The English Linguistics Project Jonathan Malicsi,2017-11-15 The ELP ENGLISH MANUAL 8th Edition is a comprehensive response to the integration of the ELP's English language workshops for professionals and the English language courses for students under an English Language Learning System ELLS particularly as spurred by the more wide ranging concerns articulated by universities and multinationals This book introduces new concepts that reflect contemporary grammatical theory with entries on idiom idioms and pronunciation based on current data on Filipino English accumulated over the past 18 years More insights have actually come from a parallel study that focuses on the grammar and rhetoric of Filipino some of which have affected the chapters on Determiners Tense and Embedding The English Language Project instituted by former U P President Jose V Abueva under his office in 1991 has transformed into the English Linguistics Project part of Dr Jonathan Malicsi's research and extension service for the Department of Linguistics

Bilingual

Thematic Dictionaries Martin Stark,2011-10-27 This book is concerned with bilingual thematic dictionaries BTDs The three chief aims of the research project are 1 to identify the characteristic features of the bilingual thematic dictionary 2 to gauge its usefulness and 3 to make suggestions as to how it could be improved Various approaches are adopted in order to reveal the nature of the BTD The typological approach considers the lexicographic genres bilingual thematic and pedagogical which

have been combined to create this hybrid reference work Particular attention is paid to the BTD s immediate forerunner and closest lexicographic relative the monolingual thematic learner s dictionary Detailed textual analyses of contemporary thematic dictionaries identify the characteristic features of the macrostructure microstructure and other components from a structural perspective In order to evaluate the usefulness of the BTD features identified the textual analyses are supplemented by three pieces of user research involving a questionnaire to elicit learners opinions a test on the effectiveness of the access structure and an experiment to discover how a learner uses a BTD

The Unmasking of English Dictionaries R. M. W. Dixon, 2018-01-25 When we look up a word in a dictionary we want to know not just its meaning but also its function and the circumstances under which it should be used in preference to words of similar meaning Standard dictionaries do not address such matters treating each word in isolation R M W Dixon puts forward a new approach to lexicography that involves grouping words into semantic sets to describe what can and cannot be said and providing explanations for this He provides a critical survey of the evolution of English lexicography from the earliest times showing how Samuel Johnson s classic treatment has been amended in only minor ways Written in an easy and accessible style the book focuses on the rampant plagiarism between lexicographers on ways of comparing meanings of words and on the need to link lexicon with grammar Dixon tells an engrossing story that puts forward a vision for the future
