

A historical photograph, tinted in a monochromatic blue-grey color, showing a medical mission inside a large tent. In the center, a man in a white coat and cap, likely a doctor, is seated at a wooden table, looking down at a patient. The patient is lying on the table, their head tilted back. To the left, another person is seated, looking towards the doctor. To the right, a third person is seated, looking away. The tent's interior is visible, with various medical supplies and equipment on the table and shelves in the background. The overall scene depicts a medical examination or treatment in a field setting.
