If the Ocean Has a Soul Rachel G. Jordan,2025-06-03 The ocean is filled with scientific discoveries and God s presence For marine biologist Rachel Jordan both science and Scripture are means of knowing creation and Creator In *If the Ocean Has a Soul* Rachel considers the natural world through a spiritual lens meshing marine biology with biblical truths in a keen and current take on faith and science With engaging storytelling and deep knowledge of the Bible she asks and answers questions like How can Christians reconcile religion and science when the two seem opposed What do suffering and death teach us about the character of Jesus How do we care for the environment when there seems to be little hope for repair What do the ocean and its sea creatures specifically reveal about God In these pages Rachel recounts fascinating aquatic phenomena alongside the sometimes humorous sometimes tragic stories of animals she has known You ll lose yourself in the shadows of an underwater labyrinth hear spiritual wisdom from a great grandmother coral the size of a Volkswagen Beetle and fall in love with Porky the pudgy porcupinefish greeting visitors at the Windjammer shipwreck And along the way you ll see how the promise of restoration unfolds in both physical and spiritual ways Rachel s thoughtful scientific and theological insights encourage us to know the Creator of the sea and everything in it
