Tesla For Beginners Robert I. Sutherland-Cohen, 2016-11-08 The father of modern day electricity and considered by some to be the ultimate mad scientist Nikola Tesla filed nearly 300 patents in his lifetime Many of these patents resulted in functioning inventions others were little more than wide-eyed dreams or still await possible development Tesla For Beginners examines the man behind the alternating current and wireless technologies who traveled from Serbia by steamship to arrive in the United States with only four cents in his pocket It was in the early 1880s at the tail end of the Industrial Revolution and the beginning of the Second Industrial Revolution that America beckoned him Nikola Tesla a poet

of invention left behind a vast and intriguing legacy He was a scientist physicist mathematician electrical engineer and extensively published author who spent his last decades scraping for funding for celestial projects and living out his final days in penurious solitude with a pigeon C.S. Lewis for Beginners Louis Markos,2022-06-05 C S Lewis For Beginners is a thorough examination of C S Lewis the greatest Christian apologist of the twentieth century throughout his career as an author and as a professor at Oxford University A Christian apologist defends Christianity as a consistent and coherent worldview that squares with human reason history and desire It offers answers to every facet of our lives on earth as well as answers to our questions about what happens after we die What makes C S Lewis unique as an apologist is the way he balanced so perfectly reason and imagination logic and intuition and head and heart In addition to writing such non fiction apologetics books as Mere Christianity The Problem of Pain and Miracles he wrote eleven novels the seven Chronicles of Narnia a trilogy of science fiction adventures and a haunting retelling of an old myth set in the ancient world All eleven tell wonderful captivating stories that stand on their own as fiction but that also support and bring to life the kinds of apologetical arguments he makes in his non fiction He also wrote two utterly unique works of fiction The Screwtape Letters and The Great Divorce that offer a fresh highly original take on sin and temptation angels and devils and heaven and hell And that s not all Lewis the apologist and novelist had a day job He was a celebrated English professor at Oxford and then Cambridge University who wrote works of literary criticism that are still famous today C S Lewis For Beginners takes the reader through the wardrobe of his complete catalog of writing **Toni Morrison for Beginners** Ron David,2016-10-01 Many people consider Morrison s novels difficult to read Most of her readers have at least one book on their shelves that they couldn t finish or when they did finish one just scratched their heads in confusion And when we think we are sure we know what she s writing about it turns out we are half wrong or only getting the tip of the iceberg instead of the whole beautiful brooding thing Toni Morrison For Beginners is about the woman her books her mission her word music and all that subtext in her writings Morrison s books are like the ocean the surface is beautiful but everything that gives them life lies beneath She s the kind of writer who can change your life and this book is here to help you navigate the words and the woman

American Presidency for Beginners Justin Slaughter Doty,2017-02-01 The President of the United States is an office that attracts men of all character From George Washington to Barack Obama the office has been held by farmers scholars veterans and lawyers from all regions of the United States The American Presidency For Beginners tells a concise history of the actions and consequences of all 44 presidents The evolution of the presidency 8212from the weak curator of Congress to becoming the titan of policy both domestic and foreign 8212is highlighted in 10 sections The American Presidency For Beginners is a must read for those who find the position of commander in chief compelling and who want to learn more about the eclectic personalities that have led the US Stanislavski For Beginners Allen, David,2015-03-17 Stanislavski was the first person to develop a cogent and practical system of acting Throughout his life he sought the answers to such

fundamental questions as What is great acting and How can you find inspiration in every performance Stanislavski remains the most important influence on actor training today and yet many of his ideas are little known or even misunderstood Stanislavski For Beginners charts the development of the Stanislavski system It includes a clear exposition of the key elements of the system and explores his Method of Physical Actions which he worked on in the years before his death and which he called the result of my whole life s work **Chicano Movement For Beginners** Maceo Montoya,2016-09-13 As the heyday of the Chicano Movement of the late 1960s to early 70s fades further into history and as more and more of its important figures pass on so too does knowledge of its significance Thus Chicano Movement For Beginners is an important attempt to stave off historical amnesia It seeks to shed light on the multifaceted civil rights struggle known as El Movimiento that galvanized the Mexican American community from laborers to student activists giving them not only a political voice to combat prejudice and inequality but also a new sense of cultural awareness and ethnic pride Beyond commemorating the past Chicano Movement For Beginners seeks to reaffirm the goals and spirit of the Chicano Movement for the simple reason that many of the critical issues Mexican American activists first brought to the nation s attention then educational disadvantage endemic poverty political exclusion and social bias remain as pervasive as ever almost half a century later

Bukowski For Beginners Polimeni, Carlos,2015-04-07 Charles Bukowski poet novelist short story writer journalist and cult figure of the dissident and rebellious was born in Germany in 1920 and died in the USA in 1994 During his life he was hailed as laureate of American lowlife by Time magazine literary critic Adam Kirsch of The New Yorker wrote The secret of Bukowski s appeal is that he combines the confessional poet s promise of intimacy with the largerthan life aplomb of a pulp fiction hero Bukowski was one of the most unconventional writers and cultural critics of the 20th century He lived an unorthodox idiosyncratic life and wrote in a style that was unique one that is impossible to classify or categorize His work was at times cynical or humorous but was always brilliant and challenging His life and work are distinguished not only by a remarkable talent for words but also by his rejection of the dominant social and cultural values of American society Bukowski began writing at the age of forty and published forty five books six of them novels He is also considered one of the great literary voices of Los Angeles In Bukowski For Beginners playwright Carlos Polimeni evaluates the life and literary achievements of the cult writer whose voice of dissidence and discontent is still heard and appreciated by readers worldwide

The History of Classical Music For Beginners R. Ryan Endris,2014-10-07 Music history is nearly as old as human civilization itself and while it has permeated the arts and popular culture for centuries it still has this mystifying aura surrounding it But fear not it s not as complicated as it seems and anyone can learn the origins and history of Western art music In addition to learning how better to understand and enjoy classical music The History of Classical Music For Beginners will help you will learn of some of the more interesting and sometimes comical stories behind the music and composers Did you know that Jean Baptiste Lully actually died from conducting one of his own compositions You may have

heard of Gregorian chant but did you know there are many forms of chant including Ambrosian and Byzantine chant And did you also know that only a small portion of classical music is even technically Classical These interesting insightful facts and more are yours to discover in *The History of Classical Music For Beginners* **Puccini's Operas for Beginners** Gianni Truvianni, 2016-04 The opera s of Puccini described for those who are considering becoming opera fans [Proust for Beginners](#) Steve Bachmann, 2016-05-01 Proust For Beginners is a compelling biography of French novelist Marcel Proust and a vivid portrait of his times It also serves as a concise guide and critical review of *In Search of Lost Time* la recherche du temps perdu 7 volumes 1913 1927 one of the most difficult yet widely taught works of French literature With extensive passages from *In Search of Lost Time* and other essential works Proust For Beginners highlights the defining themes and unique literary style of a modern master whom many have heard about but few fully fathom It portrays Proust and the milieu in which he wrote in vivid detail bringing to life the Proustian moments at the heart of his greatest work and our own everyday experience Proust s masterpiece begins in a series of rooms in which he unlocks themes styles references and foreshadows writes Harold Augenbraum in the foreword Proust for Beginners will provide the key [Buddha For Beginners](#) Asma, Stephen T, 2015-05-19 Despite the widespread popularity of Buddhist practices like meditation there is little understanding of the complex philosophy behind Buddhism The historical Buddha Gautama was a real person a radical who challenged the religious leaders of his day Buddha For Beginners introduces the reader to the historical Buddha to the ideas that made him change his life and to the fascinating philosophical debates that engaged him and formed the core of Buddhism Buddha For Beginners compares Buddha s philosophy with those of his contemporaries the later Buddhist schools and Western Philosophy The book includes a survey distinguishing the philosophical differences among later schools of Buddhism such as Theravada Madhyamaika Tantric Zen and others Buddha For Beginners is not a book you read it is a book you experience It makes you stop and close your eyes Through some magical combination of words drawings and intuitive wisdom Buddha For Beginners conveys not only the facts of Buddhism but the peace the silence the feel of it It is historically accurate spiritually challenging and the white spaces mean as much as the words **Black Panthers For Beginners** Boyd, Herb, 2015-08-05 A crowd of onlookers gawked from the sidewalk as four young black men dressed in black leather jackets and berets leaped from a Volkswagen each of them wielding shotguns with bandoliers strapped across their bodies The young men surrounded two white police officers who had accosted a black man and had him spread eagled against a building The young men did not say a word as the police officers watched them nervously their eyes fixed on the shotguns One of the young men held a large law book in his hand This was the Black Panther Party in ideal action The real story the whole story was both more and less heroic So begins *Black Panthers For Beginners* The late 1960s when the Panthers captured the imagination of the nation s youth was a time of regulation While their furious passage was marked by death destruction and government sabotage the Panthers left an instructive legacy for anyone who dares to challenge the system Herb Boyd has

done exhaustive research examined the claims of all parties involved and boiled the story down to the truth We believe this is the most truthful book on the market but each Panther has his or her own story to tell We suggest that you check out the stories of all the Black Panthers
