

When to Coach

VS

When to Mentor

Application:

- Share processes, skills, or knowledge
- Take corrective action to avoid mistakes

Situation:

- In the moment education
- Planned training session
- Expectation setting meeting

Consider:

Is this the right time and place?
Is this a new skill or addressing mistakes?
Are there options in the process?
Is the task and outcome clear?

Application:

- Personal and Career growth
- Taking on a new project
- Sharing non-performance related advice

Situation:

- Long-term goal-setting
- Next job or career
- Building leadership skills

Consider:

Do I have time to mentor?
Is the mentee's ask clear?
Who is the best mentor for this person?
Does this mentorship align with my skills, experience, and goals?

Coaching and Mentoring at Work: Developing Effective Practice Mary Connor, Julia Pokora, 2017-07-16 The third edition of this popular practical and authoritative book has been revised and updated with two new chapters It is aimed at coaches mentors and clients and features Nine key principles of effective coaching and mentoring showing how to apply them Discussion of differences between coaching and mentoring across different contexts and sectors Ideas about how to be an effective coach or mentor and how to be an effective client Self development checklists and prompts and a wealth of interactive case material New chapter on useful approaches and models The Skilled Helper model and how to apply it to coaching and mentoring A range of tried and tested tools and techniques Ethical issues reflective practice and supervision New chapter in which coaches and mentors share experiences from Business Health Education the Public Sector So many people think that mentoring is simple you just pass on what you know from the pinnacle of your wisdom and experience In fact when well done it is the art that conceals art Similarly there is an art in making what is not simple sound accessible and

do able which is exactly what this book does It breaks the news very gently and very clearly that successful mentoring and coaching is nothing like as easy as it looks either to be a good mentor or to be a good mentee Throughout the book the message is clear being a coach or mentor is very different from the expert helper role familiar to most managers a lot more difficult and a lot more effective and here is how to do it Jenny Rogers Executive Coach and author of Coaching Skills The Definitive Guide to Being a Coach Fourth Edition Open University Press 2016 UK The third edition of Coaching Mentoring at Work has been revised and updated There are two new chapters Coaching Mentoring Approaches and Models and Glimpses of Coaches and Mentors at Work Readers of the previous editions have valued the focus on effective and ethical practice as well as the clear links between principles approaches skills tools techniques and interactive case examples This latest edition continues to be an excellent resource for coaching and mentoring purchasers providers and students Gerard Egan Professor Emeritus Loyola University Chicago USA It is great to see this new updated edition of Mary Connor and Julia Pokora s book which shows how much is developing and changing in this fast moving field Peter Hawkins Professor of Leadership Henley Business School Chairman of Renewal Associates author of many books including Creating a Coaching Culture Open University Press 2012 and Leadership Team Coaching 2014 UK This new edition from Connor and Pokora has some new and interesting additions In the ten years since the first edition much has happened in the coaching and mentoring world The highlighting of ethical issues in Part 1 of the book recognises that the coaching and mentoring worlds have become much more aware of ethical concerns The addition of insights into the variety of models for coaching and mentoring and the practical nature of Part 2 of the book is welcome and the shift of focus in Part 3 to Coach and Mentor Development reflects contemporary debate Written in a practical and accessible style this book is a must for those working with coaching and mentoring Professor Bob Garvey Managing Partner The Lio Partnership UK When this book was first published in 2007 it immediately became an invaluable reference and source of guidance for the part of my work involved with the development mentoring of engineers and engineering project management professionals The restructured content and additional material provided by the third edition Sports Coaching Anita Navin,2011-10-18 Sport plays a crucially important role in our

society and the benefits of participating in sport and physical activity are widely acknowledged in terms of personal health and well being Coaching makes a key contribution to sport helps to promote social inclusion and participation and assists athletes in achieving performance targets Accordingly this authoritative and comprehensive reference work will be widely welcomed Written by acknowledged experts it presents a detailed analysis of performance and good coaching practice and performance and provides a concise overview of the coaching process from a scientific and pedagogical perspective

Complete Training Robin Hoyle,2013-05-03 The training and development needs of any workforce vary dramatically between the generations and levels even so far as the style of communication needed to be effective At the same time training budgets are tighter than ever before and training departments are increasing marginalised as informal learning in a

cyber workplace grows So how can you tackle the challenges of this environment effectively Complete Training looks at the employee life cycle and posits a series of training challenges and opportunities relevant across each stage from new hires to the minence rise of the organisation the objective is to enable learning and development practitioners to build individual capability and an organisation with a memory continually learning from its own endeavours By looking at how learning organisations succeed complete training seeks to re position L D as central to the business central to strategy and central to the organization s mission
