One A Myth For Our Time:

Man's Most Dangerous Myth Ashley Montagu, 1997 This new edition contains Montagu's most complete explication of his theory and a thorough updating of previous editions

Jung's Red Book for Our Time Murray Stein, Thomas Arzt, 2021-09-25 The spiritual malaise regnant in today's disenchanted world presents a picture of a polar night of icy darkness as Max Weber wrote already a century ago This collective dark night of the soul is driven by climate change related disasters rapid technological innovations and opaque geostrategic realignments In the wake of what policy analysts refer to as Westlessness the post modern age is characterized by incessant distractions urgent calls to responsibility and in humanly short deadlines which result in a general state of exhaustion and burnout The hovering sense of living in a time frame that is post histoire induces states of confusion on a personal level as well as in the realm of politics Totally missing is a grand narrative to guide humanity's vision in the midst of a world crisis Thinkers scholars and Jungian analysts are increasingly looking to C G Jung's monumental oeuvre The Red Book as a source for guidance to re-enchant the world and to find a new and deeper understanding of the homo religiosus The essays in this series on Jung's Red Book for Our Time Searching for Soul under Postmodern Conditions circle around this objective and offer countless points of entry into this inspiring work

Life Writing and Literary Métissage as an Ethos for Our Times Erika Hasebe-Ludt, Cynthia Chambers, Carleton Derek Leggo, 2009 This book introduces literary métissage as a way to research teach and live ethically with all our relations in our precarious times The authors theorize and perform literary métissage through the praxis of life writing braiding their autobiographical texts in various mixed genres into seven themes Life Writing and Literary Métissage as an Ethos for Our Times explores this writing praxis with its more inclusive and generative notions of knowledge and knowledge practices as a tool for creating more just societies and schools

This Is Our Time Trevin Wax, 2017-03-01 Uncertain Confused Overwhelmed Many Christians feel bombarded by the messages they hear and the trends they see in our rapidly changing world How can we resist being conformed to the pattern of this world What will faithfulness to Christ look like in these tumultuous times How can we be true to the gospel in a world where myths and false visions of the world so often prevail In *This Is Our Time* Trevin Wax provides snapshots of twenty first century American life in order to help Christians understand the times By analyzing our common beliefs and practices smartphone habits entertainment intake and our views of shopping sex marriage politics and life's purpose Trevin helps us see through the myths of society to the hope of the gospel As faithful witnesses to Christ Trevin writes we must identify the longing behind society's most cherished myths what is good true beautiful expose the lie at the heart of these myths what is false and damaging and show how the gospel tells a better story one that exposes the lie but satisfies the deeper longing

Fragments: The Existential Situation of Our Time David Tracy, 2020-04-10 Even as mere fragments these essays are an imaginatively learned feast for virtually anyone interested in modern theologies Modern Theology David Tracy is widely considered one of the most important religious thinkers in North

America known for his pluralistic vision and disciplinary breadth His first book in more than twenty years reflects Tracy's range and erudition collecting essays from the 1980s to 2018 into a two volume work that will be greeted with joy by his admirers and praise from new readers In the first volume *Fragments* Tracy gathers his most important essays on broad theological questions beginning with the problem of suffering across Greek tragedy Christianity and Buddhism The volume goes on to address the Infinite and the many attempts to categorize and name it by Plato Aristotle Rilke Heidegger and others In the remaining essays he reflects on questions of the invisible contemplation hermeneutics and public theology Throughout Tracy evokes the potential of fragments understood both as concepts and events to shatter closed systems and open us to difference and Infinity Covering science literature philosophy psychoanalysis and non Western religious traditions Tracy provides in *Fragments* a guide for any open reader to rethink our fragmenting contemporary culture Tracy demonstrates the range of his philosophical interests in service of theology particularly his profound attention to hermeneutics A rich feast We can be grateful for the insightful essays collected in this volume from one of America's leading theologians *Currents in Theology and Mission* **One** Mary Kingsley, 1998 *Women, Love, and Power* Elaine Baruch, 1992-10 Elaine Baruch is not only among the most quiet voiced and fair minded of feminist writers She is also among the most far ranging in her scholarship equally at ease with the writers of the Renaissance and Freud the medieval troubadours and our contemporary polemicists instructive absorbing and persuasive Diana Trilling A lively mind is at work here and a keen and witty writer too Irving Howe This is a fine collection of essays making many imaginative conjectures and amusing connections *Times Literary Supplement* In these essays what emerges is a history of romantic love Highly recommended *Library Journal* Arguing that romantic love need not be a tool of women's oppression feminist critic Baruch contends that unacknowledged male fantasies about love motivate much literature by men rewarding provocative *Publishers Weekly* Utilizing both Freudian and non Freudian psychoanalysis as well as feminist criticism Baruch examines literary works by women and men from medieval and Romantic periods as well as cultural observations on the twentieth century and how they have influenced attitudes toward love *Imagining Our Time* Lewis P. Simpson, 2007-01-01 Lewis P Simpson towers among scholars of American literary studies as an intellectual historian of the South and American literary culture and a revered essayist His last book *Imagining Our Time* offers a wide ranging erudite and enlightening look at the culture of letters in American society Primarily through an examination of the works of some of the leading writers of the twentieth century many of whom Simpson knew intimately this final volume provides insight into the struggles and concerns unique to prominent American thinkers literary artists and critics contemporary to his own lifetime Often moving from an intriguing anecdote or recollection to a rigorous discussion of ideas Simpson's style is captivating He begins with speculation on Eric Voegelin's interest in Julien Benda's polemic *La Trahison des Clercs* and follows with thoughts on the declining faith in the university as an embodiment of humanistic letters and learning surveying the American Republic as far back as Benjamin

Franklin In successive chapters Simpson pays tribute to Malcolm Cowley as a hero of the literary art and probes Robert Penn Warren's fixation with Thomas Jefferson as manifested in the writing and complete rewriting of *Brother to Dragons*. He ruminates on the vocation of the critic as practiced by Lionel Trilling and Diana Trilling and the literary and cultural politics of the 1930s. Brief portraits of Andrew Lytle and Louis D. Rubin Jr. appear as well as a poignant argument for the autobiographical cast of Eudora Welty's writing. A lengthy riveting consideration of Simpson's friend Walker Percy and Percy's quest for identity as a modern Christian novelist alienated from the society around him forms the core of the volume. Fred Hobson's introduction fittingly rounds out *Imagining Our Time* offering an intimate appreciation of Lewis Simpson who will remain a giant among scholars of southern literary studies. **Honest Faith for Our Time** Jay Harold Ellens, 2010-09-13

This volume is a biblical theological critique of the Apostles' Creed and a development of the role of the Holy Spirit in the church, the world, and the personal experience of Christian faith. It addresses the creed as a historic document, an artifact of early Christian theological development, and a long-standing guide for the form and content of that faith tradition. This book is an appreciation of the Apostles' Creed in terms of its persistent pastoral effect in the church. It is also a criticism of aspects of the creed that are unbiblical and crafted for political or extraneous theological reasons by the bishops of the ancient ecumenical councils. **Andrea and Sylvester** Robert V. Dodge, 2015-10-01

In 1941 a young couple met and fell in love, but one of them was considered Black while the other was considered White. Laws against intermarriage between races had been upheld by every court in the United States since Reconstruction after the Civil War. Andrea and Sylvester, a Mexican American woman and an African American man, challenged these laws and won, and their success inspired changes that ended that taboo. When same-sex marriage became a pressing issue, their case was the precedent that first persuaded the courts to allow it. Thus Andrea and Sylvester can be credited with successfully challenging a second marriage taboo. Dodge sets the scene for their personal drama and traces how their example helped establish the momentum toward more liberal marriage laws throughout the United States, culminating with the 2015 Supreme Court's decision to allow same-sex marriage. This is the story of a couple that has received too little attention for the impact they have had on society and law. Andrea, a Mexican girl, met Sylvester, a Black man working on an assembly line during World War Two. Both were second-generation Los Angeles residents who suffered from discrimination in a city dominated by white superiority and the center of the eugenics movement. This book discusses their case and factors that led to the court decision. Their victory broke the logjam on racial intermarriage, and states began eliminating their prohibitions. After 19 years, the U.S. Supreme Court declared all laws prohibiting interracial marriage invalid. Andrea and Sylvester were soon dating and in love. When they went to get a marriage license, their application was rejected. A quirk in California law declared Mexicans White for certain purposes. They challenged the constitutionality of laws preventing marriages between races, though no case had been successful since the 1800s. This book discusses their case and factors that led to the court decision. Their victory broke the logjam on racial

intermarriage and states began eliminating their prohibitions After 19 years the U S Supreme Court declared all laws prohibiting interracial marriage invalid After the Stonewall riots and when AIDS raised legal questions for many partners same sex marriage became an issue for more couples One response that states commonly gave was to pass laws defining marriage as a contract between a woman and a man and the federal government adopted this position Opponents of same sex marriage frequently said this was a new phenomenon and it involved unnatural behavior though same sex couples have been known for over 4000 years and the same had been said of those who advocated interracial marriage Some blamed natural disasters and war deaths on homosexuals as God s revenge Massachusetts was first to declare the law preventing same sex marriage unconstitutional and the precedent relied on most heavily was the case of Andrea and Sylvester as their past was revived to challenge a second marriage taboo California ruled next and again frequently called on Andrea and Sylvester s case for support That got things rolling and 37 states have approved same sex marriage through legislative action or court decision The US Supreme Court s decision will determine whether the final 13 also are included T
