Put Down And Ripped Off:

R.I.P. Off! Ken West, 2013-10-01 Can the British laugh in the face of death and funerals Do they really want to know what happens when they hand their body over to the men in black You are a short time alive and a long time dead Go on risk it read this irreverent fictionalised tale of real and astonishing events beginning in 1993 At times deadly serious at times deadly funny It s the mysterious world of the funeral directors as they try to kill off burial under trees and oppose DIY funerals It s a world of embalming pink glitzy shrouds crappy coffins brawling at funerals and girl power Nobody s resting in peace It spawns a revolution but twenty years later who is really in control Find out if you dare Having been involved with over 100 000 funerals and keeping detailed diaries of incidents that truly happened to him Ken West has become somewhat of an expert on the matter R I P Off provides a unique insight into the world of death and funerals that readers cannot gain by any other means R I P Off features the impact of divorce religious dogma and belief road and drug deaths family disputes poverty obesity health and longevity commercialism and how death has a significant environmental impact It shows how people deal with death in a myriad of ways an approach that attempts to demistify death to some degree Written as a counter view to Jessica Mitford s The American Way of Death West s novel is an easy read that sets the scene for the UK s own industry which is acknowledged as a world leader in green and alternative funerals The book will appeal to those with a penchant for black humour who enjoy television programmes such as Six Feet Under and who possess a not always healthy morbid interest in death and dying

Purity's Big Payoff / Premarital Sex Is a Big Rip-Off Donna Lee Schillinger, 2011-05 Winner 2012 Christian Small Publisher s Book of the Year in young adult 12 18 category Add this book to your arsenal in the battle to remain pure The most difficult task in the life of a Christian single today is maintaining purity until marriage The payoff is perfect love and sex just as our Creator intended But if that s so awesome why aren t more people choosing it And how can premarital sex be so bad if so many people are doing it and loving it People who were virgins when they married aren t usually the type to kiss and tell And when premarital sex goes wrong no one wants to Tweet it This awkward silence from both contingents isn t helping the next generation to decide well on the issue of premarital sex Purity s Big Payoff Premarital Sex is a Big Rip off is a collection of 17 first person narratives about successfully waiting for marriage to have sex or not Contributors on both sides of the issue candidly share in face reddening detail what they learned on their way to the wedding bed Young people aiming to remain pure will be encouraged and learn practical strategies for resisting sexual temptation Those who wish they had waited will learn that it s never too late to restore purity with God s grace This book is two faced One side is dedicated to purity then turned over and flipped upside down the other side is dedicated to premarital sex Thus the last page of the purity book is immediately followed by the last page of the premarital sex book but upside down and vice versa Got it

The Rip-Off Jim Thompson, 2024-09-24 Britton Rainstar never knew he could love a woman as deeply as he does Manuela Aloe and be so terrified of her at the same time It s not just that he thinks she s out of his league It s

more that the longer he stays with her the closer to death he seems to come A vicious dog is somehow let loose in his hotel room He s threatened at gunpoint by a man in a skeleton costume And when he finally ends up in the hospital someone pushes his wheelchair down the stairs Nothing anything like this has ever happened to Britt before and while Manuela s never around when the so called accidents happen neither can Britt prove she s behind the many threats on his life Is a rival for Manuela s affections trying to chase him away Is there more to Manuela herself than meets the eye Whatever it is Britt better find out fast before whoever s after him hits their mark and the man who never thought he d land the ultimate girl ends up paying the ultimate price

Torjussen,2017-04-18 A jaw dropping novel of psychological suspense that asks If the love of your life disappeared without a trace how far would you go to find out why Hannah Monroe s boyfriend Matt is gone His belongings have disappeared from their house Every call she ever made to him every text she ever sent every photo of him and any sign of him on social media have vanished It s as though their last four years together never happened As Hannah struggles to get through the next few days with humiliation and recriminations whirring through her head she knows that she ll do whatever it takes to find him again and get answers But as soon as her search starts she realizes she is being led into a maze of madness and obsession Step by suspenseful step Hannah discovers her only way out is to come face to face with the shocking truth READERS GUIDE INSIDE

Multifactorial Analysis in Corpus Linguistics Stefan Thomas Gries,2005-04-29 This book presents a novel analysis of the word order alternation of English transitive phrasal verbs Particle Movement from a cognitive functional and psycholinguistic perspective Its main objective however is a methodological one namely to demonstrate the superiority of corpus based multifactorial and probabilistic approaches to grammatical phenomena over traditional analyses based on acceptability judgements and minimal pair tests The advantages resulting from the advocated multifactorial approach to Particle Movement are Particle Movement can be described at a previously unknown level of detail all determinants ever proposed to govern the alternation can be integrated into a single hypothesis explaining the alternation constructions can be compared to each other with respect to their degree of prototypicality and similarity it is possible to actually predict with a high degree of accuracy which of the two word orders native speakers will subconsciously choose in the natural production of speech and text thereby passing the most rigorous test conceivable finally competing hypotheses can be compared in terms of their predictive power Apart from these methodological points the study also addresses the more theoretical and linguistic question of how to explain such results It is argued that theories of language production that rest on the notion of processing effort are contrary to some contemporary analysts not ideally suited to explain such phenomena and that interactive

activation models of language production allow for a more elegant interpretation and implementation of the results

Flappers 2 Rappers Tom Dalzell, 2012-03-07 Entertaining highly readable book pulses with the vernacular of young Americans from the end of the 19th century to the present Alphabetical listings for each decade plus fascinating sidebars about language and culture **The Woman Who Toils** Marie Van Vorst, John Mrs. Van Vorst, 2022-11-22 The Woman Who Toils is a fascinating investigative journalism account conducted by two sisters Bessie and Marie Van Vorst In writing the book they began an undercover investigation into women and child factory laborers by finding jobs in factories under aliases Bessie worked in a plant in Perry New York a knitting mill near Buffalo and a Pittsburgh pickle factory among other places using the name Esther Kelly Marie Van Vorst found employment in a shoe factory in Lynn Massachusetts and a cotton mill in Columbia South Carolina under the alias Bell Ballard In their book the Van Vorsts portrayed the troublesome working and living conditions they had observed and their consequences for women and girls Bessie appealed for a more compassionate attitude towards these employees Van Vorst also noted that factory women enjoyed the independence afforded them by paid labor and therefore delayed marrying I never saw a baby nor heard of a baby while I was in town Van Vorst wrote after nearly three weeks spent in Perry She also discussed sociability and the discipline of factory work as a dangerous alternative to family unity
