Judgments: Reproductive Justice Rewritten Kimberly Mutcherson, 2020-04-16 Reproductive justice theory made real through re imagining critical cases addressing pregnancy parenting and the law s treatment of marginalized women

Without Justice For All Adolph Reed, 2018-02-12 Without Justice for All The New Liberalism and Our Retreat from Racial Equality questions examines and explains the way a new orthodoxy of American leaders has contributed to the social stratification and inequality which plagues America today By looking at the history of our social policies since the New Deal as well as the status of specific policy arenas essayists show how political shifts over the past fifty years have moved us away from a more egalitarian politics Throughout the book responds critically to the now conventional argument that liberalism must be reconfigured in ways that retreat from immediate identification with the interests of labor minorities and the poor From a look at federal housing policy and the failure of New Deal social programs to an examination of long established public assistance programs and Affirmative Action Without Justice for All is a timely and important contribution to the dialogue on race in modern America **Welfare in America** Stanley W. Carlson-Thies, James W. Skillen, 1996 Discusses the current issue of welfare reform and shares views on what the church s position should be **Justice and Gender** Deborah L. RHODE, Deborah L Rhode, 2009-06-30 This is the first book to provide a comprehensive investigation of gender and the law in the United States Deborah Rhode describes legal developments over the last two centuries against a background of historical and sociological changes in women s activities and attitudes toward these new developments She shows the way cultural perceptions of gender influence and in turn are influenced by legal constructions and what this complicated interaction implies about the possibility or impossibility of using law as a tool of social change Table of Contents Introduction Part One Historical Frameworks 1 Natural Rights and Natural Roles Domesticity as Destiny The Emergence of a Feminist Movement Nineteenth Century Legal Ideology Separate and Unequal 2 The Fragmentation of Feminism and the Legalization
