Pauls Gospel And Mission The Outlook From His Letter To The Romans:

Paul's Gospel and Mission Arland J. Hultgren, 1985

Mission and Moral Reflection in Paul Michael D.

Barram, 2006 The Apostle Paul sought to exert his influence and authority over the congregations he founded long after they had been established Such ongoing oversight by Christianity's prototypical evangelist has not been adequately understood In a brief 1987 article W Paul Bowers challenged John Knox's assertion that Paul's pastoral and administrative work irked him and that he wanted to be free of it This book confirms and significantly develops Bowers's little known thesis examining a wide range of passages in the apostle's undisputed letters and highlighting crucial implications of Paul's broadly conceived vocation for understanding his mission and moral reflection

Paul's Letter to the Romans Arland J. Hultgren, 2011-05-16

Building on his own translation from the Greek Hultgren walks readers through Romans verse by verse illuminating the text with helpful comments probing into major puzzles and highlighting the letter's most inspiring features He also demonstrates the forward looking missional character of Paul's epistle written as Hultgren suggests to introduce Roman Christians to the major themes of Paul's theology and to inspire in them both confidence in the soundness of his teaching and support for his planned missionary efforts in Spain

Moo. Fifteen years in the making, this groundbreaking work is organized into three major sections. Part 1 provides an overview of the issues involved in doing biblical theology in general and a Pauline theology in particular. Here Moo also sets out the methodological issues, formative influences, and conceptual categories of Paul's thought. Part 2 moves on to Paul's New Testament writings, where Moo describes each Pauline letter with particular relevance to its theology. Part 3 offers a masterful synthesis of Paul's theology under the overarching theme of the gift of the new realm in Christ. Engaging, insightful, and wise, this substantive evangelical treatment of Paul's theology offers extensive engagement with the latest Pauline scholarship without sacrificing its readability. Paul's Understanding of the Church's Mission Robert L. Plummer, 2006-06-01 Did Paul expect his churches to engage in evangelistic activity which mirrored his own? Or have modern readers of the Bible wrongly projected Paul's apostolic passion upon the communities that he founded? Such is the charge of several recent authors, and if their thesis is correct, nothing could have larger implications for how the modern church engages in mission. In this book, Robert L. Plummer engages in a careful study of Paul's letters to determine if the apostle expected the communities to which he wrote to engage in outward directed missionary activity. Plummer helpfully summarizes the discussion to date on the debated issue, judiciously handles contested texts, and provides a way forward in addressing this critical question. While admitting that Paul rarely explicitly commands the communities he founded to evangelize, Plummer amasses significant incidental data to provide a convincing case that Paul did indeed expect his churches to engage in outward directed missionary activity. Throughout the study, Plummer progressively builds a theological basis for the church's mission that is both compelling and distinctively Pauline.

The Apostle Paul and His Letters Edwin D. Freed, 2014-12-05 The Apostle Paul and His Letters presents a detailed examination of the apostle's seminal writings in the Book of Acts. Paul was writing primarily to converts who had joined church communities only recently, mostly forsaking either Judaism or paganism. Paul's emphases on faithfulness toward God, the faithfulness of Jesus, and his moral teachings are always primary themes. The book discusses a range of topics, the circumstances that led Paul to write each letter, Paul's emphasis on the morality of the believers to whom he was writing, the influence of Old Testament Qumran

and pagan writings on Paul's own intellectual and cultural context of the time and how careful attention to Paul's language can shed light on his meaning. This book is written for a wide range of interested readers including students, pastors, church workers, and others interested in learning about Paul as a person and his work. *The Letters of Paul* Charles B. Puskas, 1993. A Michael Glazier book. Includes bibliographical references. p. 194-216.

The Divine-Human Relationship in Romans 1-8 in the Light of Interdependence Theory Yoonjong Kim, 2020-11-12. Yoonjong Kim analyses the divine-human relationship in Paul's theology focusing on Paul's portrayal of the relationship in Romans 1-8. Kim stresses that previous studies of this relationship have not paid sufficient attention to the fact that it is not static but rather exhibits progression and development towards a goal. To address the significance of the human agent's role in the relationship, Kim employs a social psychological theory, interdependence theory, offering a consistent analytic framework for diagnosing the interactions in a dyadic relationship in terms of the dependency created by each partner's expectations of outcomes. Kim explores several key stages of the divine-human relationship and the direction in which the relationship develops throughout Romans 1-8 in order to highlight the significance of the human partners in the course of the development. He focuses in particular on betrayal (1:18-3:20), restoration (3:21-26), the oppressive relationship with Sin (5:12-8:11), and the investment for the future (8:12-39) and concludes that although the foundation of the relationship rests on God's initiative, the divine outworking guides the relationship so that it facilitates mutual participation of the human partners in the restoration and development of the relationship toward the ultimate goal.

The Background And Contents Of Paul's Cultic Atonement Metaphors Stephen Finlan, 2004. This examination of Gentile and Jewish religious and literary descriptions of sacrificial and expulsion rituals provides a useful background to the study of Paul's metaphorical use of sacrifice and scapegoat to characterize the significance of the death of Jesus. In addition to offering an overview of Paul's use of cultic metaphors and an assessment of Paul's synthesis of martyrology and cultic metaphor, this work shows how Paul uses still other metaphors: acquittal, reconciliation, adoption, to picture the beneficial after-effects of that death. Paperback edition is available from the Society of Biblical Literature, www.sbl-site.org.

Reclaiming Mission as Constructive Theology Paul S. Chung, 2012-03-09. Reclaiming Mission as Constructive Theology offers a compelling case for the need to integrate God's mission and missional church conversation with a public and post-colonial study of World Christianity. Driven by a commitment to publicly engaged theology that takes seriously the reality of Global Christianity, Paul Chung presents a vital new model for understanding the mission of God as a dynamic word-event. This is argued in conversation with contemporary missional theology and analysis of the development of Global Christianity and as such brings important transcultural issues to bear on contemporary American conversations about the missional church. All of this serves to innovatively stimulate this missional church conversation and more directly address the various questions that arise in pursuing mission in a multiculturalized American society. Election of the Lesser Son David R. Wallace, 2014. Chapter 911 of Romans remains one of the most contested biblical texts in

scholarship today Theological discussions often limit the focus of this passage to Gods sovereignty or to Pauls defense of Gods faithfulness but less attention has been devoted to the form and style Wallace demonstrates how Paul weaves two distinct Jewish literary forms together lament and midrash into a logical narrative concerning Israels salvation Attention is given to Pauls poetical structures key literary terms and use of Old Testament contexts Studies in Paul, Exegetical and Theological Richard N. Longenecker, 2004 *Maccabean Martyr Traditions in Paul's Theology of Atonement* Jarvis J. Williams, 2010-01-01 In an age in which scholars continue to produce books on the nature and significance of Jesus s death books that often assume the Old Testament cult was the New Testament authors primary background for their conception of Jesus s death Jarvis J Williams offers a fresh and novel contribution regarding both the nature of and background influences behind Paul s conception of Jesus s death He argues that Paul s conception of Jesus s death both as an atoning sacrifice and as a saving event for Jews and Gentiles was significantly influenced by Maccabean Martyr Theology To argue his thesis Williams engages in an intense exegesis of 2 and 4 Maccabees while also interacting with other Second Temple Jewish texts that are relevant to his thesis Williams further interacts with relevant Old Testament texts and the key texts in the Pauline corpus He argues that the authors of 2 and 4 Maccabees present the deaths of the Jewish martyrs during the reign of Antiochus Epiphanes IV as atoning sacrifices and as a saving event for Israel He further argues that although the Old Testament s cultic language certainly influenced Paul s understanding of Jesus s death at certain junctures in his letters the Old Testament cult alone which emphasized animal sacrifices cannot fully explain why or even how Paul could conceive of Jesus s death a human sacrifice as both an atoning sacrifice and a saving event for Jews and Gentiles Finally Williams highlights the lexical theological and conceptual parallels between Martyr Theology and Paul s conception of Jesus s death Even if scholars disagree with Williams s thesis or methodology serious Pauline scholars interested in the background influences behind and the nature and significance of Jesus s death in Paul s theology will want to interact with this work
