Biblical Doctrine John MacArthur, Richard Mayhue, 2017-01-13 Long Awaited Systematic Theology by Well Known Pastor Author and President of the Master s Seminary Doctrine isn t just for theologians it s important for every Christian because it shows us who God is and how we should live Systematizing the robust theology that has undergirded John MacArthur s well known preaching ministry for decades this overview of basic Christian doctrine covers topics such as God the Father Jesus Christ the Holy Spirit the Bible salvation and more Comprehensive in scope yet written to be accessible to the average reader with non technical vocabulary minimal footnotes and a helpful bibliography this volume offers Christians a solid foundation for what they believe and why The Ministry, Vol. 06, No. 01 Various Authors, 2002-01-01 This is a special combined issue January February of The Ministry It contains a complete record of the messages given in Anaheim California during the 2001 Winter Training on the Crystallization study of Ephesians These messages are being published immediately following the training in order that they might benefit the saints participating in the many video trainings held throughout the earth Because of the specific nature of this issue the usual section of reports concerning the Lord s move throughout the earth has been omitted The burden for the twelve messages given during the 2001 Winter Training on the Crystallization study of Ephesians may be summarized by four statements 1 the dispensing of Christ is for the gradual building up of His Body and the transmitting of Christ is for the sudden raising up of God s churches 2 God s eternal intention is to head up all things in Christ the universal Head through the church which is His Body 3 the oneness of the Spirit must be kept diligently by all the believers in Christ with the transformed human virtues strengthened and enriched by and with the divine attributes and 4 as the unlimited immeasurable Christ makes His home in our hearts we are filled unto all the fullness of God the ultimate corporate expression of the Triune God Book 7 Revelation PB Kurt Jurgensmeier, 2012-08-22 How and why has God spoken to us Our purpose in this book is to provide a biblical study of the various types and purposes of the myriad of different methods of divine revelation In the process we endeavor to answer such critical and controversial questions as How do we know when God is speaking What has been the progression of divine revelation What are the only two methods of revelation that God uses to communicate to all of humanity Why is Scripture so authoritative and sufficient for the Christian life What are the several vital but often neglected ways that God speaks to us apart from Scripture How does God expect us to make decisions and does He have a personal will for our lives that cannot be found in Scripture Does God speak to us by planting thoughts in our mind *Colossians & Philemon Revisited* James E. Heine,2002-12-05 This important study provides the first English translation of both the surviving fragments of Origen s Commentary on Ephesians and of the complete text of Jerome s Commentary on Ephesians The two translations are placed parallel to one another where they treat the same texts in Ephesians thus showing Jerome s extensive dependence on Origen s commentary By using collateral texts from other works of Origen Jerome and Rufinus the author is able to show Jerome s dependence on Origen in numerous passages in his commentary where the Greek text of Origen s commentary is lost The translation is accompanied by Heine s illuminating commentary and a substantial introduction sets the works in their historical context The book makes a significant contribution not only to scholarship on Origen and Jerome but also to the wider question of the interpretation of scripture in the early Christian centuries **Don't Make Me Count to Three** Ginger
