McHale**

Pynchon And Mason Dixon:

Mason & Dixon Thomas Pynchon, 2012-06-13 A novel that is as moving as it is cerebral as poignant as it is daring Michiko Kakutani The New York Times *Mason Dixon* like *Huckleberry Finn* like *Ulysses* is one of the great novels about male friendship in anybody's literature John Leonard The Nation Charles Mason 1728 1786 and Jeremiah Dixon 1733 1779 were the British surveyors best remembered for running the boundary between Pennsylvania and Maryland that we know today as the Mason Dixon Line Here is their story as reimaged by Thomas Pynchon featuring Native Americans and frontier folk ripped bodices naval warfare conspiracies erotic and political major caffeine abuse Unreflectively entangled in crimes of demarcation *Mason Dixon* take us along on a grand tour of the Enlightenment's dark hemisphere from their first journey together to the Cape of Good Hope to pre Revolutionary America and back to England into the shadowy yet redemptive turns of their later lives through incongruities in conscience parallaxes of personality tales of questionable altitude told and intimated by voices clamoring not to be lost Along the way they encounter a plentiful cast of characters including Benjamin Franklin George Washington and Samuel Johnson as well as a Chinese feng shui master a Swedish irredentist a talking dog and a robot duck The quarrelsome daring mismatched pair *Mason* as melancholy and Gothic as *Dixon* is cheerful and pre Romantic pursues a linear narrative of irregular lives observing and managing to participate in the many occasions of madness presented them by the Age of Reason **A *Mason & Dixon* Companion** Brett Biebel, 2024-06-01 *Mason Dixon* might be Thomas Pynchon's most human book Its main characters are richly drawn and they center the narrative Yet the novel is also packed with historical allusions and an eighteenth century vernacular that some readers may find difficult to navigate A *Mason Dixon Companion* offers this navigation line by line unpacking Pynchon's puns his many references and his pet themes Brett Biebel provides a contextual map episode by episode summaries and page by page annotations explaining allusions defining obscure vocabulary and illuminating the book's major themes The goal is to help readers work their way through a difficult yet remarkably rewarding novel from one of American literature's most significant writers In a voice that's both relaxed and informed the *Companion* illuminates what Harold Bloom called Pynchon's late masterpiece It crystallizes the prescience of *Mason Dixon* situating the novel within Pynchon's broader oeuvre while being fun to read in its own right

Pynchon and *Mason & Dixon* Brooke Horvath, Irving Malin, 2000 Essays on the contemporary American novelist's most recent work *The Multiple Worlds of Pynchon's Mason & Dixon* Elizabeth Jane Wall Hinds, 2009 New essays examining the interface between 18th and 20th century culture both in Pynchon's novel and in the historical past Thomas Pynchon's 1997 novel *Mason Dixon* went further using the same style wit and erudition to re create an 18th century when America was being formed as both place and idea Pynchon's focus on the creation of the Mason Dixon Line and the governmental and scientific entities responsible for it makes a clearer statement than any of his previous novels about the slavery and imperialism at the heart of the Enlightenment as he levels a dark and hilarious critique at this America This volume of new

essays studies the interface between 18th and 20th century culture both in Pynchon's novel and in the historical past. It offers fresh thinking about Pynchon's work as the contributors take up the linkages between the 18th and 20th centuries in studies that are as concerned with culture as with the literary text itself. Contributors: Mitchum Huehls, Brian Thill, Colin Clarke, Pedro Garcia Caro, Dennis Lensing, Justin M. Scott, Coe Ian, Copestake, Frank Palmeri, Elizabeth Jane Wall, Hinds. Hinds is Professor and Chair of the English Department at SUNY Brockport.

Mason & Dixon & Pynchon Charles Clerc, 2000-10-04 Charles Clerc's *Mason Dixon* Pynchon is the first book-length critical study of Thomas Pynchon's latest novel. Clerc's study approaches the novel from a variety of perspectives including historical and literary. Substantial attention is paid to the historical time period of *Mason Dixon*. A survey of over 50 critical responses to the book and excerpts from the journal of *Mason and Dixon* are also included.

Mason and Dixon Thomas Pynchon, 1998-04-30 Charles Mason 1728-1786 and Jeremiah Dixon 1733-1779 were the British surveyors best remembered for running the boundary between Pennsylvania and Maryland that we know today as the Mason-Dixon Line. Here is their story as reimagined by Thomas Pynchon featuring Native Americans and frontier folk, ripped bodices, naval warfare, conspiracies, erotic and political, and major caffeine abuse. We follow the mismatched pair, one rollicking, the other depressive, one Gothic, the other pre-Romantic, from their first journey together to the Cape of Good Hope to pre-Revolutionary America and back through the strange yet redemptive turns of fortune in their later lives on a grand tour of the Enlightenment's dark hemisphere as they observe and participate in the many opportunities for insanity presented them by the Age of Reason.

Thomas Pynchon Harold Bloom, 2003 A collection of critical essays on Thomas Pynchon's work.

Mason & Dixon Thomas Pynchon, 2009 A Mason & Dixon Companion Brett Biebel, 2024-06 *Mason Dixon* might be Thomas Pynchon's most human book. Its main characters are richly drawn and they center the narrative. Yet the novel is also packed with historical allusions and an eighteenth-century vernacular that some readers may find difficult to navigate. *A Mason Dixon Companion* offers this navigation line by line, unpacking Pynchon's puns, his many references, and his pet themes. Brett Biebel provides a contextual map, episode by episode summaries, and page by page annotations explaining allusions, defining obscure vocabulary, and illuminating the book's major themes. The goal is to help readers work their way through a difficult yet remarkably rewarding novel from one of American literature's most significant writers. In a voice that's both relaxed and informed, the Companion illuminates what Harold Bloom called Pynchon's late masterpiece. It crystallizes the prescience of *Mason Dixon*, situating the novel within Pynchon's broader oeuvre while being fun to read in its own right.

Mason i Dixon Thomas Pynchon, 2005 **The Cambridge Companion to Thomas Pynchon** Inger H. Dalsgaard, Luc Herman, Brian McHale, 2012 This essential Companion to Thomas Pynchon provides all the necessary tools to unlock the challenging fiction of this postmodern master.

Bound to Please Michael Dirda, 2005 A showcase of one hundred of the world's most significant books, offers the author's introductory essays on such writers as James Boswell, Colette, and Joseph Roth, and includes explorations of a range of genres and specific works.

After the End

of History Samuel Cohen, 2009-10-01 In this bold book Samuel Cohen asserts the literary and historical importance of the period between the fall of the Berlin wall and that of the Twin Towers in New York With refreshing clarity he examines six 1990s novels and two post 9 11 novels that explore the impact of the end of the Cold War Pynchon's *Mason Dixon* Roth's *American Pastoral* Morrison's *Paradise* O'Brien's *In the Lake of the Woods* Didion's *The Last Thing He Wanted* Eugenides's *Middlesex* Lethem's *Fortress of Solitude* and DeLillo's *Underworld* Cohen emphasizes how these works reconnect the past to a present that is ironically keen on denying that connection Exploring the ways ideas about paradise and pastoral difference and exclusion innocence and righteousness triumph and trauma deform the stories Americans tell themselves about their nation's past *After the End of History* challenges us to reconsider these works in a new light offering fresh insightful readings of what are destined to be classic works of literature At the same time Cohen enters into the theoretical discussion about postmodern historical understanding Throwing his hat in the ring with force and style he confronts not only Francis Fukuyama's triumphalist response to the fall of the Soviet Union but also the other literary and political end of history claims put forth by such theorists as Fredric Jameson and Walter Benn Michaels In a straightforward affecting style *After the End of History* offers us a new vision for the capabilities and confines of contemporary fiction **Mason & Dixon & Lyotard**

Barbara Reber, 2008 **The American Mystery** Tony Tanner, 2000-03-16 A collection of essays by the late Tony Tanner on a wide range of key American authors Pynchon's California Scott McClintock, John Miller, 2014-11-01 Pynchon's *California* is the first book to examine Thomas Pynchon's use of California as a setting in his novels Throughout his 50 year career Pynchon has regularly returned to the Golden State in his fiction With the publication in 2009 of his third novel set there the significance of California in Pynchon's evolving fictional project becomes increasingly worthy of study Scott McClintock and John Miller have gathered essays from leading and up and coming Pynchon scholars who explore this topic from a variety of critical perspectives reflecting the diversity and eclecticism of Pynchon's fiction and of the state that has served as his recurring muse from *The Crying of Lot 49* 1965 through *Inherent Vice* 2009 Contributors explore such topics as the relationship of the California novels to Pynchon's more historical and encyclopedic works the significance of California's beaches deserts forests freeways and hieroglyphic suburban sprawl the California inspired noir tradition and the surprising connections to be uncovered between drug use and realism melodrama and real estate private detection and the sacred The authors bring insights to bear from an array of critical social and historical discourses offering new ways of looking not only at Pynchon's California novels but at his entire oeuvre They explore both how the history geography and culture of California have informed Pynchon's work and how Pynchon's ever skeptical critical eye has been turned on the state that has been in many ways the flagship for postmodern American culture CONTRIBUTORS Hanjo Berressem Christopher Coffman Stephen Hock Margaret Lynd Scott MacLeod Scott McClintock Bill Millard John Miller Henry Veggian **More Critical**

Approaches to Comics Matthew J. Smith, Matthew Brown, Randy Duncan, 2019-08-20 In this comprehensive textbook editors

Matthew J Brown Randy Duncan and Matthew J Smith offer students a deeper understanding of the artistic and cultural significance of comic books and graphic novels by introducing key theories and critical methods for analyzing comics Each chapter explains and then demonstrates a critical method or approach which students can then apply to interrogate and critique the meanings and forms of comic books graphic novels and other sequential art Contributors introduce a wide range of critical perspectives on comics including disability studies parasocial relationships scientific humanities queer theory linguistics critical geography philosophical aesthetics historiography and much more As a companion to the acclaimed *Critical Approaches to Comics Theories and Methods* this second volume features 19 fresh perspectives and serves as a stand alone textbook in its own right More *Critical Approaches to Comics* is a compelling classroom or research text for students and scholars interested in Comics Studies Critical Theory the Humanities and beyond

The Fiction of Postmodernity Stephen Baker, 2000-06-07 *The Fiction of Postmodernity* is a significant and accessible study of the relation of postmodern fiction to theories of the postmodern Contemporary works of fiction by novelists such as Don DeLillo Toni Morrison Salman Rushdie Thomas Pynchon and Martin Amis are viewed in relation to critiques of the culture industry analyses of the postmodern condition and theories of simulacra The work of influential theorists of the postmodern such as Theodor Adorno Jean Fran ois Lyotard Fredric Jameson and Jean Baudrillard is explained and compared The book offers descriptions of the postmodern from both the Marxist critical tradition and from the perspective of postmarxism Key features in both these definitions are explained in relation to modernist and postmodern works of fiction Issues relating to the postmodern representation of history and the development of a postmodern politics are also addressed in relation to works of contemporary fiction

Mason y Dixon Thomas Pynchon, 2014-10-14 La pera magna de Thomas Pynchon el gran escritor de culto A finales del siglo XVIII el melanc lico astr nomo Charles Mason y el exultante top grafo Jeremiah Dixon dos brit nicos a sueldo de la Royal Society trazaron la l nea que separaba los estados entonces colonias de Pennsylvania y Maryland conocida a n hoy como la L nea Mason Dixon Su peripecia contada por el magistral Thomas Pynchon se convierte en un retrato pico y par dico de los albores de la Edad Contempor nea con indios feroces y rudos colonos batallas navales y exploraciones terrestres conjuras jesu ticas y erotismo desenfrenado hilarantes apariciones de George Washington fumando marihuana Benjamin Franklin y Samuel Johnson y donde se descubren desde maquinaciones pol ticas hasta el origen del ketchup

Rewriting Early America Christopher K. Coffman, 2018-11-27 Recent poems and fictions set in the early Americas are typically read as affirmations of cultural norms as evidence of the impossibility of genuine engagement with the historical past or as contentious repudiations of received histories Inspired particularly by Mihai Spairosu s arguments regarding literary playfulness as an opening to peace *Rewriting Early America The Prenational Past in Postmodern Literature* adopts a different perspective with the goal of demonstrating that many recent literary texts undertake more constructive and hopeful projects with regard to the American past than critics usually recognize While honoring writers pervasive

critiques of hegemony this volume trades a preoccupation with antagonism for an interest in restoration and recuperation It describes how texts by John Barth John Berryman Susan Howe Toni Morrison Paul Muldoon Thomas Pynchon and William T Vollmann harness the ambiguities of the colonial past to find sociocultural possibilities that operate beyond the workings of power and outside the politics of difference Throughout this book remains devoted to uncovering the moments at which contemporary writers proffer visions of American communities defined not by marginalization and oppression but by responsive understanding and inclusion
