crimes often escaped punishment or received lighter sentences Both in the international press and during her three criminal trials Koch was condemned for her

violation of accepted gender norms and good womanly behavior Koch's sexual barbarism though treated as an emblem of the Third Reich's depravity ultimately obscured the bureaucratized terror of the Nazi state and hampered understanding of the Holocaust

A Treatise on Trial by Jury, Including Questions of Law and Fact John Proffatt, 2024-03-13 Reprint of the original first published in 1880

On Trial: How to Prepare and Succeed Pasquale De Marco, 2025-05-20 In the high stakes arena of trial law where the fates of individuals and the very fabric of justice hang in the balance this comprehensive guide emerges as your unwavering ally illuminating the path to courtroom success Written with the first time trial lawyer in mind this book is an invaluable resource for navigating the complexities of the trial process empowering you to advocate fearlessly on behalf of your clients Within these pages you will find a wealth of practical advice and time tested strategies to equip you for every stage of the trial from the meticulous preparation of your case to the climactic delivery of your closing argument Master the art of jury selection learning to discern those who will be receptive to your arguments and those who may harbor biases that could jeopardize your case Delve into the intricacies of witness examination discovering the secrets of eliciting favorable testimony while effectively neutralizing the impact of hostile witnesses Craft compelling opening statements and closing arguments that resonate with the jury leaving an indelible mark on their minds and swaying them in your favor But this book goes beyond mere trial tactics It delves into the very essence of what it means to be a trial lawyer instilling in you the values of integrity empathy and unwavering commitment to justice You will learn the importance of meticulous preparation attention to detail and the ability to think strategically always staying one step ahead of your adversaries Whether you are a seasoned attorney seeking to refine your skills or a novice embarking on your first trial this book is your indispensable guide to achieving courtroom success Embrace its wisdom absorb its teachings and emerge from each trial with your head held high knowing that you have fought valiantly for your clients and the cause of justice Unleash Your Inner Trial Lawyer and Conquer the Courtroom With this comprehensive guide as your mentor you will Master the Art of Jury Selection Discern jurors who will be receptive to your arguments and identify those who may harbor biases Become a Persuasive Advocate Craft compelling opening statements and closing arguments that resonate with the jury and leave an indelible mark on their minds Unravel the Secrets of Witness Examination Learn to elicit favorable testimony from your witnesses and effectively neutralize the impact of hostile witnesses Navigate the Trial Process with Confidence Prepare meticulously for trial anticipate objections and handle unexpected challenges with grace and poise Embrace the Values of a True Trial Lawyer Uphold the highest ethical standards demonstrate unwavering commitment to justice and advocate fearlessly for your clients Seize this opportunity to transform yourself into a formidable trial lawyer leaving a lasting impact on the courtroom and the lives of your clients If you like this book write a review on google books

When somebody should go to the ebook stores, search creation by shop, shelf by shelf, it is truly problematic. This is why we present the ebook compilations in this website. It will very ease you to look guide **On Trial** as you such as.

By searching the title, publisher, or authors of guide you in reality want, you can discover them rapidly. In the house, workplace, or perhaps in your method can be every best place within net connections. If you direct to download and install the On Trial, it is very simple then, before currently we extend the colleague to buy and make bargains to download and install On Trial correspondingly simple!
