One Afternoon at Mezzegra Peter Whittle, 1969 Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office, 1972 **Five Days That Shocked the World** Nicholas Best, 2012-01-17 In the momentous days from April 28 to May 2 1945 the world witnessed the death of two Fascist dictators and the fall of Berlin Mussolini's capture and execution by Italian partisans the suicide of Adolf Hitler and the fall of the German capital signaled the end of the four year war in the European Theater In *Five Days That Shocked the World* Nicholas Best thrills readers with the first person accounts of those who lived through this dramatic time In this valuable work of history the author's special achievement is weaving together the reports of famous and soon to be famous individuals who experienced the war up close We follow a young Walter Cronkite as he parachutes into Holland with a Canadian troop photographer Lee Miller capturing the evidence of Nazi atrocities the future Pope Benedict returning home and hoping not to get caught and shot after deserting his infantry unit Audrey Hepburn no longer having to fear conscription into a Wehrmacht brothel and even an SS doctor's descriptions of a decadent sex orgy in Hitler's bunker In skillfully synthesizing these personal narratives Best creates a compelling chronicle of the five earth shaking days when Fascism lost its death grip on Europe With this vivid and fast paced narrative the author reaffirms his reputation as an expert on the final days of great wars **Assassinations and Murder in Modern Italy** S. Gundle, 2007-10-15 An extraordinary series of murders and political assassinations has marked contemporary Italian history from the killing of the king in 1900 to the assassination of former prime minister Aldo Moro in 1978 This book explores well known and lesser known assassinations and murders in their historical political and cultural contexts *Mussolini* Ray Moseley, 2004-06-30 In his last days Mussolini the tyrant was in the grip of anger shame and depression The German armed forces that had sustained his puppet government since its creation in September 1943 were being inexorably driven out of Italy the frontiers of his Fascist republic were shrinking daily and Mussolini was aware that German military leaders were negotiating with the Allies behind his back in neutral Switzerland Moseley's well researched and highly engaging tome throws light on the last twenty months of the despot's life and culminates with the dramatic capture and execution of Mussolini and his mistress Claretta Petacci by partisans of the Italian resistance on April 28 1945 World War II Leaders: a Historical and Astrological Study Joseph Howard Tyson, 2011-07-19 Author Joseph Howard Tyson who has written biographies of William Penn Madame Helena P Blavatsky Dietrich Eckart and Adolf Hitler admits to being a closet astrologer In *World War II Leaders A Historical Astrological Study* he puts Astrology to the test by juxtaposing biographical sketches of Mussolini Hitler Stalin Emperor Hirohito Churchill and Franklin Roosevelt with detailed interpretations of their natal charts On another level this work sets forth six different perspectives on the Second World War from the standpoints of Germany Italy Russia Japan Britain and America Those interested in history and the occult will find this book an unforgettable reading experience *Claretta* R. J. B. Bosworth, 2017-01-01 A master historian illuminates the tumultuous relationship of Il Duce

and his young lover Claretta whose extraordinarily intimate diaries only recently have become available Few deaths are as gruesome and infamous as those of Benito Mussolini Italy's fascist dictator and Claretta or Clara Petacci his much younger lover Shot dead by Italian partisans after attempting to flee the country in 1945 the couple's bodies were then hanged upside down in Milan's main square in ignominious public display This provocative book is the first to mine Clara's extensive diaries family correspondence and other sources to discover how the last in Mussolini's long line of lovers became his intimate and how she came to her violent fate at his side R J B Bosworth explores the social climbing of Claretta's family her naive and self interested commitment to fascism her diary's graphically detailed accounts of sexual life with Mussolini and much more Brimful of new and arresting information the book sheds intimate light not only on an ordinary extraordinary woman living at the heart of Italy's totalitarian fascist state but also on Mussolini himself *The New York Times Book Review*, 1970
