Om Shalom Judaism And Krishna Consciousness:

Om Shalom Jacob N. Shimmel, Steven Rosen, 1990 *The Jewish Encounter with Hinduism* Alon

Goshen-Gottstein, 2017-08-01 Hinduism has become a vital other for Judaism over the past decades The book surveys the history of the relationship from historical to contemporary times from travellers to religious leadership It explores the potential enrichment for Jewish theology and spirituality as well as the challenges for Jewish identity *Indo-Judaic Studies in the Twenty-First Century* N. Katz, R. Chakravarti, B. Sinha, S. Weil, 2007-04-02 This collection analyzes the affinities and interactions between Indic and Judaic civilizations from ancient to contemporary times The contributors propose a new global understanding of commerce and culture to reconfigure how we understand the way great cultures interact and

present a new constellation of diplomacy literature and geopolitics **The Jedi in the Lotus** Steven Rosen, 2010 The Jedi in the Lotus is the first ever examination of the Star Wars universe from a Hindu perspective illuminating many hitherto undiscovered aspects of the background and meaning of the widely acclaimed film series We are shown how its creators were influenced by the famed mythologist Joseph Campbell whose reading of the ancient Indian Epics the Ramayana and Mahabharata can be seen throughout the Star Wars films This book also demonstrates how the metaphysical understanding of the Jedi Knights and the divinity conceived of as the Force have resonances with teachings passed down by Hindu gurus and mystics for centuries and how fantastic worlds and technology similar to that of the Star Wars universe were described in myths that are millennia old and may even have had some basis in reality Finally The Jedi in the Lotus shows us how the Hindu traditions at the basis of Star Wars offer an alternative vision to the purely materialistic soulless world of modernity Steven J Rosen Satyaraja Dasa is an initiated disciple of His Divine Grace A C Bhaktivedanta Swami Prabhupada He is also founding editor of the Journal of Vaishnava Studies and associate editor of Back to Godhead He has published twenty one books in numerous languages including the recent Essential Hinduism Rowman The Yoga of Kirtan Conversations on the Sacred Art of Chanting FOLK Books 2008 and Krishna s Other Song A New Look at the Uddhava Gita Praeger Greenwood 2010 In conclusion I can only say that The Jedi in the Lotus is a breakthrough book when it comes to understanding the mythic depth of the Star Wars epics Steven J Rosen uses his masterful grasp of the Eastern traditions to explain the secrets of the most successful film series ever This book also shows us why Joseph Campbell loved the wisdom tales from India and for those who found the Star Wars adventures memorable this is a truly illuminating book Dr Jonathan Young from the Foreword [Between Jerusalem and Benares](#) Hananya Goodman, 1994-01-01 This book stands at the crossroads between

Jerusalem and Benares and opens a long awaited conversation between two ancient religious traditions It represents the first serious attempt by a group of eminent scholars of Judaic and Indian studies to take seriously the cross cultural resonances among the Judaic and Hindu traditions The essays in the first part of the volume explore the historical connections and influences between the two traditions including evidence of borrowed elements and the adaptation of Jewish Indian

communities to Hindu culture The essays in the second part focus primarily on resonances between particular conceptual complexes and practices in the two traditions including comparative analyses of representations of Veda and Torah legal formulations of dharma and halakhah and conceptions of union with the Divine in Hindu Tantra and Kabbalah **Back to Godhead** ,1991 **The Journal of Indo-judaic Studies** ,2002 *Index to Jewish Periodicals* ,1999 An author and subject index to selected and American Anglo Jewish journals of general and scholarly interests Essays on Vaiṣṇavism in Bengal Rahul Peter Das,1997 Shofar ,1997 *The Fifty-Eighth Century* Shohama Wiener,1996-10 To find more information on Rowman Littlefield titles please visit us at www.rowmanlittlefield.com *Whitaker's Book List* ,1991 **Whitaker's Books in Print** ,1998 *Journal of Vaiṣṇava Studies* ,1998 Bee Season Myla Goldberg,2002-08-13 Eliza Naumann a seemingly unremarkable nine year old expects never to fit into her gifted family her autodidact father Saul absorbed in his study of Jewish mysticism her brother Aaron the vessel of his father s spiritual ambitions and her brilliant but distant lawyer mom Miriam But when Eliza sweeps her school and district spelling bees in quick succession Saul takes it as a sign that she is destined for greatness In this altered reality Saul inducts her into his hallowed study and lavishes upon her the attention previously reserved for Aaron who in his displacement embarks upon a lone quest for spiritual fulfillment When Miriam s secret life triggers a familial explosion it is Eliza who must order the chaos Myla Goldberg s keen eye for detail brings Eliza s journey to three dimensional life As she rises from classroom obscurity to the blinding lights and outsized expectations of the National Bee Eliza s small pains and large joys are finely wrought and deeply felt Not merely a coming of age story Goldberg s first novel delicately examines the unraveling fabric of one family The outcome of this tale is as startling and unconventional as her prose which wields its metaphors sharply and rings with maturity The work of a lyrical and gifted storyteller Bee Season marks the arrival of an extraordinarily talented new writer *Law of the European Convention on Human Rights* David John Harris,Michael O'Boyle,Ed Bates,Carla Buckley,2023 This seminal text offers a comprehensive account of the case law of the ECHR and its underlying principles It provides a guide to decisions under the Convention and its protocols article by article as well as explaining the history and likely development of the law **Longman Guide to Living Religions** Ian Charles Harris,1994 The Encyclopedia of Caribbean Religions Patrick Taylor,Frederick I. Case,2013-04-30 The Encyclopedia of Caribbean Religions is the definitive reference for Caribbean religious phenomena from a Caribbean perspective Generously illustrated this landmark project combines the breadth of a comparative approach to religion with the depth of understanding of Caribbean spirituality as an ever changing and varied historical phenomenon Organized alphabetically entries examine how Caribbean religious experiences have been shaped by and have responded to the processes of colonialism and the challenges of the postcolonial world Systematically organized by theme and area the encyclopedia considers religious traditions such as Vodou Rastafari Sunni Islam Sanatan Dharma Judaism and the Roman Catholic and Seventh day Adventist churches Detailed subentries present topics such as religious rituals beliefs practices

specific historical developments geographical differences and gender roles within major traditions Also included are entries that address the religious dimensions of geographical territories that make up the Caribbean Representing the culmination of more than a decade of work by the associates of the Caribbean Religions Project The Encyclopedia of Caribbean Religions will foster a greater understanding of the role of religion in Caribbean life and society in the Caribbean diaspora and in wider national and transnational spaces

A Hindu-Jewish Conversation Rachel Fell McDermott, Daniel F. Polish, 2024-02-15 A Hindu Jewish Conversation Root Traditions in Dialogue is a historical theological and phenomenological engagement of the Hindu and Jewish traditions two root traditions that give rise to other in some ways very different types of religious traditions Rachel Fell McDermott and Daniel F Polish explore conceptions of the divine which are frequently cited as the most serious obstacle to a serious theological engagement between the two traditions differences in attitude towards heroes saints and holy people the religious resources and challenges experienced by Hindu and Jewish women what can be learned about Hindu and Jewish spiritual outpouring by comparing Hindu devotional poetry and the Book of Psalms the ways in which the two traditions address the fraught question of theodicy or why bad things happen to good people the status of the land and nationalist claims on it and the uncomfortable question of caste and its possible social parallels in the Jewish tradition The authors weave considerations of these topics into an ongoing conversation that offers students of both traditions new ways of thinking both about their intersections and about the history of religion in general A coda explores these same issues by recounting an actual series of discussions convened between Hindu and Jewish practitioners Zeitschrift der Deutschen Morgenländischen Gesellschaft Deutsche Morgenländische Gesellschaft, 1993
