

Why does this doctrine of the rapture matter?

- ♦ What we believe about the timing of the rapture and the details related to it, determines much in the way of how we live out our Christian life on earth, and the way we view our Lord and Saviour Jesus Christ.
- ♦ What view we hold in relation to when the Church is raptured will determine how we stand up under tribulations which we have to endure currently.
- ♦ *Acts 14:22 “we must through much tribulation enter into the kingdom of God.” KJV*

The Rapture of Matter Frankie Paino,1991 The Creation of Matter; Or, Material Elements, Evolution, and Creation ... William Profeit,1904 **The Conclusion of the Whole Matter & the Mark of the Beast** Prophet George F. Young,2022-02-09 My sole interest in writing this book is to bring to the reader awareness of the uncertainties of the times we are living in This is truly the fig tree generation that budded in 1948 It will not die out till all these things are fulfilled Matthew 24 34 It is also known as the apocalyptic generation which is also referred to as the rapture generation Though we know not the day nor the hour it behooves us to always be ready The Spirit of the Matter D. L. Watson,2022-02-10 The Spirit of the Matter is born from a love of truth and a love of God s word When these two loves come together we find the Scriptures are not only reliable and consistent but a brilliantly designed set of instructions for life reaching a depth of profundity that most Christian teachings fail to address This book carefully examines the Christian notion that the Mosaic Law Torah no longer is applicable to believers and guides readers through an understanding of how and why the words of God spoken to the Old Testament writers are intensely relevant to people today Readers will take a thought provoking journey through topics such as Are we supposed to believe a literal seven day account of creation in the book of Genesis Is it possible that the New Testament instructs those who believe in Jesus Christ to also obey certain commands in the Torah Is it conceivable that the Sabbath day as established in the creation story could also hold truths for the events of Revelation and the end times This book will encourage you with a confidence that God s word holds much more for believers than most have been taught to expect **Resonant Matter** Lutz Koepnick,2020-12-10 In Resonant Matter Lutz Koepnick considers contemporary sound and installation art as a unique laboratory of hospitality amid inhospitable times Inspired by Ragnar Kjartansson s nine channel video installation The Visitors 2012 the book explores resonance the ability of objects to be affected by the vibrations of other objects as a model of art s fleeting promise to make us coexist with things strange and other In a series of nuanced readings Koepnick follows the echoes of distant unexpected and unheard sounds in twenty first century art to reflect on the attachments we pursue to sustain our lives and the walls we need to tear down to secure possible futures The book s nine chapters approach The Visitors from ever different conceptual angles while bringing it into dialogue with the work of other artists and musicians such as Lawrence Abu Hamdan Guillermo Galindo Mischa Kuball Philipp Lachenmann Alvin Lucier Teresa Margolles Carsten Nicolai Camille Norment Susan Philipsz David Rothenberg Juliana Snapper and Tanya Tagaq With this book Koepnick situates resonance as a vital concept of contemporary art criticism and sound studies His analysis encourages us not only to expand our understanding of the role of sound in art of sound art but to attune our critical encounter with art to art s own resonant thinking The Truth of the Matter Andre Eddington,2004-08 People in all walks of life are destroyed from a lack of knowledge simply because that knowledge is rejected Within the pages of this book are interesting topics with the capacity to stir up curiosity about what the truth is in

The Heart of the Matter George E. Thompson, 2017-01-20 The Heart of the Matter does not dance around the fringes of acceptable religion nor is it limited by traditional church thinking Rather it peels away the many layers of conventional thought to get down to bedrock truth concerning Christianity and living the Christian life However in so doing it carefully adheres to the absolute truth and authority of scripture The book puts into perspective who God is and his overall plan for creation and eternal fellowship with his bride It delves into how each person fits into that plan offering considerable detail concerning the many issues in establishing a deep relationship with God Much is said about the biblical significance and importance of maintaining such a close intimate relationship that God not only demands but earnestly desires Many practical guidelines are presented regarding God's design for our lives here on earth what he would have us think say and do that we are to continue growing how to deal with gut wrenching adversity and that whatever we do is to be for his glory
