

Models Of Desire Rene Girard And The Psychology Of Mimesis

**Joel Hodge, Scott Cowdell, Chris
Fleming, Carly Osborn**

Models Of Desire Rene Girard And The Psychology Of Mimesis:

Models of Desire Paisley Livingston,1992 **Models of Desire** Paisley Livingston,1992 One of the signal achievements of Livingston s investigation is to highlight distinctions qualifications and nuances in Girard s own writings that to date have gone largely unnoticed and that ultimately further the scientific potential of his ideas by *René Girard's Mimetic Theory* Wolfgang Palaver,2013-01-01 A systematic introduction into the mimetic theory of the French American literary theorist and philosophical anthropologist Ren Girard this essential text explains its three main pillars mimetic desire the scapegoat mechanism and the Biblical difference with the help of examples from literature and philosophy This book also offers an overview of Ren Girard s life and work showing how much mimetic theory results from existential and spiritual insights into one s own mimetic entanglements Furthermore it examines the broader implications of Girard s theories from the mimetic aspect of sovereignty and wars to the relationship between the scapegoat mechanism and the question of capital punishment Mimetic theory is placed within the context of current cultural and political debates like the relationship between religion and modernity terrorism the death penalty and gender issues Drawing textual examples from European literature Cervantes Shakespeare Goethe Kleist Stendhal Storm Flaubert Dostoevsky Proust and philosophy Plato Camus Sartre L vi Strauss Derrida Vattimo Palaver uses mimetic theory to explore the themes they present A highly accessible book this text is complemented by bibliographical references to Girard s widespread work and secondary literature on mimetic theory and its applications comprising a valuable bibliographical archive that provides the reader with an overview of the development and discussion of mimetic theory until the present day **Psychology and the Meconnaissance of Desire** Lisa Danner Finlay,2011 Ren Girard critiques psychologists for their m connaissance or misunderstanding of human desire He theorizes that rather than a linear relationship between a subject and an object chosen for its inherent value desire is a radically imitative profoundly interpersonal phenomenon that results in conflict when desires coalesce on objects that cannot be shared The ramifications of Girard s mimetic theory challenge several foundational assumptions in psychology including the idea of an independent autonomous self and the notion of psychological symptoms and interpersonal problems as manifestations of intrapsychic conflict Incorporating mimetic theory into existing theories of mental illness and treatment provides a valuable corrective for the practice of psychotherapy particularly in terms of conceptualizing psychopathology navigating the therapeutic relationship and guiding therapeutic interventions The author s goal is to evaluate mimetic theory and translate it into concepts and techniques that therapists can utilize within their preferred treatment modalities It is argued that ultimately incorporating mimetic theory into treatment should include a cooperative effort to evaluate the models that shape clients desires and that this can help clients learn to adopt good models conscientiously a process that goes beyond the boundaries of a neutral secular psychotherapy and into the realms of theology and ethics Keywords mimesis desire violence psychotherapy *Rene Girard and Myth* Richard Golsan,2014-06-11 In this comprehensive introduction to

the work of contemporary French critic Rene Girard Richard Golsan focuses on Girard's theory of myth and its connections to his broader exploration of the origins of suffering and violence in Western culture Golsan highlights two of Girard's primary concepts mimetic desire and the scapegoat and employs the concepts to illustrate the ways Girardian analysis of violence in biblical classical and folk myths has influenced recent work in theology psychology literary studies and anthropology The book concludes with an interview between Golsan and Girard who offers his own analysis of the appropriation and criticism of his work by a politically and intellectually diverse company of scholars

James Alison and a Girardian Theology John P. Edwards, 2020-05-14 Opening with a Foreword by James Alison this volume is the first in depth treatment of Alison's theological method John P Edwards shows that Alison's theological project outstrips Ren Girard's application of mimetic theory to theology He concludes that an explicitly Christian theological perspective is necessary for providing a fully coherent account of Girard's notions of conversion and mimetic desire This volume grounds Alison's theological method in his understanding of the ongoing interaction between conversion and theological reflection which is informed by his use of mimetic theory While Alison describes this method as theology in the order of the discovery the author refers to it as an inductive theology The volume closes by demonstrating that such a theology bears fruit in a renewed understanding of the value of Christian doctrines and particularly the doctrine of revelation

Mimesis and Science Scott R. Garrels, 2011-10-31 This exciting compendium brings together for the first time some of the foremost scholars of Ren Girard's mimetic theory with leading imitation researchers from the cognitive developmental and neuro sciences These chapters explore some of the major discoveries and developments concerning the foundational yet previously overlooked role of imitation in human life revealing the unique theoretical links that can now be made from the neural basis of social interaction to the structure and evolution of human culture and religion Together mimetic scholars and imitation researchers are on the cutting edge of some of the most important breakthroughs in understanding the distinctive human capacity for both incredible acts of empathy and compassion as well as mass antipathy and violence As a result this interdisciplinary volume promises to help shed light on some of the most pressing and complex questions of our contemporary world

Mimetic Theory and Biblical Interpretation Michael Hardin, 2017-06-19 For close to two thousand years Christian theology has been captivated by a sacrificial rendering of the Gospel that renders God as retributive arbitrary and Janus faced In the past fifty years a non sacrificial way of perceiving the Gospel God and the mission and message of Jesus has challenged this sacrificial hegemony Now what began as a trickle in the 1960s has burst the dam and the Gospel is on a collision course with Christianity What are some of the implications of this moment What is the integral cohesion in a non sacrificial theology ethics and spirituality What does Christian doctrine look like if one removes retributive economies of exchange

Selfhood and Sacrifice Andrew O'Shea, 2010-04-08 **A Genealogy of Violence and Religion** James Bernard Murphy, 2018-04-11 Why are religious rituals symbols and rhetoric so full of images of blood sacrifice and death Why does religious fervor so

often lead to Holy War Crusade and Jihad No wonder many people assume that religion tends to give rise to violence But what if it were the other way around What if violence actually gave rise to religion So argued the French literary theorist and anthropologist Rene Girard 1923 2015 Described as the Darwin of the human sciences he was elected to the French Academy in 2005 for his seminal theories of sacred violence Girard argued that religious practices function to sublimate regulate and discharge human violence in controlled rituals Where does violence come from According to Girard from the social nature of human desire itself We desire things only because others desire them so desire is inherently rivalrous leading to violent conflict But if a scapegoat can be found then this war of all against all turns into a war of all against one Social order claimed Girard stems from the unity of a lynch mob Religious rituals then serve to commemorate the primordial murder of the scapegoat What are we to make of Girard's provocative claims about human desire violence scapegoat killings and religion Political philosopher James Bernard Murphy presents here a series of sharp and witty dialogues in which Girard attempts to defend his ideas against attacks by rival theorists among them Sigmund Freud William James Simone Weil Elias Canetti and Joseph de Maistre Whatever we might think of his answers Girard asks challenging unsettling questions In these illuminating and lively exchanges Girard squares off with the titans of social theory

Clever as Serpents Jim Grote, 1997 Centuries ago Thomas Aquinas remarked that there can be no joy in life if there is no joy in one's work Drawing upon the seminal insights of Rene Girard Clever as Serpents confronts this timeless issue of finding peace in one's work and offers practical guidance on how people acting together can cultivate virtuous business Clever as Serpents provides ethical insight in business life the job market and office politics revealing that business culture while often corrupt can be transformed through the practice of asceticism It suggests that instead of renouncing worldly comforts and retreating to a monastery business asceticism embraces and masters the discomforts of business life through disciplined and unique approach to the rigors of the competitive marketplace Clever as Serpents is divided into two parts theory and strategy Chapters one through five deal with a unique approach to management theory and the behavior of financial markets It first examines the myths that hide the reality of the marketplace Chapter two examines the myth of freedom chapter three the myth of competition With these myths exposed chapters four and five examine the secret of the marketplace through the theories of borrowed desire and the management complex Chapters six through ten deal with practical techniques for dealing with the jungle of office politics Chapter six relates the theory of borrowed desire to the dynamics of office gossip Chapters seven through nine offer practical tips on surviving office politics becoming successful and redeeming the marketplace through ethical action For the many people who experience the workplace as frustrating or unfair struggle with office politics as well as the question of whether their workday lives have any religious significance or spiritual depth this work provides concrete suggestions for practicing an ethics of survival of success and of service Jim Grote works in stewardship and development for a Roman Catholic archdiocese He has taught business ethics and philosophy at several colleges and universities Co author of Theology and

Technology he has written articles for the Catholic Worker Church Cistercian Studies Quarterly Cross Currents and Spirituality Today John McGeeney an attorney for a financial services company has worked in securities law for a Fortune 500 company and for a large social service organization in New York City

René Girard and Creative Mimesis Vern Neufeld Redekop, Thomas Ryba, 2013-11-21 For half a century Ren Girard's theories of mimetic desire and scapegoating have captivated the imagination of thinkers and doers in many fields as an incisive look into the human condition particularly the roots of violence In a 1993 interview with Rebecca Adams he highlighted the positive dimensions of mimetic phenomena without expanding on what they might be Now two decades later this groundbreaking book systematically explores the positive side of mimetic theory in the context of the multi faceted world of creativity Several authors build on Adams insight that loving mimesis can be understood as desiring the subjectivity of the other particularly when the other may be young or wounded With highly nuanced arguments authors show how mimetic theory can be used to address child and adult development including the growth of consciousness and a capacity to handle complexity Mimetic theory is brought to bear on big questions about creativity in nature evolutionary development originality and religious intrusion into politics

Violence, Desire, and the Sacred, Volume 2 Scott Cowdell, Chris Fleming, Joel Hodge, 2014-01-30 This collection of state of the art interpretations of the thought of Ren Girard follows on from the volume *Violence Desire and the Sacred* Girard's Mimetic Theory Across the Disciplines 2012 The previous collection has been acclaimed for demonstrating and showcasing Girard's mimetic theory at its inter disciplinary best by bringing together scholars who apply Girard's insights in different fields This new volume builds on and extends the work of that earlier collection by moving into new areas such as psychology politics classical literature national literature and practical applications of Girard's theory in pastoral spiritual care peace making and religious thought and practice

Studies in 20th Century Literature, 1994

How We Became Human Pierpaolo Antonello, Paul Gifford, 2015-10-01 From his groundbreaking *Violence and the Sacred* and *Things Hidden since the Foundation of the World* Ren Girard's mimetic theory is presented as elucidating the origins of culture He posits that archaic religion or the sacred particularly in its dynamics of sacrifice and ritual is a neglected and major key to unlocking the enigma of how we became human French philosopher of science Michel Serres states that Girard's theory provides a Darwinian theory of culture because it proposes a dynamic shows an evolution and gives a universal explanation This major claim has however remained underscrutinized by scholars working on Girard's theory and it is mostly overlooked within the natural and social sciences Joining disciplinary worlds this book aims to explore this ambitious claim invoking viewpoints as diverse as evolutionary culture theory cultural anthropology archaeology cognitive psychology ethology and philosophy The contributors provide major evidence in favor of Girard's hypothesis Equally Girard's theory is presented as having the potential to become for the human and social sciences something akin to the integrating framework that present day biological science owes to Darwin something compatible with it and complementary to it in accounting for the still

remarkably little understood phenomenon of human emergence Sacrifice and the Body John Dunnill, 2016-04-08 What is sacrifice For many people today the word has negative overtones suggesting loss or death or violence But in religions ancient and modern the word is linked primarily to joyous feasting which puts people in touch with the deepest realities How has that change of meaning come about What effect does it have on the way we think about Christianity How does it affect the way Christian believers think about themselves and God John Dunnill's study focuses on sacrifice as a physical event uniting worshippers to deity Bringing together insights from social anthropology biblical studies and Trinitarian theology Dunnill links to debates in sociology and cultural studies as well as the study of liturgy Through a positive view of sacrifice Dunnill contributes to contemporary Christian debates on atonement and salvation **Does Religion Cause Violence?** Joel

Hodge, Scott Cowdell, Chris Fleming, Carly Osborn, 2017-12-28 One of the most pressing issues of our time is the outbreak of extremist violence and terrorism done in the name of religion This volume critically analyses the link made between religion and violence in contemporary theory and proposes that religion does not have a special relation to violence in opposition to culture ideology or nationalism Rather religion and violence must be understood with relation to fundamental anthropological and philosophical categories such as culture desire disaster and rivalry Does Religion Cause Violence explores contemporary instances of religious violence such as Islamist terrorism and radicalization in its various political economic religious military and technological dimensions as well as the legitimacy and efficacy of modern cultural mechanisms to contain violence such as nuclear deterrence Including perspectives from experts in theology philosophy terrorism studies and Islamic studies this volume brings together the insights of René Girard the premier theorist of violence in the 20th century with the latest scholarship on religion and violence particularly exploring the nature of extremist violence

René Girard and the Nonviolent God Scott Cowdell, 2018-11-30 In his latest book on the ground breaking work of René Girard 1923-2015 Scott Cowdell sets out a new perspective on mimetic theory and theology he develops the proposed connection between Girardian thought and theological dramatic theory in new directions engaging with issues of evolutionary suffering and divine providence inclusive Christian uniqueness God's judgment nonviolent atonement and the spiritual life Cowdell reveals a powerful illuminating and life enhancing synergy between mimetic theory and Christianity at its best With religion widely seen as increasingly violent and intransigent the true Christian emphasis on divine solidarity mercy and healing is in danger of being lost René Girard provides a countervailing voice He emerges from Cowdell's study not only as a necessary dialogue partner for theology today but as a global prophet offering hope and challenge in equal measure René Girard was a Catholic cultural theorist whose mimetic theory achieved a powerful symbiosis of social science with scripture and theology yielding a unique perspective on humanity's origins violent history and future prospects Cowdell maps this synergy revealing theological themes present from Girard's earliest writings to the latest less familiar publications He resolves a number of theological challenges to Girard's work engaging mimetic theory in fruitful dialogue with key themes

movements and thinkers in theology today Bringing a distinctive Anglican voice to a largely Catholic debate Cowdell gives an orthodox theological account of Girard's intellectual achievement bearing witness to Christianity's nonviolent God This book will be of great interest to theologians seminarians and clergy of all traditions Girardians and Christian peace activists

The Libertine's Progress Pierre Saint-Amand, 1994 The Libertine's Progress is a comprehensive and concise study of the eighteenth century French novel providing a fresh look at amorous relations and offering a radical presentation of the dark side of the Enlightenment In his preface to the new edition Rene Girard writes of Pierre Saint Amand's successful rendering of the *essai classique* Not a word in his book is superfluous not a turn of phrase is selected for rhetorical effect That is why he writes so elegantly Maintaining that the eighteenth century was the last period to practice the art of seduction Saint Amand examines the complex relationship between desire and the ploys of those who seek to satisfy it He writes about the magic that permeated the imagination of Enlightenment novelists and about the obscurity of amorous passion placing modern seduction back in its archaic beginnings This edition of the 1987 French publication has been substantially revised and extended in an elegant translation by Jennifer Curtiss Gage

Plateaus of Freedom Mark Kristmanson, 2003-01-01 This book is a cultural studies reading of Canadian culture and its security dimension during the Second World War and then later the Cold War Kristmanson uses a wide variety of evidence to construct a provocative argument about the formation and maturity of the Canadian state during the time period other historians have characterized as Canada's evolution from colony to nation

This is likewise one of the factors by obtaining the soft documents of this **Models Of Desire Rene Girard And The Psychology Of Mimesis** by online. You might not require more become old to spend to go to the ebook opening as without difficulty as search for them. In some cases, you likewise complete not discover the publication Models Of Desire Rene Girard And The Psychology Of Mimesis that you are looking for. It will categorically squander the time.

However below, in the same way as you visit this web page, it will be so unconditionally easy to get as well as download lead Models Of Desire Rene Girard And The Psychology Of Mimesis

It will not tolerate many grow old as we run by before. You can get it though fake something else at home and even in your workplace. in view of that easy! So, are you question? Models Of Desire Rene Girard And The Psychology Of Mimesis Introduction

In today's digital age, the availability of Models Of Desire Rene Girard And The Psychology Of Mimesis books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Models Of Desire Rene Girard And The Psychology Of Mimesis books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Models Of Desire Rene Girard And The Psychology Of Mimesis books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Models Of Desire Rene Girard And The Psychology Of Mimesis versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Models Of Desire Rene Girard And The Psychology Of Mimesis books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Models Of Desire Rene Girard And The Psychology Of Mimesis books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain,

meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Models Of Desire Rene Girard And The Psychology Of Mimesis books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Models Of Desire Rene Girard And The Psychology Of Mimesis books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Models Of Desire Rene Girard And The Psychology Of Mimesis books and manuals for download and embark on your journey of knowledge?

FAQs About Models Of Desire Rene Girard And The Psychology Of Mimesis Books

What is a Models Of Desire Rene Girard And The Psychology Of Mimesis PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Models Of Desire Rene Girard And The Psychology Of Mimesis PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Models Of Desire Rene Girard And The Psychology Of Mimesis PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Models Of Desire Rene Girard And The Psychology Of Mimesis PDF to**

another file format? There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Models Of Desire Rene Girard And The Psychology Of Mimesis PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
