matters Who says Who cares How do we know or find our purpose Many of us ask ourselves these questions and many more as we go through our days and try to make sense of our lives Mike Dooley asks them too except his questions get answered Wisely Compassionately Fully One such answer explained its source stating that we all have a higher self within that predates this life and will live beyond it and thus it knows a whole lot more than we do about where we've been why we're here and what will likely happen next on planet Earth Life on Earth takes the form of a journal in which Mike asks what's on his mind during pivotal times in his life As one of today's most respected New Thought leaders and reality theorists he offers a lofty platform for this wide ranging dialogue that powerfully expands our perspectives on essential truths taking on topics such as Why and how to see through the illusions of life on earth How to make sense of natural disasters and man made tragedies Living deliberately creating consciously and finding your power Wealth relationships past lives and the evolution of consciousness The ultimate reason for life on earth it's shockingly simple These are questions asked from the heart with a cautious even suspicious mind Mike explores the subtleties of the replies in depth and detail using his trademark wit and realism in this intrepid explorer's guide to the jungles of time and space

The Life and Adventures of Nat Love, Better Known in the Cattle Country as "Deadwood Dick" Nat Love, 1995-01-01 Thousands of black cowpunchers drove cattle up the Chisholm Trail after the Civil War but only Nat Love wrote about his experiences Born to slaves in Davidson County Tennessee the newly freed Love struck out for Kansas after the war He was fifteen and already endowed with a reckless and romantic readiness In wide open Dodge City he joined up with an outfit from the Texas Panhandle to begin a career riding the range and fighting Indians outlaws and the elements Years later he would say I had an unusually adventurous life That was rare understatement More characteristic was Love's claim I carry the marks of fourteen bullet wounds on different parts of my body most any one of which would be sufficient to kill an ordinary man but I am not even crippled In 1876 a virtuoso rodeo performance in Deadwood Dakota Territory won him the moniker of Deadwood Dick He became known as DD all over the West entering into dime novels as a mysteriously dark and heroic presence This vivid autobiography includes encounters with Bat Masterson and Billy the Kid a soon after view of

the Custer battlefield and a successful courtship Love left the range in 1890 the year of the official closing of the frontier Then as a Pullman train conductor he traveled his old trails and those good times bring his story to a satisfying end **Life and Adventures of Nat Love, Better Known in the Cattle Country as "Deadwood Dick," by Himself** Nat
