to learn minds just like he witnessed on some of his favorite shows though preferably someplace other than the tiny community in which he grew up As summer fades and September inches closer he reluctantly accepts the only job he s offered a sixth grade teaching position in his hometown of Coleman a small quiet village tucked away in the hills of northern Michigan A wild ride of unexpected trials and awkward moments as a raw first year teacher ensues Besides the rigors of being a first year teacher the challenge of living at home with his parents only adds to his feelings of isolation and loneliness Consumed by doubt and frustration he decides his only option is to quit It s not until he unexpectedly meets a former high school teacher Mr Fritz that he begins to realize he s not alone in his struggles of uncertainty and disillusionment and that there is hope in overcoming these obstacles Will a chance encounter with a favorite former teacher be enough to keep him in the classroom
