Penguin Of International Womens Stories:

The Penguin Book of International Women's Stories Kate Figes,1997 The Penguin Book of International Women's Stories brings together a vast array of writing from women around the world These stories mirror the changes and expectations of women's lives everywhere and reflect the diversity of their experience

A Space of Her Own Leela Gulati,Jasodhara Bagchi,2005-05 Several books have been written about the position of women in India's patriarchal society This collection of twelve narratives however focuses not so much on women's subservient position vis a vis men but on women's relations with each other With the authors locating their personal struggles within those of three generations of women in their families these narratives span a period of over a 100 years and intersect both the private and public domains Each narrative in A Space of Her Own is a tale of how the author fought to establish her own personhood and create a sphere of autonomy where she is able to make decisions to nurture herself and those around her It is stories such as these the editors argue which when repeated over generations will inspire women to live with dignity and to create and defend lives for themselves their families and the women who follow them

Reading Circles, Novels and Adult Reading Development Sam Duncan,2012-02-23 Adult literacy teachers are constantly searching for effective engaging and distinctly adult ways to develop adult emergent reading and for at least the past two hundred years adults have formed themselves into reading circles to read and discuss novels on a weekly or monthly basis Why then are reading circles rarely used or studied in formal adult literacy provision This book explores adult reading development novel reading and reading circles in the context of a wider examination of reading pedagogies and practices in the English speaking world It discusses reading as both an individual and a communal act and investigates the relationship between literature and literacy development practice and pedagogy including a reassessment of the controversial approaches of reading aloud and phonics for adults Sam Duncan reviews a case study of an adult reading circle in a large London further education college and identifies the wider implications for the teaching and learning of adult emergent reading for the use and understanding of reading circles and for how we understand the novel reading experience more broadly

The Short Story Anthology and Women's Writing Aleix Tura Vecino,2025-08-14 Hundreds of anthologies of women's short stories have appeared in the literary market between the 1970s and now This publishing and cultural phenomenon is considered for the first time in this book which argues that during this period anthologies have become a literary technology used not only to make visible female short story writers but also to think about and mould ideas of womanhood Through creative and contextualised readings of the most important anthologies produced in this period this study shows that this literary form has contributed to and in some cases pioneered key developments in gender theory and feminist thought including questions of political combination among women which underlie contemporary global movements such as MeToo In doing so the book also develops the first book length conceptualisation of the features and meaning making mechanisms of the short story anthology as a literary form This book

will benefit academics and students working in the fields of short fiction publishing and women's studies as well as feminist scholars and a growing number of specialists interested in the anthology as a literary form worldwide **Understanding**

Lorrie Moore Alison Kelly, 2009 The first book length critical approach to the fiction of the award winning author of *Birds of America* *Understanding Lorrie Moore* is a comprehensive companion to the works of this wickedly humorous writer whose fiction shows a deep sensitivity to the dynamics of contemporary gender relations and an abiding interest in portraying and critiquing the American national character The recipient of the 1998 O Henry Award and the 2004 Rea Award for the Short Story Lorrie Moore is best known for her short fiction Alison Kelly shows that Moore's virtuosic prose wry humor and sense of irony are tools for registering how Americans face the discomfort of their daily lives as individuals and as a nation Kelly traces Moore's emergence as a writer in the 1980s and her artistic development up to the present day illuminating the distinctive narrative methods aesthetics and thematic preoccupations of Moore's major works Kelly follows Moore's recurrent characters situations metaphors and motifs in order to promote understanding of the texts and appreciation for their wordplay wit and imagery Viewing her subject as a subtly political writer Kelly discusses Moore's major themes techniques and stylistics as evidence that her characters private pains are symptomatic of a wider national malaise A
