My Songs to God Bruce Hammer,2021-05-06 No green No growth No life Intense heat grilled the land And soil turned to dust no hope This microwaved earth called out for help for rain Yet like the creeping beetle on the sand time crept slowly A drop Another drop then many drops God poured hope upon this desert death And the rhythm of the rain brought a joyous sound A bloom of one then two then many people grew into a mighty orchestra of life Like a symphony of sound thoughts and emotion King David and others wrote their psalms Our lives are wonderful music that can bring hope to us and praise to Almighty God I think I began writing sonnets because it seemed a poetic form with a great rhythm and lyric quality Early on I discovered that one of my favorite books Psalms meant songs of praise or hymns In Psalm 40 the writer tells us the LORD put a new song in his heart The God who weaved us in the womb will give us a new song a song of love and peace Yes He can Hallelujah The God of Creation sent His Son that we might have life and might have it to the full He wants to give us new songs Even songs in the night In the sorrow I hope you will find joy and healing in these songs I did
